Next Course, Please! - Joanne Carroll 2010-02

Even the best laid plans don't go according to schedule, and in Joanne Carroll's case, it was her marriage. In Next Course, Please!, Carroll shares the inspirational story of how to find love after divorce while providing a humorous comparison of the men highlighted in her anecdotes to burned French Toast, Irish Stew, Crème Brûlée and Jell-O just to name a few. With self-deprecating wit, Next Course, Please! illustrates scrumptious stories that will help others come to terms with a failed relationship, find the hope and determination to overcome life's obstacles, and discover true happiness.
