Den gamle og den ny verden konfronteres i skildringen af en livsglad amerikansk piges besøg i Italien i 1870'erne, hvor hun på grund af sin uskyldighed og naivitet bliver anset for uanstændig

Daisy Miller - Henry James
2018-07-04

Daisy Miller is a novella by Henry James that first appeared in Cornhill Magazine in June-July 1878, and in book form the following year. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers. His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy.

Name Symbolism and Multilayer Ambiguity in Henry James' "Daisy Miller" - 2016-07-13

Seminar paper from the year 2014 in the subject American Studies - Literature, grade: 1,3, University of Passau, language: English, abstract: Beginning with a summary of Henry James's novella 'Daisy Miller: A Study', written in 1887 when the movement of literary Realism was just about to emerge as a counterforce to the exuberance of Romanticism, I will continue to explain the several layers of ambiguity that can be found in this text. After briefly outlining what are the different layers of ambiguity that can be found here, I will connect his extensive use of polarities to the name

symbolism, which not only includes hints as to what will be the characters' fate or, in the case of Mrs. Costello or Eugenio, might even include an ironic component. I will then pose the question that "torments Winterbourne" (Lode, 19) all throughout the story: Is Daisy's behavior particularly American, or is it caused by her personal inability to adapt to European standards or simply by her unwillingness? Thus asking if her death was pre-determined because of her typical behavior, of if she died as a martyr of her own belief in personal freedom? As an example of the Realistic components of the text, I will explain James's use of types before contrasting this with several romantic elements that can be found and explaining why

Daisy could have been originally composed as a Romantic character. The last proof of Romantic elements will be the alignment of 'Daisy Miller' and the Aristotelian drama, making Daisy the tragic hero of the story and explaining why James so explicitly emphasized her virtuousness in the end by repeating three times that she was "the most innocent" (James, 63). My discussion about the meaning of the subtitle however, again brings up the question to what extent this novella can be unambiguously assigned to either literary period, for "precisely because [of] what is forward- looking in James has been so widely and adequately recognized, the provenance of his work in Romantic literary tradition has been [...] overlooked" (Foger, 1).

Daisy Miller - Henry James 1920

Daisy Miller - Henry James 2009-05-01

A beautiful American girl, Daisy Miller, is pursued by the sophisticated Winterbourne, who moves in fairly conservative circles. Their courtship is frowned upon by the other Americans they meet in Switzerland and Italy because Daisy is too vivacious and flirtatious and neither belongs to, nor follows the rules of, their society. The novella is a comment on American and European attitudes towards each other and on social and cultural prejudice.

Daisy Miller By Henry James - Henry James 2014-05-29

At the little town of Vevey, in Switzerland, there is a particularly comfortable hotel. There are, indeed, many

hotels, for the entertainment of tourists is the business of the place, which, as many travelers will remember, is seated upon the edge of a remarkably blue lake—a lake that it behooves every tourist to visit. The shore of the lake presents an unbroken array of establishments of this order, of every category, from the "grand hotel" of the newest fashion, with a chalk-white front, a hundred balconies, and a dozen flags flying from its roof, to the little Swiss pension of an elder day, with its name inscribed in German-looking lettering upon a pink or yellow wall and an awkward summerhouse in the angle of the garden. One of the hotels at Vevey, however, is famous, even classical, being distinguished from many of its upstart neighbors

by an air both of luxury and of maturity. In this region, in the month of June, American travelers are extremely numerous; it may be said, indeed, that Vevey assumes at this period some of the characteristics of an American watering place. There are sights and sounds which evoke a vision, an echo, of Newport and Saratoga. There is a flitting hither and thither of "stylish" young girls, a rustling of muslin flounces, a rattle of dance music in the morning hours, a sound of high-pitched voices at all times. You receive an impression of these things at the excellent inn of the "Trois Couronnes" and are transported in fancy to the Ocean House or to Congress Hall. But at the "Trois Couronnes," it must be added, there are other features that are much at variance

with these suggestions: neat German waiters, who look like secretaries of legation; Russian princesses sitting in the garden; little Polish boys walking about held by the hand, with their governors; a view of the sunny crest of the Dent du Midi and the picturesque towers of the Castle of Chillon.

Best of James: Daisy Miller (Illustrated) - Henry James 2020-09-18

Daisy Miller - Henry James 2011-11-14
Henry James's Daisy Miller was an immediate sensation when it was first published in 1878 and has remained popular ever since. In this novella, the charming but inscrutable young American of the title shocks European society with her casual indifference to its social mores. The novella was popular in

part because of the debates it sparked about foreign travel, the behaviour of women, and cultural clashes between people of different nationalities and social classes. This Broadview edition presents an early version of James's best-known novella within the cultural contexts of its day. In addition to primary materials about nineteenth-century womanhood, foreign travel, medicine, philosophy, theatre, and art—some of the topics that interested James as he was writing the story—this volume includes James's ruminations on fiction, theatre, and writing, and presents excerpts of *Daisy Miller* as he rewrote it for the theatre and for a much later and heavily revised edition.

Daisy Miller - Henry James 1990

Describes the background of *Daisy Miller*, discusses its themes, and looks at its critical reception

Henry James - Henry James 2004-06-28

Henry James looked at society's rules and foibles with a sharp, critical eye. Shifting from America to Europe, the New World and the

Old, he saw how rigid conventions could destroy lives and happiness. His views come to life in 5 of his classic, richly textured novels included here: Daisy Miller, Washington Square, The Portrait of a Lady, The Bostonians, and The Aspern Papers. *Daisy Miller: A Study* - Henry James 2022-09-08

DAISY MILLER By Henry James 1843-1916

Daisy Miller - Henry James 2007-12-18
Travelling in Europe with her family, Daisy Miller, an exquisitely beautiful young American woman, presents her fellow-countryman Winterbourne with a dilemma he cannot resolve. Is she deliberately flouting

social convention in the outspoken way she talks and acts, or is she simply ignorant of those conventions? When she strikes up an intimate friendship with an urbane young Italian, her flat refusal to observe the codes of respectable behaviour leave her perilously exposed. In *Daisy Miller* James created his first great portrait of the enigmatic and dangerously independent American woman, a figure who would come to dominate his later masterpieces. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series

2017-01-24

A wonderful new collection of Henry James's short stories about Americans in Europe Daisy Miller is one of Henry James's great heroines: a young, independent American traveling in Europe, whose flouting of social conventions has the potential to lead to catastrophe. Her story is here accompanied by six more riffing on a classic Jamesian theme: the clash between the old world and new, Europe and America. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout

history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Daisy Miller - Henry James 2020-10-28

Daisy Miller is a novella by Henry James that first appeared in Cornhill Magazine in June-July 1878, and in book form the following year. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers. His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. Annie "Daisy"

Miller and Frederick Winterbourne first meet in Vevey, Switzerland, in a garden of the grand hotel, [2] where Winterbourne is allegedly vacationing from his studies (an attachment to an older lady is rumoured). They are introduced by Randolph Miller, Daisy's nine-year-old brother. Randolph considers their hometown of Schenectady, New York, to be absolutely superior to all of Europe. Daisy, however, is absolutely delighted with the continent, especially the high society she wishes to enter. Winterbourne is at first confused by her attitude, and though greatly impressed by her beauty, he soon determines that she is nothing more than a young flirt. He continues his pursuit of Daisy in spite of the disapproval of his aunt,

Mrs. Costello, who spurns any family with so close a relationship to their courier as the Millers have with their Eugenio. She also thinks Daisy is a shameless girl for agreeing to visit the Château de Chillon with Winterbourne after they have known each other for only half an hour. The next day, the two travel to Château de Chillon and although Winterbourne had paid the janitor for privacy, Daisy is not quite impressed. Winterbourne then informs Daisy that he must go to Geneva the next day. Daisy feels disappointment and chaffs him, eventually asking him to visit her in Rome later that year. In Rome, Winterbourne and Daisy meet unexpectedly in the parlor of Mrs. Walker, an American expatriate, whose moral values have adapted to those of

Italian society. Rumors about Daisy meeting with young Italian gentlemen make her socially exceptionable under these criteria.

Winterbourne learns of Daisy's increasing intimacy with a young Italian of questionable society, Giovanelli, as well as the growing scandal caused by the pair's behaviour. Daisy is undeterred by the open disapproval of the other Americans in Rome, and her mother seems quite unaware of the underlying tensions. Winterbourne and Mrs. Walker attempt to persuade Daisy to separate from Giovanelli, but she refuses. One night, Winterbourne takes a walk through the Colosseum and sees a young couple sitting at its centre. He realises that they are Giovanelli and Daisy. Winterbourne, infuriated with

Giovanelli, asks him how he could dare to take Daisy to a place where she runs the risk of catching "Roman Fever". Daisy says she does not care and Winterbourne leaves them. Daisy falls ill and dies a few days later.

New Essays on 'Daisy Miller' and 'The Turn of the Screw' - Vivian R. Pollak 1993-09-24
Daisy Miller and The Turn of the Screw may be Henry James's most widely read tales.

Certainly, these swiftly moving accounts of failed connections are among the best examples of his shorter fiction. One represents the international theme that made him famous; the other exemplifies the multiple meanings that make him modern. The introduction to this 1993 volume locates his fiction in the context of the family that conditioned his concern with the sexual politics of intimate experience. In the four essays that follow, Kenneth Graham offers a close reading of *Daisy* with an emphasis on *Daisy*; Robert Weisbuch examines *Winterbourne* as a specimen of James's formidable bachelor type; Millicent Bell places the ghost story *governess* in the traditions of English fiction and society; David McWhirter then provides a critique of

female authority. Deftly summarising earlier criticism, these essays demonstrate the continuing appeal of Henry James in our time. ***Daisy Miller, a study*** - Henry James 1879

When she strikes up an intimate friendship with an urbane young Italian, her flat refusal to observe the codes of respectable behaviour leave her perilously exposed. In *Daisy Miller* James created his first great portrait of the enigmatic and dangerously independent American woman, a figure who would come to dominate his later masterpieces.

Daisy Miller - Henry James 2008-04-01
Daisy Miller, a young woman from Schenectady, New York, arrives in Switzerland with her mother and younger brother to visit her aunt. They are on holiday from the United States where her father is a successful businessman, a member of the nouveau riche. Mrs. Miller wants to try her daughter out on the European social regime which includes complex and detailed layers of conduct by which judgement is rendered on the participants. A certain amount of useful knowledge can protect an innocent from her own vulnerability. Unfortunately, Daisy is spirited but without the ability to curb her quick enthusiasm. She doesn't have the social experience to be unconventional. In Switzerland she meets

27-year-old Frederick Winterbourne who is from America but grew up and was educated in Geneva. When he and Daisy meet at the beginning of the story their behavior is spontaneous, and Winterbourne is drawn by her flirtatious ways. The tale continues as a studious consideration of Daisy through Frederick's eyes. Because he is older and differently schooled he spends his energy trying to decipher her manner and intent. He detects her unwillingness to follow the customary demeanor of other girls who match her age and social rank. Daisy meets another man, an impoverished Italian, who takes her on unescorted excursions. They are seen together and criticized for these unchaperoned situations. When Winterbourne is a witness to one of these questionable outings he

steps away from any more pursuit of Daisy. She becomes ill with fever in Rome. Frederick visits her during this sickness until she dies. This narrative outlines the conflict between artifice and infatuation. This is one of Henry James most succinct and direct accounts of the interplay between social standings.
