Lajja - Taslima Nasrin 2014-09-15

A savage indictment of religious extremism and man's inhumanity to man, Lajja was banned in Bangladesh, but became a bestseller in the rest of the world. The Duttas—Sudhamoy and Kironmoyee, and their children, Suranjan and Maya— have lived in Bangladesh all their lives. Despite being members of a small, vulnerable Hindu community, they refuse to leave their country, unlike most of their friends and relatives. Sudhamoy believes with a naive mix of optimism and idealism that his motherland will not let him down. And then, on 6 December 1992, the Babri Masjid is demolished. The world condemns the incident, but its immediate fallout is felt most acutely in Bangladesh, where Muslim mobs begin to seek out and attack Hindus. The nightmare inevitably arrives at the Duttas' doorstep, and their world begins to fall apart.

The Defining Decade - Meg Jay 2012-04-17

New York Times bestselling psychologist Dr. Meg

Jay uses real stories from real lives to provide smart, compassionate, and constructive advice about the crucial (and difficult) years we cannot afford to miss. Our "thirty-is-the-new-twenty" culture tells us the twentysomething years don't matter. Some say they are a second adolescence. Others call them an emerging adulthood. Dr. Meg Jay, a clinical psychologist, argues that twentysomethings have been caught in a swirl of hype and misinformation, much of which has trivialized what is actually the most defining decade of adulthood. Drawing from almost two decades of work with hundreds of clients and students, The Defining Decade weaves the latest science of the twentysomething years with the behind-closed-doors stories from twentysomethings, themselves. The result is a provocative read that provides the tools necessary to make the most of your twenties, and shows us how work, relationships, personality, social networks, identity, and even the brain can

change more during this decade than at any other time in adulthood—if we use the time wisely. The Defining Decade is a smart, compassionate and constructive book about the years we cannot afford to miss.

Autobiography of a Yogi - Paramhansa Yogananda 2014-04-12

The characteristic features of Indian culture have long been a search for ultimate verities and the concomitant disciple-guru 1-2 relationship. My

own path led me to a Christlike sage whose beautiful life was chiseled for the ages. He was one of the great masters who are India's sole remaining wealth. Emerging in every generation, they have bulwarked their land against the fate of Babylon and Egypt. I find my earliest memories covering the anachronistic features of a previous incarnation. Clear recollections came to me of a distant life, a yogi 1-3 amidst the Himalayan snows. These glimpses of the past, by some dimensionless link, also afforded me a glimpse of the future. The helpless humiliations of infancy are not banished from my mind. I was resentfully conscious of not being able to walk or express myself freely. Prayerful surges arose within me as I realized my bodily impotence. My strong emotional life took silent form as words in many languages.

and How to think like a leader "Believe Big," says
Schwartz. "The size of your success is
determined by the size of your belief. Think little
goals and expect little achievements. Think big
goals and win big success. Remember this, too!
Big ideas and big plans are often easier --
certainly no more difficult - than small ideas and
small plans."

Out from the Heart - James Allen 2021-10-15

Out from the Heart James Allen - AS THE
HEART, SO IS THE LIFE. The within IS
ceaselessly becoming the without. Nothing
remains unrevealed. That which is hidden is but
for a time; it ripens and comes forth at last. Seed,
tree, blossom, and fruit are the fourfold order of
the universe. From the state of a mans heart
proceed the conditions of his life. His thoughts
blossom into deeds; and his deeds bear the
fruitage of character and destiny. Life is ever
unfolding from within, and revealing itself to the
light, and thoughts engendered in the heart at last
reveal themselves in words, actions, and things
accomplished. As the fountain from the hidden
spring, so flows forth a mans life from the secret
recesses of his heart. All that he is and does is
generated there. All that he will be and do will
take its rise there. Sorrow and happiness,
suffering and enjoyment, fear and hope, hatred
and love, ignorance and enlightenment, are

nowhere but in the heart. They are solely mental
conditions. Man is the keeper of his heart; the
watcher of his mind; the solitary guard of his
citadel of life. As such, he can be diligent or
negligent. He can keep his heart more and more
carefully. He can more strenuously watch and
purify his mind; and he can guard against the
thinking of unrighteous thoughts this is the way of
enlightenment and bliss. James Allen was born in
Leicester, Central England, November 28, 1864.
The family business failed within a few years, and
in 1879 his father left for America in an effort to
recoup his losses. The elder Allen had hoped to
settle in the United States, but was robbed and
murdered before he could send for his
family. James Allen is a literary mystery man. His
inspirational writings have influenced millions for
good. Yet today he remains almost unknown.....
None of his nineteen books give a clue to his life
other than to mention his place of residence -
Ilfracombe, England. His name cannot be found
in a major reference work. Not even the Library of
Congress or the British Museum has much to say
about him. Who was this man who believed in the
power of thought to bring fame, fortune and
happiness? Or did he, as Henry David Thoreau
says, hear a different drummer?..... James Allen
never gained fame or fortune. That much is true.
His was a quiet, unrewarded genius. He seldom
made enough money from his writings to cover
expenses.

The Quick and Easy Way to Effective Speaking -

Dale Carnegie 1977

One Night at the Call Center - Chetan Bhagat

2008-12-10

Press 1 for technical support. Press 2 for broken hearts. Press 3 if your life has totally crashed. . . .

Six friends work nights at a call center in India, providing technical support for a major U.S.

appliance corporation. Skilled in patience—and accent management—they help American

consumers keep their lives running. Yet behind the headsets, everybody's heart is on the line.

Shyam (Sam to his callers) has lost his self-confidence after being dumped by the girl who just so happens to be sitting next to him.

Priyanka's domineering mother has arranged for her daughter's upscale marriage to an Indian man

in Seattle. Esha longs to be a model but

discovers it's a horizontal romp to the runway.

Lost, dissatisfied Vroom has high ideals, but compromises them by talking on the phone to

idiots each night. Traditional Radhika has just

found out that her husband is sleeping with his secretary. And Military Uncle (nobody knows his

real name) sits alone working the online chat.

They all try to make it through their shifts—and maintain their sanity—under the eagle eye of a

boss whose ego rivals his incompetence. But

tonight is no ordinary night. Tonight is

Thanksgiving in America: Appliances are going haywire, and the phones are ringing off their

hooks. Then one call, from one very special

caller, changes everything. Chetan Bhagat's

delicious romantic comedy takes us inside the

world of the international call center, where

cultural cross-wires come together with perfect pathos, hilarity, and spice.
