Dual Coding for Teachers - Oliver Caviglioli 2019-06-04

As part of the discovery of cognitive science, teachers are waking up to the powers of dual coding - combining words with visuals in your teaching. But cognitive scientists aren't graphic designers, and so their books don't show teachers how to be competent in producing effective visuals. There is a huge gap between what we know about dual coding and the skills needed to practice it effectively in the classroom. Until now. Dual Coding With Teachers is a breakthrough educational book. No other book has been designed with both cognitive science and graphic principles in mind. Every page contains diagrams, infographics, illustrations and graphic organisers. The book is designed to cater for both the busy teacher in a rush, as well as the research-hungry colleague. Over 35 teachers, teacher developers, psychologists and information designers are profiled, each with a double-page spread, highlighting their dual coding practice. The author, Oliver Caviglioli, is uniquely placed to bridge the gap between education and graphic design. A former special school head teacher, Oliver learned design principles from an early age from his architect and typographer father. Four decades of reading educational research has found its visual expression in this spectacular, image-rich book.

Wonders of New York - Alessandra Mattanza 2012-04-26

New York is like an infinite onion that you discover layer after layer, never tiring of peeling. You get to know it step by step, enchanted by its colours, its light, the sunsets and sunrises, by the ever-changing colour of the sky, as mutable as the wind. In the shadow of its breathtakingly tall skyscrapers, its buildings, its

townhouses, as you hurry from one of the varied shop windows to the next. In its elegance and glamour, the formality of its museums, great temples of culture, in the magic of evocative moments and glimpses of street life. Indeed, New York does not actually exist, because there is not only one New York City, but ten, one thousand, one hundred thousand cities within the city, all jostling and intersecting each other, all connected to each other, in a melting pot of people, traditions and cultures that take you on a journey to every part of the world. This latest addition to the successful CubeBook Collection is dedicated to the discovery of this multifaceted city that is in a state of continuous transformation. AUTHOR: Alessandra Mattanza lives in New York. As a writer, journalist and photographer, she feels multifaceted like the City that she adores from its most insignificant sidewalk to the top of its stunning skyscrapers. She writes for the major Italian and German magazines of the Mondadori, Conde Nast, Rizzoli, Gruner + Jahr and Stern publishing groups and for several publishers, including Sperling & Kupfer, White Star and Giunti. She is also the author of a work of fiction *Storie di New York*, FBE Edizioni (2010), a collection of short stories, for which she is now producing a screenplay. SELLING POINTS: * The images of the "new" New York, with the latest skyscrapers and exceptional works of architecture. * The passionate texts of an "adopted" New Yorker. * The testimony to the rebirth of the city. * 390 photographs from air and land. * A new title in a successful series for collectors. ILLUSTRATIONS: 392 colour photos

The Grammar Bible - Michael Strumpf 2004-07-15

For more than a quarter of a century, as the creator and proprietor of the National Grammar Hot Line, Michael Strumpf helped thousands of callers from every corner of the globe tackle the thorniest issues of English grammar. In *The Grammar Bible*, he answers the most common, the most insightful, and the funniest questions asked of him by students, editors, lawyers, doctors, and writers of all stripes. Professor Strumpf's unique

question-and-answer sections follow concise but thorough explanations of the various elements of good grammar, from parts of speech to types of sentences; together, they comprise the ideal primer on speech and writing, showing readers how to express themselves more impressively. Whether you need a comprehensive review of the subjunctive mood or simply want to know which form of a verb to use, The Grammar Bible is a practical handbook that will enlighten, educate, and entertain you.

Re imaginar la educación pública - Encarna Rodríguez
2017-05-11

Este libro afronta este reto de dos maneras muy concretas. Primero, describiendo detalladamente cómo once escuelas que existen o existieron en momentos históricos y contextos geográficos muy diferentes, pero con un gran compromiso con las poblaciones más desfavorecidas, establecieron pedagogías y currículos para canalizar públicamente sus esperanzas de un futuro mejor para sus estudiantes. Y segundo, reflexionando sobre como las historias de estas escuelas pueden ayudarnos a generar un mayor compromiso con las visiones públicas de la educación. Para facilitar esta reflexión, este libro ofrece la noción de educación pública como algo que debe ser imaginado públicamente como un instrumento conceptual capaz de ayudarnos a entender la necesidad de ver las esperanzas educativas de las escuelas en los contextos históricos y discursivos en las que se originan y a reclamar las escuelas públicas como espacios legítimos y necesarios para ejercer nuestra imaginación pública

Basic English Grammar For Dummies - US - Geraldine Woods 2015-09-15

The easy way to brush up on your English skills Is it good or well? There, their, or they're? Some people don't have to think twice about using proper English, but for the rest of us it can get tricky and confusing. Whether you're writing or speaking, it's all too easy to fall prey to simple mistakes that will represent you in a less-than-desirable light—which can potentially cost you a job or put you in an embarrassing social situation. Avoiding complicated grammar rules, Basic English For Dummies sticks to the basics and makes it easy to get up and running on what you need to know to partake in successful everyday communication, no matter your audience or medium. Inside, you'll find plenty of examples and exercises, guidance on how to structure sentences to make yourself easily understood, and so much more. In no time, you'll leave the 'me or I?' debate at the door and speak and write confidently and correctly. Plus, you'll expand your vocabulary, find the right tone and style you want to convey in your communication, and avoid common English language pitfalls. Includes quizzes and self-tests Provides guidance on composing letters, emails, texts, and phone calls Explains in plain English how to improve your English skills Gives you instruction and exercises on putting your skills to practice right away If English is your first language, but you missed or have forgotten the nuances

that were taught in school, Basic English For Dummies is your go-to guide. It is also ideal for those learning English as a second language.

English - Ken Xiao 2016-11-15

Including 1 Free Lesson With Free Audio & Free Video You have studied English for years, yet you still don't speak English well. You've tried many methods and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read English, but you feel too nervous or too shy to speak English. The good news is, this is very normal. You have simply used ineffective methods to learn to speak English. Ken has been in your situation before, but now he can speak English like a native, and he accomplished that in six months. In this book, Ken is going to teach you how to completely get rid of your accent and develop an American or British accent to speak English just like a native speaker, and he'll teach you how to accomplish that in just six months. In this book, you'll: * learn to speak like a native in six months or less * learn to do that on a busy schedule * learn to speak English without translating it first * learn grammar without memorizing grammar rules * learn to build a vocabulary that lasts * learn to pronounce English words like native American or native British * learn to speak English fluently, correctly, naturally, effectively, effortlessly * and more... to speak English like a native speaker. You have studied English for years, yet you still can't speak English well. The reason is simply: The methods you used were ineffective. Change your approach now. Learn from the success who has walked in your shoes before and is getting the result you want. Effortlessly follow the step-by-step instructions in the book to achieve the highest level of fluency to help you speak English like a native speaker.

Introducción a la lingüística hispánica - José Ignacio Hualde 2009-12-03

Written entirely in Spanish, this is the ideal introduction to Spanish linguistics for students. Using clear explanations, it covers all the basic concepts required to study the structural aspects of the Spanish language - phonetics and phonology, morphology and syntax - as well as the history of Spanish, its dialects and linguistic variation. This second edition incorporates new features designed to enhance its usefulness for classroom teaching: chapters have been added on the sociolinguistics of Spanish in the USA, and on semantics and pragmatics. The chapter on syntax has been considerably expanded. Numerous exercises have been added throughout the book, as well as a new glossary to help with technical terms.

espectaculares libros de la Teacher de Inglés. El Pack ahorro incluye: Vendedor Más Grande del Mundo Vol. I Vendedor Más Grande del Mundo Vol. II Curso completo online Inglés Amigo *Side by Side/Lado a lado* - Monica Brown 2010-08-31

Every day, thousands of farmworkers harvested the food that ended up on kitchen tables all over the country. But at the end of the day, when the workers sat down to eat, there were only beans on their own tables. Then Dolores Huerta and Cesar Chavez teamed up. Together they motivated the workers to fight for their rights and, in the process, changed history. Award-winning author Monica Brown and acclaimed illustrator Joe Cepeda join together to create this stunning tribute to two of the most influential people of the twentieth century. Todos los días, miles de campesinos cosechaban los alimentos que se servían en los hogares de todo el país. Pero al terminar la jornada, cuando los campesinos se sentaban a comer, lo Único que había en sus propias mesas era frijoles. Entonces, Dolores Huerta y César Chávez se unieron para motivar a los trabajadores a luchar por sus derechos y en el proceso, cambiaron el curso de la historia. La premiada autora Monica Brown y el aclamado ilustrador Joe Cepeda se unen para crear Éste impresionante tributo a dos de las personas más influyentes del siglo veinte.

Bibliografía cronológica de la lingüística, la gramática y la lexicografía del español (BICRES V) - Miguel Ángel Esparza Torres 2015-10-15

Since the publication of the still very valuable Biblioteca histórica de la filología by Cipriano Muñoz y Manzano, conde de la Viñaza (Madrid, 1893), our knowledge of the history of the study of the Spanish language has grown considerably, and most manuscript and secondary sources had never been tapped before Hans-Josef Niederehe of the University of Trier courageously undertook the task to bring together any available bibliographical information together with much more recent research findings, scattered in libraries, journals and other places. The resulting Bibliografía

cronológica de la lingüística, la gramática y la lexicografía del español: Desde los principios hasta el año 1600 (BICRES) began appearing in 1994. BICRES I covered the period from the early beginnings to 1600), followed by BICRES II (1601-1700), BICRES III (1701-1800), and together with Miguel Ángel Esparza Torres of Madrid there followed BICRES IV (1801 to 1860). Now, the fifth volume, has become available, covering the years from 1861 to 1899. Access to the bibliographical information of altogether 5,272 titles is facilitated by several detailed indexes, such as a short title index, a listing of printers, publishers and places of production, and an author index. More than twenty years of research in the major libraries of Spain and other European countries have gone into this unique work — relative sources of the Americas have also been covered — making it exhaustive source for any serious scholar of any possible aspect of the Spanish language.

English Grammar For Dummies - Geraldine Woods 2011-03-16

A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades - no, for centuries - have been making a big deal out of grammar in classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar - and you certainly don't have to diagram sentences - in order to speak and write correct English. So rest assured - *English Grammar For Dummies* will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With *English Grammar For Dummies*, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. *English Grammar For Dummies* covers many other topics as well, such as the following: Verbs, adjectives, and adverbs - oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this

one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as writing a paper for school, giving a presentation to your company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!

Curso de Inglés Médico - LCPH 2001-07

Un método completo de aprendizaje de inglés compuesto por tres libros y seis CD-ROM, dos por cada nivel, que cubren los niveles de aprendizaje básico, intermedio y avanzado. El curso está diseñado para que el usuario lleve a cabo un aprendizaje fácil y gradual, aumentando de nivel progresivamente hasta una completa inmersión lingüística. Desde el libro 1, con las explicaciones en castellano y algunos textos en inglés reproduciendo situaciones cotidianas y otras en las que ya se introduce el vocabulario especializado básico, hasta el libro 3, que está escrito por completo en inglés y cubre las necesidades lingüísticas más avanzadas del profesional sanitario (información y vocabulario muy específicos, redacción de artículos científicos, etc.) Los tres libros, con un diseño muy didáctico y atractivo a todo color, están estructurados en doce unidades que van acompañadas de un test de progreso, glosario, compendio gramatical, transcripción de las locuciones de los CD-ROM y soluciones a todos los ejercicios y actividades planteados en ellos. Cada unidad está organizada en una serie de apartados, correspondientes a los distintos aspectos de la lengua (situación, Reading, listening, grammar, etc.), que incluyen numerosas actividades prácticas y permiten adquirir y ejercitar las destrezas necesarias para el aprendizaje de la lengua. Los seis CD-ROM interactivos están diseñados para potenciar la comprensión oral y la comunicación efectiva (actividades de listening, ejercicios de pronunciación con la posibilidad de grabación, etc.), con una

navegación muy intuitiva que permite seleccionar de un menú principal la unidad que se desea trabajar y una vez que se accede a ésta, la actividad que se va a realizar. Los CD-ROM incluyen distintos tipos de ejercicios y actividades didácticas que resultan de realización sencilla y amena (campos de selección, drag & lock, check box.), refuerzan el aprendizaje de los distintos niveles de la lengua y complementan lo aprendido en los libros. Inglés Para Latinos, Level 1 - William C. Harvey 2018-06-19
INGLES PARA LATINOS LEVEL 1 is designed to teach Hispanics in the United States and Canada a practical working knowledge

of English. Updated with additional commonly-used phrases, new questions and answers for practice and review, and listening aids such as find-the-word boxes, jumbled words, and crosswords, the new edition of this informal language-learning program has been created to give Hispanics in the United States and Canada a practical working knowledge of English. Author William Harvey bypasses the dull rules of grammar, and instead familiarizes readers with often-used phrases, including a series of informal conversations among speakers in idiomatic American English. It also features tables that present commonly-used English verbs and verb tenses. Emphasis on correct pronunciation includes helpful tips and advice on pronunciation and listening comprehension. The supplemental downloadable audio uses spoken dialogues and coaching to emphasize correct pronunciation of informal American English.

Bodega Dreams - Ernesto Quiñonez 2015-01-21

In this "thriller with literary merit" (Time Out New York), a stunning narrative combines the gritty rhythms of Junot Diaz with the noir genius of Walter Mosley. *Bodega Dreams* pulls us into Spanish Harlem, where the word is out: Willie Bodega is king. Need college tuition for your daughter? Start-up funds for your fruit stand? Bodega can help. He gives everyone a leg up, in exchange only for loyalty—and a steady income from the drugs he pushes. Lyrical, inspired, and darkly funny, this powerful debut novel brilliantly evokes the trial of Chino, a smart, promising young man to whom Bodega turns for a favor. Chino is drawn to Bodega's street-smart idealism, but soon finds himself over his head, navigating an underworld of switchblade tempers, turncoat morality, and murder. "Bodega is a fascinating character. . . . The story [Quiñonez] tells has energy and verve." —The New York Times Book Review
