Nothing Left to Steal - Mzilikazi wa Afrika 2014-08-20

This tell-all memoir reveals the details behind Sunday Times journalist Mzilikazi wa Afrika's exposure of the R1.7 billion lease scandal between police commissioner Bheki Cele and property tycoon Roux Shabangu, for which he was infamously arrested in 2010. It is also the riveting account of how a neglected boy in an unknown village became one of South Africa's most awarded investigative reporters and found himself at the receiving end of the corruption that had defeated those he helped put in power. Fearless in the face of corrupt authorities with sinister political motives, and fervent about justice, Wa Afrika's life was characterised by resistance to oppression and inequality from an early age. Destined to defend and uphold the principles of democracy, his story is the inspiring tale of an ordinary man, armed with a pen, who challenged the proverbial giant.

Twelve Years a Slave - Solomon Northup 2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

100 Days of Sunlight - Abbie Emmons 2019-08-07

When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole

world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. *100 Days of Sunlight* is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

Are you relaxed? Very good... Now, close your eyes and listen carefully... John Ryan is so tired of disappointing himself. He's 35-years-old, already on his second wife, with a joyless job and a teenage stepdaughter who seems determined to make his life a living hell. And then the package arrives. It's something John purchased weeks ago: a series of self-hypnosis recordings marketed to improve self-confidence and "transform you into the man you deserve to be..." But when John's recordings start awakening strange abilities -- the power to command total obedience from the women of the house, for starters -- and the man's relationships spiral out of control, he must find courage and confidence he didn't know he possessed to handle abilities he was never taught to utilize. Are these new gifts the solution to all his problems? Or is John in way over his head?This is a high-oxytocin story about adults and their relationships. It is about self-improvement, a man who transforms his life, and the rewards that come when you develop into the most powerful version of yourself. Some of those rewards are money, status, and sex, and John gets a lot of sex. Not everyone will be able to handle it. You have been warned... But, if you're still reading, then at least download the free sample and see if it's hot. ;)

The Nunnery Tales - Anonymous 2019-06-08

A young man dresses up as a woman and enters a convent in this classic, sexy, and funny novel about some very sinful and naughty nuns. Before internet porn, before porn videos, before porn movies, people lusting for raunchy, X-rated entertainment read pornographic books and magazines. Victorian and Edwardian England had its own adult entertainment industry - countless erotic novels were put out by shady publishers, some books were printed by the authors themselves, and most of the writers were anonymous. Many of these 19th century books are surprisingly kinky, and some of them may be quite offensive to modern day readers - in more ways than one. First published in 1866, "The Nunnery Tales" is one of the very first nunsploration novels. Its anonymous author is unknown, but this may be a translation of a novel first published in French.

Pursuit for Revenge - Just Plain Bob 2014-10-17

That I want to spend some time with you, but I don't want it to be an exclusive thing. We both need to see other people Robert is happily married to Rebecca for eleven years - he considers it the best years of his life and he's pretty convinced that the marriage is rock solid. But

something's telling him something's not right. He accidentally overhears disturbing remarks from his colleagues at work involving Rebecca. Add to that, Rebecca's responses to him when he asks about her card nights are darkly suspicious. A phone call to one of Rebecca's friends and card night buddy reveals that his wife has been lying all along for three months. Robert embarks on a plan to confirm his suspicions and what he sees one night while spying at his house just bares it all. Now, it's time to get even - not only with Rebecca but also with his degenerate colleagues. What you're about to find out next are beautifully crafted pieces of pure revenge... SAMPLE 1: I sat there watching and five minutes later Charlie pulled up and got out of his car with a woman who wasn't his wife. Next came Mel and his lovely wife Judy followed by another two couples I didn't recognize. The next arrival was the one I hoped I wouldn't see. Phil pulled up, parked and went into the house. Two more couples showed up and they appeared to be the last. By the time the last couples had shown, it was starting to get dark out. I waited another thirty minutes and then I got out of the rental and approached the house. I hoped that there weren't any nosey neighbors looking out their windows as I made my way around the house that everyone had entered. I finally found a window where the blinds had a gap in them and I peeked in and saw a sight I had never seen before. It was a full-blown orgy. SAMPLE 2: My eighteenth birthday was on the twenty-ninth of October and my parents surprised me by giving me a car for a birthday present. That freed me up to date more often and having a car made me a little more appealing to some of the girls and I started getting more dates. It wasn't until my fourth date with Pauline French that life got interesting. The first two were nothing out of the ordinary. I did get kissed goodnight and on the third we made out hot and heavy and I was definitely hoping for more. The fourth we went to the Burger Barn for burgers and fries and then went and played miniature golf. We had just finished the last hole and I asked Pauline what she would like to do next. She looked me right in the eye and asked: "Do you eat pussy, Rob?"

Just by leaving her servant behind while visiting an injured parishioner, twenty three year old Eleanor Carstaires, is stunned by the events her rebellious disobedience sets in motion. When she is knocked to the ground by a running figure, she is fortunately rescued by a local business owner. After she arrives home a package of jewellery is found in her bag that wasn't there when she left home. This is the start of a train of events she could never have imagined. The proceeds of a highway robbery, the diamond and sapphire set, rumoured to carry a curse issued more than a hundred years before, are the property of Lord Jasper and Lady Hawkinsdale a well-known society couple. Their eldest son Reuben, twenty nine, calls at the vicarage in answer to a request from Eleanor's father, Sir Humphrey Carstaires, who had recognised the jewels on sight. The meeting between Eleanor and Reuben sparks instant attraction in both, but is dismissed by Eleanor as an inconvenience, something she doesn't need with her heavy involvement with her father's parishioners and her desire to educate the children of their poorer villagers. Family, London society and the villains she ran up against, ensure that the inconvenience to her daily life will not go away any time soon. But can she avoid the inconvenience of frequent meetings with Mr Reuben Hawkinsdale and the attraction he holds for her?

The Romance of Lust: A Classic Victorian Erotic Novel - Anonymous 2020-09-28

Confessions - Selena Kitt 2011-12-05

Every erotica writer will some day face the question, "Did that really happen?" The thought that there might be a glimmer of truth behind the fiction seems more titillating in erotica than any other genre. The truth is, most mystery writers have never experienced anything like a real murder, but almost all erotica writers have presumably had sex, and have certainly been shaped by early experiences. In light of that, what is contained here is a series of short scenes titled "Confessions"-because that's just what they are, a few of the true stories that shaped my own sexual being. Are they all completely factual? I don't know if a fiction writer ever writes anything that is ever completely fact. Even when we're journaling, we're not journalists, after all. Nor are we poets. Fiction writers tell stories, we elaborate, we give the truth "scope." So while I will say that most, if not all, of these stories did, indeed, happen, in some sense of the word-I have certainly, as most writers do, taken liberties, and changed names to protect the innocent. Or not so innocent. But these are my confessions, told in the same, secret whisper I might tell them to you if we were alone, sharing the heat of memory in the dark.-----

Warnings: This title contains graphic language and sex.-----It was the first time I'd ever had a cock in my mouth. I'd had plenty of them in my hand or rubbing up against me in the dark. But I'd never been brave enough and the boys I'd been with had never been bold enough, and so I'd never actually tasted the thick length of a cock before. Until that night. This man--let's call him David--parked the car down the block, like we'd been doing. We proceeded to kiss and touch and do all those things we'd been doing for the past few weeks. I had his cock in my hand, stroking it fast and hard, making him moan as he shoved my skirt up and pulled my panties aside. I'd learned quickly to wear skirts instead of jeans, giving his probing fingers easy access to my aching pussy. He almost inevitably made me come within a few minutes, shuddering against him, squeezing his dick in my hand until pre-cum leaked from the tip. That night, he didn't stop after that first one. He grabbed me, my hair in his hand, pulling my head back so he could kiss me--hard--his tongue probing deep into my mouth. His fingers kept pistoning in and out of my flesh, his thumb rubbing my throbbing little clit, and I twisted and arched against him, aching for that second come, working for it, rocking on his hand and begging, please, please, please. That's when he lowered my mouth slowly to his lap. I remember understanding what he wanted, but being afraid. Afraid I'd do it wrong, or not know how. It really didn't matter, though. He was good at guiding me, sliding my mouth down onto his cock. I remember gagging a little, feeling him back off, catching my breath. So this is how it was done. Up and down with my mouth, the same motion I'd been making with my hand. It was sloppy and uncontrolled, but I don't think he cared. My ass was in the air, my panties pulled down around my knees, my skirt up, and if a passing car had gone by and looked in, they might have gotten quite a view. He distracted me with his hand, fingering me as I sucked him, my pussy already on fire from his earlier attention. It didn't take me long to catch back up and I ground my hips,

sometimes forgetting about the throbbing cock in my mouth altogether.

A Baumgartner Christmas The Baumgartners Plus One Babysitting the Baumgartners A Baumgartner Reunion Meet the Baumgartners Baumgartner Generations: Henry Letters to the Baumgartners-----EXCERPT: "Would it be wrong to tell you how much I want to kiss you?" His eyes were silver in the moonlight, his

breath full of sake. "No," I whispered, putting my arms around his neck. "It would be really wrong not to do it, though." "You think?" His lips met mine before I could think of a response, before I could think at all. He tasted like sake, too, but so did I. I wasn't sure it was the sake, though, that was sending the fire flowing through my veins as we kissed. I slipped a hand through his hair, all those dark curls, as his mouth slanted across mine and our tongues began to explore. I forgot where we were, I forgot everything but the feel of his body against mine, my breasts pressed against his chest as he pulled me in closer. "Janie, I want you," he whispered, kissing my neck, enveloping me in his arms. I could feel that—his cock hard through his trousers, pressed against my belly. "Would it be wrong to take you home with me tonight?" I shivered as he lavished kisses over my neck and shoulders, his breath hot, coming almost as fast as mine. I wanted to answer him, to tell him yes, but I was too afraid. What would happen then, I wondered? What would it be like, waking up with Josh but having to face Catherine in the morning? How was this going to work? "Josh," I murmured as his hands moved down my back, cupping my ass, squeezing gently as his tongue made little circles over my collarbone. God, if he kept that up, I was going to be inviting him back to my place, and I didn't even want to think about the consequences of that, what Ronnie and TJ would say. "You feel so good," he groaned, and before I knew it, we were kissing on a park bench, Josh pulling me into his lap. My dress was too tight to allow me to straddle him properly, so he pushed it up and grabbed my hips, crushing the red silk of my panties directly against the heat of his erection. I could feel it through his trousers, riding up and down as we rocked together. "Oh god," I moaned softly when he broke off to stroke my breasts through my dress, kissing the swell of my cleavage. I could see the hunger in his eyes when he looked up at me in the glow of a street light. "Please, Josh..." He slipped a hand behind my neck, pulling my mouth down to his, kissing me breathless. When I slid my hand between us to feel the length of his cock through the thin material, he groaned...

Summer with Dad - Timothy Martin 2011-09-01

When two city boys join their rugged, outdoorsy father on a wilderness backpacking trip, misery and boredom are bound to come humping along behind. Rick Bates is something of a masochist. Born in other times he might have led Kamikaze attacks or fought beside Custer. When it comes to adventure, Rick's motto is "Everything to Excess, Moderation is for Monks." Tom Bates has spent the past several summers with his father. His younger brother, Chris is coming along for the first time. Chris is not your ordinary kid. He wears a black leather jacket, ripped jeans and an orange, bicycle-spoke Mohawk. He has an attitude to match his looks. The boys fly north on a twin-engine prop plane, piloted by Valerie Carter. Joining Valerie is her attractive daughter, Vicki, who makes the otherwise unpleasant journey slightly more tolerable. Upon their arrival, Rick informs the boys that they will hike into a local wilderness area. Rick, a dyed-in-the-wool environmentalist, tells his sons there will be no campfires and no tents allowed. And that's not the worst of it. Chris and Tom will be forced to eat freeze-dried food, use stones for toilet paper, and weather a rainstorm that would make a frog cry uncle. It's not long before they're nostalgic for city traffic, crowds, and the smell of exhaust fumes.

The Sybian Club - Selena Kitt 2008-11

Tasha convinces her husband, Max, to buy her a Sybian, but he only agrees if she can come up with a business plan to pay for it. Determined to keep her promise, she creates The Sybian Club and begins bringing women to the basement room set up just for her new toy. It becomes so popular, she has to enlist the help of new friend, Ashley, to keep up with the demand, and the women enjoy an exciting ride as the business thrives. But Tasha has developed feelings for Ashley, and doesn't know how to tell her husband that she wants to add more to their sex life than just a new toy...-----Warnings: This title contains erotic situations, a menage a trois (MFF threesome), lesbian and anal sex and a "marital aid" that will put vibrators to shame!-----EXCERPT: "Our bodies are like fine tuned machines," Tasha said, picking up a remote and sitting next to her guest. "We need all sorts of revving up and tinkering with to get to our destination, you know what I mean?" Kim cleared her throat and couldn't help but smile. "Yeah, sure." "And it isn't always easy to be interested, when you're already tired, and you've spent all day picking up after the kids and cooking dinner..." Tasha went on, and Kim stared at her, nodding encouragement. "It isn't easy, especially when... well, you know most guys... I mean, some of them... the numbers on the clock don't even change by the time they're done, right?" Kim let out a sigh of relief. She knew Nicki must have told this woman everything. "I just need time, you know? Like... some build up..." Tasha nodded sympathetically. "Or... you need a ride on the Sybian." She started the video, and Kim sat, transfixed. They had tried all sorts of things, including watching porn together, to get her interested in sex again, and this was rather tame in comparison. But there was something about it... the look of sheer ecstasy on the woman's face! It made her feel weak and a little dizzy just watching. "Does it feel as good as it looks?" Kim asked, feeling a tingle between her legs. Tasha smiled. "Better. Ready to try it?" Kim was already toeing off her shoes and pulling her sweats and panties down over her hips, unmindful of stretch marks or her cesarean scar. Tasha didn't even

raise an eyebrow when she stripped off her hoodie, too, unhooking her bra and letting her breasts, full and slightly pendulous from still nursing her six month old, swing free. She climbed up onto the machine completely nude, except for a pair of purple socks. "Can I have that one?" Kim asked, pointing to the life-like penis. Her eyes were bright, and whatever nervousness she'd been experiencing had been replaced by anticipation. Tasha fitted the insert onto the machine and squirted a little clear lubricant down the shaft. "These are the controls, like you saw in the video. This one is vibration, this one is rotation." Kim looked down at the box in her hand, suddenly doubtful that it could do any more than the hundred other sex toys they had tried over the years. Still, the look on the woman's face in the video kept coming back to her. What the hell? It's worth a shot. She positioned herself over the plastic cock, using the black box in front of the Sybian to steady herself as she slid down onto the slick length of it. "Once you get the hang of the controls, I can go, if you want me to," Tasha said. Kim flicked the switch marked "vibration," smiling at the sensation between her thighs. "Mmm... nice." Tasha sat down in the chair, smiling. "The good thing about the Sybian is that you don't really even need a lot of foreplay... it takes you right there."
