Changing Places - David Lodge 2012-02-29
When Philip Swallow and Professor Morris Zapp participate in their universities' Anglo-American exchange scheme, the Fates play a hand, and

each academic finds himself enmeshed in the life of his counterpart on the opposite side of the Atlantic. Nobody is immune to the exchange: students, colleagues, even wives are swapped as

events spiral out of control. And soon both sundrenched Euphoric State university and rain-kissed university of Rummidge are a hotbed of intrigue, lawlessness and broken vows...

The Picturegoers - David Lodge 2016-02-25

The Palladium, Brickley, is the haunting setting for this novel. Here is a seedy Saturday night venue which attracts people searching for something new in their lives. Mark, Clare and Father Kipling are just three of the characters featured.

Author, Author - David Lodge 2012-02-29

In David Lodge's last novel, *Thinks...* the novelist Henry James was invisibly present in quotation and allusion. In *Author, Author* he is centre stage, sometimes literally. The story begins in December 1915, with the dying author surrounded by his relatives and servants, most of whom have private anxieties of their own, then loops back to the 1880s, to chart the course of Henry's 'middle years', focusing particularly on his friendship with the genial Punch artist

and illustrator, George Du Maurier, and his intimate but chaste relationship with the American writer Constance Fenimore Woolson. By the end of the decade Henry is seriously worried by the failure of his books to 'sell', and decides to try and achieve fame and fortune as a playwright, at the same time that George Du Maurier, whose sight is failing, diversifies into writing novels. The consequences, for both men, are surprising, ironic, comic and tragic by turns, reaching a climax in the years 1894-5. As Du Maurier's *Trilby*, to the bewilderment of its author himself, becomes the bestseller of the century, Henry anxiously awaits the first night of his make-or-break play, *Guy Domville* ...

Thronged with vividly drawn characters, some of them with famous names, others recovered from obscurity, *Author, Author* presents a fascinating panorama of literary and theatrical life in late Victorian England, which in many ways foreshadowed today's cultural mix of art, commerce and publicity. But it is essentially a

novel about authorship - about the obsessions, hopes, dreams, triumphs and disappointments, of those who live by the pen - with, at its centre, an exquisite characterisation of one writer, rendered with remarkable empathy.

One Fat Englishman - Kingsley Amis

2013-09-17

The hero of *One Fat Englishman*, a literary publisher and lapsed Catholic escaped from the pages of Graham Greene to the campus of Budweiser College in provincial Pennsylvania, is philandering, drunken, bigoted, and very very fat, not to mention in a state of continuous spluttering rage against everything, not least his own overgrown self. In America, Roger Micheldene must deal with not so obliging suburban housewives, aspiring Jewish novelists who as good as clean his clock, stray deer, bad cigars, children who beat him at Scrabble ("It was no wonder that people were horrible when they started life as children"), and America itself, while making ever-more desperate and

humiliating overtures to Helen, a Scandinavian ice queen. If only Roger would dare to show some real feeling of his own. This comic masterpiece—about the 1950s crashing drunkenly into the consumerist 1960s and a final scion of a disintegrating Old World empire encountering its upstart New World offspring—is one of Kingsley Amis's greatest and most caustic performances.

The Campus Trilogy - David Lodge 2011-10-04

"A trio of dazzling novels in a comic mode that the author has now made completely his own...a cause for celebration." -The New York Times Book Review David Lodge's three delightfully sophisticated campus novels, now gathered together in one volume, expose the world of academia at its best-and its worst. In *Changing Places*, we meet Philip Swallow, British lecturer in English at the University of Rummidge, and the flamboyant American Morris Zapp of Euphoric State University, who participate in a professorial exchange program at the close of

the tumultuous sixties. Ten years later in *Small World*, older but not noticeably wiser, they are let loose on the international conference circuit along with a memorable and somewhat oversexed cast of dozens. And in *Nice Work*, the leftist feminist Dr. Robyn Penrose at Rummidge University is assigned to shadow the director of a local engineering firm, sparking a collision of ideologies and lifestyles that seems unlikely to foster anything other than mutual antipathy.

Textuality as Striptease - Bárbara Arizti 2002

The book analyses how David Lodge's *Changing Places* and *Small World* relate to the sphere of the intimate in the decades in which they were written, published and read. The analysis of the novels is preceded by an approach to Lodge's work and a theoretical section which looks at the concept of intimacy, the evolution of intimate practices in the sixties, seventies and eighties and the connections between intimacy and literary genre. This leads on to a study of *Changing*

Places and *Small World* in their intimate contexts and an exploration of their links with the genres of comedy and romance. The author uncovers significant ideological differences between the two novels, which have often been lumped together by the critics.

Until, that is, he stumbles on something he had given up hope of finding: the astonishing possibility of love.

Elements of the Holy Grail Quest in David Lodge's "Small World" - Doreen Bärwolf

2010-09-09

Seminar paper from the year 2008 in the subject English - Literature, Works, grade: 2,7, <http://www.uni-jena.de/>

(Anglistisch/Amerikanistisches Institut), course: Hauptseminar: King Arthur, language: English, abstract: David Lodge was born 1935 in South London as the child of a Jewish father and a Catholic mother. He was raised in the middle class and went to Catholic schools. With the age of 22 he became postgraduate student for English literature at the University college of London. In 1960 he became a lecturer at the Birmingham University and published his first novel *The Picturegoers*. Being a lecturer he discovered the field of literary criticism and wrote his first critical book *Language of Fiction*. After touring the USA and studying at the Brown University and at Berkeley he was so inspired by travelling and the academic world that he wrote *Changing Places*. This academic novel about travelling teachers of literature was the first

part of a trilogy together with *Small World* and *Nice Work*. All three of them were pioneering for modern fiction of the 20th century. For *Changing Places* David Lodge won the Hawthornden Prize and the Yorkshire Post Fiction Prize. *Small World*, as well as *Nice Work*, were shortlisted for the Booker Prize and *Nice Work* was Sunday Express Book of the year and actually adapted for Television. All three of them showed the academic world in a new light. After World War II more people from middle class went to Universities and the competition between the Universities as well as the scholars became harder. Travelling around the world from conference to conference was on the day's schedule of every scholar. David Lodge used this milieu and mixed it with humour and sarcasm and so innovated fiction writing of today. This paper is about David Lodge's *Small World* and its linking to the King Arthur myth especially to the knight Perceval and the Holy Grail. The connection between the novel and the legend

results from David Lodge's knowledge of both, the academic world and the medieval literature. He mixed them so to create a modern version of Perceval's quest for the Holy Grail.

The Seventh Function of Language - Laurent Binet 2017-08-01

From the prizewinning author of *HHhH*, "the most insolent novel of the year" (*L'Express*) Paris, 1980. The literary critic Roland Barthes dies—struck by a laundry van—after lunch with the presidential candidate François Mitterrand. The world of letters mourns a tragic accident. But what if it wasn't an accident at all? What if Barthes was . . . murdered? In *The Seventh Function of Language*, Laurent Binet spins a madcap secret history of the French intelligentsia, starring such luminaries as Jacques Derrida, Umberto Eco, Gilles Deleuze, Michel Foucault, Judith Butler, and Julia Kristeva—as well as the hapless police detective Jacques Bayard, whose new case will plunge him into the depths of literary theory (starting with

the French version of Roland Barthes for Dummies). Soon Bayard finds himself in search of a lost manuscript by the linguist Roman Jakobson on the mysterious "seventh function of language." A brilliantly erudite comedy that recalls Flaubert's *Parrot* and *The Name of the Rose*—with more than a dash of *The Da Vinci Code*—*The Seventh Function of Language* takes us from the cafés of Saint-Germain to the corridors of Cornell University, and into the duels and orgies of the Logos Club, a secret philosophical society that dates to the Roman Empire. Binet has written both a send-up and a wildly exuberant celebration of the French intellectual tradition.

Therapy - David Lodge 2012-02-29

A successful sitcom writer with plenty of money, a stable marriage, a platonic mistress and a flash

car, Laurence 'Tubby' Passmore has more reason than most to be happy. Yet neither physiotherapy nor aromatherapy, cognitive-behaviour therapy or acupuncture can cure his puzzling knee pain or his equally inexplicable mid-life angst. As Tubby's life fragments under the weight of his self-obsession, he embarks - via Kierkegaard, strange beds from Rummidge to Tenerife to Beverly Hills, a fit of literary integrity and memories of his 1950s South London boyhood - on a picaresque quest for his lost contentment.

A Tale of Two Demon Slayers - Angie Fox
2013-01-15

Last month, I was a single preschool teacher whose greatest thrill consisted of color-coding my lesson plans. That was before I learned I was a slayer. Now, it's up to me to face curse-hurling imps, vengeful demons, and any other supernatural uglies that crop up. And to top it off, a hunk of a shape-shifting griffin has invited me to Greece to meet his family. But it's not all

sun, sand, and ouzo. Someone has created a dark-magic version of me with my powers and my knowledge—and it wants to kill me and everyone I know. Of course, this evil twin doesn't have Grandma's gang of biker witches, a talking Jack Russell terrier, or an eccentric necromancer on its side. In the ultimate showdown for survival, may the best demon slayer win.

Roger's Version - John Updike 2012-03-13

As Roger Lambert tells it, he, a middle-aged professor of divinity, is buttonholed in his office by Dale Kohler, an earnest young computer scientist who believes that quantifiable evidence of God's existence is irresistibly accumulating. The theological-scientific debate that ensues, and the wicked strategies that Roger employs to disembarass Dale of his faith, form the substance of this novel—these and the current of erotic attraction that pulls Esther, Roger's much younger wife, away from him and into Dale's bed. The novel, a majestic allegory of faith and

reason, ends also as a black comedy of revenge, for this is Roger's version—Roger Chillingworth's side of the triangle described by Hawthorne's *Scarlet Letter*—made new for a disbelieving age.

The Slaves of Solitude - Patrick Hamilton 1999

Modern Criticism and Theory - Nigel Wood

2014-06-11

This third edition of *Modern Criticism and Theory* represents a major expansion on its previous incarnations with some twenty five new pieces or essays included. This expansion has two principal purposes. Firstly, in keeping with the collection's aim to reflect contemporary preoccupations, the reader has expanded forward to include such newly emergent considerations as ecocriticism and post-theory. Secondly, with the aim of presenting as broad an

account of modern theory as possible, the reader expands backwards to take in exemplary pieces by formative writers and thinkers of the late nineteenth and early twentieth centuries such as Marx, Freud and Virginia Woolf.. This radical expansion of content is prefaced by a wide-ranging introduction, which provides a rationale for the collection and demonstrates how connections can be made between competing theories and critical schools. The purpose of the collection remains that of introducing the reader to the guiding concepts of contemporary literary and cultural debate. It does so by presenting substantial extracts from seminal thinkers and surrounding them with the contextual materials necessary to a full understanding. Each selection has a headnote, which gives biographical details of the author and provides suggestions for further reading, and footnotes that help explain difficult references. The collection is ordered both historically and thematically and readers are

encouraged to draw for themselves connections between essays and theories. Modern Criticism and Theory has long been regarded as a necessary collection. Now revised for the twenty first century it goes further and provides students and the general reader with a wide-ranging survey of the complex landscape of modern theory and a critical assessment of the way we think - and live - in the world today.

Writing Game - David Lodge 2012-03-31

David Lodge's first full-length play examines that curious fixture in the writing game where the amateurs meet the professionals - on a course in creative writing. Maude, author of nine bestsellers, and Simon, with one sensational success to his name, are veterans of this particular course: Leo, a campus-based American novelist astounded by the dilettante approach of the English, is the odd man out. The idea is to put the students under pressure, but in the converted barn that houses the tutors, professional and sexual tensions, past slights

and current rivalries rapidly build to a fierce head of steam. Out of these pressures, David Lodge distils a sharply observed comedy of the problems and preoccupations of the writer as the professionals, striving to explain to enthusiastic beginners how to do it, are forced to confront an altogether trickier question: why on earth do they themselves write in the first place? Delicately probing, nimbly parodic, uncomfortably on target, Lodge's incisive study of writers at work and at odds will bring the pleasure of recognition to all readers of fiction - and to most of those in the game.

Souls and Bodies - David Lodge 1990

The ups, downs, and exploits of a group of British Catholics--for whom the sexual revolution came a little later than it did for everybody else... In this bracing satire, a group of university students make their way through the fifties and into the turbulent sixties and seventies. We first meet Dennis, Michael, Ruth, Polly, and the others at the altar rail of Our Lady

and St. Jude, but soon enough they get caught up in the alternately hilarious and poignant preoccupations of work, marriage, sex, and babies—not always in that order. A satirical comedy in the tradition of Evelyn Waugh, *Souls and Bodies* take an unblinking look at the sexual revolution and the contemporaneous upheavals in the Catholic Church. The result is as unsettlingly true as it is funny.

Foreign Affairs - Alison Lurie 2013-06-04

This Pulitzer Prize-winning novel follows two American academics in London—a young man and a middle-aged woman—as they each fall into unexpected romances. In her early fifties, Vinnie Miner is the sort of woman no one ever notices, despite her career as an Ivy League professor. She doubts she could get a man’s attention if she waved a brightly colored object in front of him. And though she loves her work, her specialty—children’s folk rhymes—earns little respect from her fellow scholars. Then, alone on a flight to London for a research trip, she sits

next to a man she would never have viewed as a potential romantic partner. In a Western-cut suit and a rawhide tie, he is a sanitary engineer from Tulsa, Oklahoma, on a group tour. He’s the very opposite of her type, but before Vinnie knows it, she’s spending more and more time with him. Also in London is Vinnie’s colleague, a young, handsome English professor whose marriage and self-esteem are both on the rocks. But Fred Turner is also about to find consolation—in the arms of the most beautiful actress in England. Stylish and highborn, she introduces Fred to a glamorous, yet eccentric, London scene that he never expected to encounter. The course of these two relationships makes up the story of *Foreign Affairs*—a finalist for the National Book Award and National Book Critics Circle Award as well as a Pulitzer Prize winner, and an entertaining, poignant tale from the author of *The War Between the Tates* and *The Last Resort*, “one of this country’s most able and witty novelists” (The New York Times). This ebook

features an illustrated biography of Alison Lurie including rare images from the author's personal collection.

The British Museum Is Falling Down - David

Lodge 2012-07-31

The British Museum is Falling Down is a brilliant comic satire of academia, religion and human entanglements. First published in 1965, it tells the story of hapless, scooter-riding young research student Adam Appleby, who is trying to write his thesis but is constantly distracted - not least by the fact that, as Catholics in the 1960s, he and his wife must rely on 'Vatican roulette' to avoid a fourth child.

[A Man of Parts](#) - David Lodge 2011-09-15

A riveting novel about the remarkable life—and many loves—of author H. G. Wells H. G. Wells, author of The Time Machine and War of the

Worlds, was one of the twentieth century's most prophetic and creative writers, a man who immersed himself in socialist politics and free love, whose meteoric rise to fame brought him into contact with the most important literary, intellectual, and political figures of his time, but who in later years felt increasingly ignored and disillusioned in his own utopian visions. Novelist and critic David Lodge has taken the compelling true story of Wells's life and transformed it into a witty and deeply moving narrative about a fascinating yet flawed man. Wells had sexual relations with innumerable women in his lifetime, but in 1944, as he finds himself dying, he returns to the memories of a select group of wives and mistresses, including the brilliant young student Amber Reeves and the gifted writer Rebecca West. As he reviews his professional, political, and romantic successes and failures, it is through his memories of these women that he comes to understand himself. Eloquent, sexy, and tender, the novel is an

artfully composed portrait of Wells's astonishing life, with vivid glimpses of its turbulent historical background, by one of England's most respected and popular writers.

How Far Can You Go? - David Lodge 1980

"Polly, Dennis, Angela, Adrian and the rest are bound to lose their spiritual innocence as well as their virginities on the journey between university in the 1950s and the marriages, families, careers and deaths that follow. On the one hand there's Sex and then the Pill, on the other there is the traditional Catholic Church. In this razor-sharp novel, David Lodge exposes the pressures that assailed Catholics everywhere within a more permissive society, and voices their eternal question: how far can you go?" -- Provided by publisher.

Carlson, a sophomore, feeds and maintains his only friend: a hog named Earl Butz. Wonderfully written and masterfully plotted, Moo gives us a wickedly funny slice of life.

Cardinal - Henry Morton Robinson 1979-01-03

Thinks... - David Lodge 2012-03-31

Ralph Messenger is a man who knows what he wants and generally gets it. Approaching his fiftieth birthday, he has good reason to feel pleased with himself. As Director of the prestigious Holt Belling Centre for Cognitive Science at the University of Gloucester he is much in demand as a pundit on developments in artificial intelligence and the study of human consciousness - 'the last frontier of scientific enquiry'. He enjoys an affluent life style subsidised by the wealth of his American wife, Carrie. Known to colleagues on the conference circuit as a womaniser and to Private Eye as a 'Media Dong', he has reached a tacit understanding with Carrie to refrain from

philandering in his own back yard. This resolution is already weakening when he meets and is attracted to Helen Reed, a distinguished novelist still grieving for the sudden death of her husband more than a year ago, who has rented out her London house and taken up a post as writer-in residence at Gloucester University, partly to try and get over her bereavement. Fascinated and challenged by a personality and a world-view radically at odds with her own, Helen is aroused by Ralph's bold advances, but resists on moral principle. The stand-off between them is shattered by a series of events and discoveries that dramatically confirm the truth of Ralph's dictum, 'We can never know for certain what another person is thinking.'

Small World - David Lodge 2012-02-29

Philip Swallow, Morris Zapp, Persse McGarrigle and the lovely Angelica are the jet-propelled academics who are on the move, in the air and on the make in David Lodge's satirical *Small*

World. It is a world of glamorous travel and high excitement, where stuffy lecture rooms are swapped for lush corners of the globe, and romance is in the air...

Deaf Sentence - David Lodge 2009-09-29

The subject of enthusiastic and widespread reviews, David Lodge's fourteenth work of fiction displays the humor and shrewd observations that have made him a much-loved icon. *Deaf Sentence* tells the story of Desmond Bates, a recently retired linguistics professor in his mid-sixties. Vexed by his encroaching deafness and at loose ends in his personal life, Desmond inadvertently gets involved with a seemingly personable young American female student who seeks his support in matters academic and not so academic, who finally threatens to destabilize his life completely with her unpredictable-and wayward-behavior. What emerges is a funny, moving account of one man's effort to come to terms with aging and mortality-a classic meditation on modern middle age that

fans of David Lodge will love.

Changing Places - David Lodge 1979-10-25

Euphoric State University with its whitestone, sun-drenched campus and England's damp red-brick University of Rummidge have an annual professorial exchange scheme, and as the first day of the last year of the tumultuous sixties dawns, Philip Swallow and Morris Zapp are the designated exchangees. They know they'll be swapping class rosters, but what they don't know is that in a wildly spiraling transatlantic involvement they'll soon be swapping students, colleagues, and even wives. *Changing Places* is a hilarious send-up of academic life, intellectual fashion, sex, and marriage by a writer Anthony Burgess has called "one of the best novelists of his generation."

Nice Work - David Lodge 1989

Vic and Robyn's meeting triggers a comic head-on collision of life-styles and ideologies, motives and methods, that forces each to make some discoveries about their worlds and themselves.

The Practice of Writing - David Lodge

2012-02-29

In this absorbing volume, David Lodge turns his incisive critical skills onto his own profession, salutes the great writers who have influenced his work, wonders about the motives of biographers, ponders the merits of creative writing courses, pulls the rug from under certain theoretical critics and throws open the curtains on his own workshop.

Lucky Jim - Kingsley Amis 2012-10-02

A hilarious satire about college life and high class manners, this is a classic of postwar English literature. Regarded by many as the finest, and funniest, comic novel of the twentieth century, *Lucky Jim* remains as trenchant, withering, and eloquently misanthropic as when it first scandalized readers in 1954. This is the story of Jim Dixon, a hapless lecturer in medieval history at a provincial university who knows better than most that "there was no end to the ways in which nice things are nicer than nasty

ones.” Amis’s scabrous debut leads the reader through a gallery of emphatically English bores, cranks, frauds, and neurotics, with each of whom Dixon must contend in one way or another in order to hold on to his cushy academic perch and win the girl of his fancy. More than just a merciless satire of cloistered college life and stuffy post-war manners, *Lucky Jim* is an attack on the forces of boredom, whatever form they may take, and a work of art that at once distills and extends an entire tradition of English comic writing, from Fielding and Dickens through Wodehouse and Waugh. As Christopher Hitchens has written, “if you can picture Bertie or Jeeves being capable of actual malice, and simultaneously imagine Evelyn Waugh forgetting about original sin, you have the combination of innocence and experience that makes this short romp so imperishable.”

Out Of The Shelter - David Lodge 2012-02-29

The restrictions of a wartime childhood in London and subsequent post-war shortages have

done little to enrich Timothy's early youth. But everything changes when his glamorous older sister, Kath, invites him to spend the summer at Heidelberg. Kath, who left home long ago to work for the American army, introduces her sixteen-year-old brother to a lifestyle that is deliriously fast, furious and extravagant. Dazzled by the indulgent habits of the American forces, but at the same time sensitive to the broken spirits of the German community beneath this sparkling surface, Timothy will find that his summer holiday is in more ways than one an unforgettable rite of passage.

The Art of Fiction - David Lodge 2012-04-30

In this entertaining and enlightening collection David Lodge considers the art of fiction under a wide range of headings, drawing on writers as diverse as Henry James, Martin Amis, Jane Austen and James Joyce. Looking at ideas such as the Intrusive Author, Suspense, the Epistolary Novel, Magic Realism and Symbolism, and illustrating each topic with a passage taken from

a classic or modern novel, David Lodge makes the richness and variety of British and American fiction accessible to the general reader. He provides essential reading for students, aspiring writers and anyone who wants to understand how fiction works.

The Modes of Modern Writing - David Lodge
2015-10-29

The Modes of Modern Writing tackles some of the fundamental questions we all encounter when studying or reading literature, such as: what is literature? What is realism? What is relationship between form and content? And

what dictates the shifts in literary fashions and tastes? In answering these questions, the book examines texts by a wide range of modern novelists and poets, including James Joyce, T.S.Eliot, Ernest Hemingway, George Orwell, Virginia Woolf, Samuel Beckett and Philip Larkin, and draws on the work of literary theorists from Roman Jakobson to Roland Barthes. Written in Lodge's typically accessible style this is essential reading for students and lovers of literature at any level. The Bloomsbury Revelations edition includes a new Foreword/Afterword by the author.
