Written by USA Today

Bestselling Author K.L.

Middleton Adam Knight wasn't

just my first kiss. He was the

cruel, heartless jerk who lived to

torment me after I bruised his

ego in front of his friends. He

hated me for it and made my

high school years intolerable. But... I survived and we eventually went our separate ways. Until I bought a stupid raffle ticket. I'm not going to lie – I was a dick to Chloe Maverick and she has every right not to forgive me. But I'm no longer the immature prick I used to be. I'm a man now and she's... she's all woman. She might not be able to let the past go But... I refuse to let that stop us from having a future. When Chloe Maverick transfers to Diamond Lake University, she is talked into attending a fundraiser and finds herself winning the main raffle. The prize? An all inclusive weekend vacation with a local web

celebrity - an arrogant, bullheaded jerk she knew in high school. Unfortunately, she can't get out of the date and Adam hasn't changed much, except for maybe getting irritatingly more handsome. After getting injured in the Daytona 500, Adam Knight thought he'd never experience the kind of rush he'd lived for on the track. That is until he started chasing after ghosts. Now he finds himself face-to-face with the girl who shamed him in high school. She's still as feisty, untouchable, and beautiful as ever. She's also his date for an entire weekend at the resort of his choice - a luxurious hotel in California...

that's said to be haunted. Unfortunately, Chloe can't seem to let go of the past, but Adam is determined to win her over, catch himself a ghost, and lay their demons to rest. **The Supernatural Index** -

Michael Ashley 1995

The Supernatural Index is the first index to all known anthologies of supernatural, fantasy, and weird fiction. It covers over 2,100 such books, indexing each volume by contents, author, and title.

Books range from 1813 to date and therefore provide a complete history of the horror fiction field. Birth and death dates, along with pseudonyms, are provided for more than 7,700 authors; and for all the roughly 21,300 stories, every attempt has been made to provide original publication details. Supernatural fiction continues to be of interest to modern readers, though many of the most frequently

anthologized ghost stories were written during the Victorian era. Because so much supernatural fiction has been published as short stories, anthologies have long been a useful means of bringing supernatural literature to the readers. This reference is the first index to all known anthologies of supernatural, fantasy, and weird fiction. Included are entries for more than 2,100 anthologies from 1813 to the present. Many of these anthologies have never been listed previously in bibliographies, and the volume even includes citations for rare Victorian works. Entries provide original publication sources for reprinted stories, including

many from obscure magazines not previously indexed. The book also provides birth and death dates and pseudonyms for more than 7,700 authors of supernatural fiction. Citations may be accessed by editor, author, book title, or story title. Also included is a listing of the contents of each anthology.

*Besieged* - Kevin Hearne

2017-07-11

In the ninth installment in Kevin Hearne's New York Times bestselling Iron Druid Chronicles, the ancient gods are still wreaking havoc today in this hilarious, action-packed collection of original short stories featuring Atticus O'Sullivan. In ancient Egypt,

Atticus agrees to raid a secret chamber underneath the library of Alexandria, dodging deadly traps, only to learn that on-site security includes two members of the Egyptian pantheon. At a Kansas carnival, fun and games turn to murder and mayhem, thanks to soul-snatching demons and flesh-craving ghouls luring visitors into an all-too-real house of horrors. In olde England, striking up a friendship with William Shakespeare lands both Atticus and the Bard in boiling hot water with a trio of infamous witches. During the Gold Rush, the avatar of greed himself turns the streets of San Francisco red with blood and

upsets the elemental Sequoia. Atticus may have to fight fire with fire if he's going to restore balance. More, you say? Indeed there is—including bogeymen, vampire hordes, wrathful wraiths, and even a journey to the realm of the dead. Prepare to be besieged with ten tantalizing tales—not to be missed, never to be forgotten. Don't miss any of The Iron Druid Chronicles: HOUNDED | HEXED | HAMMERED | TRICKED | TRAPPED | HUNTED | SHATTERED | STAKED | SCOURGED | BESIEGED

### **The Last Nomad - Shugri Said**

Salh 2021-08-03

A remarkable and inspiring true story that "stuns with raw beauty" about one woman's resilience, her courageous journey to America, and her family's lost way of life. Winner of the 2022 Gold Nautilus Award, Multicultural & Indigenous Category Born in

Somalia, a spare daughter in a large family, Shugri Said Salh was sent at age six to live with her nomadic grandmother in the desert. The last of her family to learn this once-common way of life, Salh found herself chasing warthogs, climbing termite hills, herding goats, and moving constantly in search of water and grazing lands with her nomadic family. For Salh, though the desert was a harsh place threatened by drought, predators, and enemy clans, it also held beauty, innovation, centuries of tradition, and a way for a young Sufi girl to learn courage and independence from a fearless group of relatives. Salh grew to love the

freedom of roaming with her animals and the powerful feeling of community found in nomadic rituals and the oral storytelling of her ancestors. As she came of age, though, both she and her beloved Somalia were forced to confront change, violence, and instability. Salh writes with engaging frankness and a fierce feminism of trying to break free of the patriarchal beliefs of her culture, of her forced female genital mutilation, of the loss of her mother, and of her growing need for independence. Taken from the desert by her strict father and then displaced along with millions of others by the Somali Civil War, Salh fled first to a

refugee camp on the Kenyan border and ultimately to North America to learn yet another way of life. Readers will fall in love with Salh on the page as she tells her inspiring story about leaving Africa, learning English, finding love, and embracing a new horizon for herself and her family. Honest and tender, *The Last Nomad* is a riveting coming-of-age story of resilience, survival, and the shifting definitions of home.

I never thought I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, he's mistaken me for my succubus

doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem--he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. "I flew through this book... Hot demon lord-check. Action-

check. Romance-check. And there's spice! If you love my books, you definitely want to read this one." -Laura Thalassa
