BMW 5 Series (E39) Service Manual 1997-2002, Volume 2: 525i, 528i, 530i, 540i, Sedan, Sport Wagon - Robert Bentley Publishers 2003-10-01

The ultimate service manuals! Bentley manuals are the only comprehensive, single source of service information and specifications available for BMW cars. These manuals provide the highest level of clarity and completeness for all service and repair procedures. Enthusiasts, do-it-yourselfers, and professional technicians will appreciate the quality of photographs and illustrations, theory of operation, and accurate step-by-step instructions. If you are looking for better understanding of your BMW, look no further than Bentley. Even if you do not repair your own vehicle, knowledge of its internal workings will help you when discussing repairs and maintenance with your professional automotive technician. This Bentley Manual is the only comprehensive, single source of service information and specifications available specifically for BMW 5 Series from 1997 to 2002. The aim throughout this manual has been simplicity, clarity and completeness, with practical explanations, step-by-step procedures and accurate specifications. Whether you are a professional or a do-it-yourself BMW owner, this manual will help you understand, care for and repair your E39 5 Series. Though the do-it-yourself BMW owner will find this manual indispensable as a source of detailed maintenance and repair information, the BMW owner who has no intention of working on his or her car will find that reading and owning this manual will make it possible to discuss repairs more intelligently with a professional technician.

You & Your Range Rover - Dave Pollard 2004

From up-market Land Rover to art exhibit in the Louvre, from storming off-roader to luxury executive transport, the Range Rover has done it all. The Range Rover inspired a new breed of "leisure" vehicles, seeking to emulate its mix of on-road comfort and off-road prowess. The original Series 1 Range Rover remained in production for 26 years, until it was replaced by the up-market Series 2. The Series 3, launched in 2002, moves the Range Rover emphatically into the luxury car market. This all color book - part of the "You & Your" series - should fascinate all Range Rover owners and enthusiasts. This book covers how the Range Rover came about, the development story, evolution and model changes; how Land Rover made the Range Rover a true marketing success; the story behind the Series 2 Range Rover and the move up-market; the development of the Series 3, taking the Range Rover firmly into the luxury car market; how to go off-roading safely, and where to do it legally; buying a Range Rover, inspection advice, ownership, maintenance and modifications; specifications for all models, production figures, specialists and clubs.
