**Broken Circle** - Theodore Fontaine 2010

Theodore Fontaine lost his family and freedom before his seventh birthday, when his parents were forced to leave him at an Indian residential school. Twelve years later, he left school frozen at the emotional age of seven. He was confused, angry and conflicted, on a path of self-destruction. At age 29, he emerged from this blackness and began a journey of self-exploration and healing. In this powerful and poignant memoir, Theodore examines the impact of the loss of his language and culture and, most important, the loss of his family and community. He goes beyond details of the abuse of Indian children to provide readers with an understanding of why most residential-school survivors have stress disorders and why succeeding generations of First Nations children suffer from this chapter in history. Told as remembrances described with insights that have evolved in his healing, his story resonates with his resolve to help himself and other survivors and to share his enduring belief that one can pick up the shattered pieces and use them for good.

I'm a lethal demon-slayer. He's not only the essence of temptation, he's the enemy. Our attraction could prove deadly. I'm a weapon trained by a dangerous society to slay demons, but all I want is a clean exit and a normal life... except leaving is a sin punishable by death. After I fail to eliminate a target and share a night of passion with a dangerously hot incubus, there's no going back. Dex Grigori, the very incubus that set my world on fire burns for vengeance. Still scarred from his parents' murder by the same kind of demon hunter as me, leaves me hiding my true nature. With an assassin hunting me down and nobody left to help, I bare my heart to show I'm not Dex's adversary. Only his rage at my betrayal has him questioning whether he should kill me or hate-f\*ck me. With being each other's best ally, and our bodies begging to be intertwined, we either learn to trust each other or allow The Society the chance to destroy both our worlds. Dark Legacy is an action-packed, paranormal, urban fantasy that features a fierce heroine, a dangerous hero, and a steamy, enemies-to-lovers romance.

The quest for the long-lost Elfstones has drawn the leader of the Druid order and her followers into the hellish dimension known as the Forbidding, where the most dangerous creatures banished from the Four Lands are imprisoned. Now the hunt for the powerful talismans that can save their world has become a series of great challenges: a desperate search for kidnapped comrades, a relentless battle against unspeakable predators, and a grim race to escape the Forbidding alive. But though freedom is closer than they know, it may come at a terrifying price. Back in the village of Arborlon, the mystical, sentient tree that maintains the barrier between the Four Lands and the Forbidding is dying. And with each passing day, as the breach between the two worlds grows larger, the threat of the evil eager to spill forth and wreak havoc grows more dire. The only hope lies with a young Druid, faced with a staggering choice: cling to the life she cherishes or combat an army of darkness by making the ultimate sacrifice. A rare book. An ancient code. A new trilogy that "starts off with promise" (Pittsburgh Post-Gazette) from the New York Times bestselling master of passion and the paranormal. Within the pages of very rare books some centuries old lie the secrets of the paranormal. Abby Radwell's unusual psychic talent has made her an expert in such volumes—and has sometimes taken her into dangerous territory. After a deadly incident in the private library of an obsessive collector, Abby receives a blackmail threat, and rumors swirl that an old alchemical text known as The Key has reappeared on the black market. Convinced that she needs an investigator who can also play bodyguard, she hires Sam Coppersmith, a specialist in paranormal crystals and amber—"hot rocks." Passion flares immediately between them, but neither entirely trusts the other. When it comes to dealing with a killer who has paranormal abilities, and a blackmailer who will stop at nothing to obtain an ancient alchemical code, no one is safe.
