The Book of Lies - Brad Meltzer 2008-09-02

Brad Meltzer--author of the #1 New York Times bestseller *The Book of Fate*--returns with his most thrilling and emotionally powerful novel to date. In Chapter Four of the Bible, Cain kills Abel. It is the world's most famous murder. But the Bible is silent about one key detail: the weapon Cain used to kill his brother. That weapon is still lost to history. In 1932, Mitchell Siegel was killed by three gunshots to his chest. While mourning, his

son dreamed of a bulletproof man and created the world's greatest hero: Superman. And like Cain's murder weapon, the gun used in this unsolved murder has never been found. Until now. Today in Fort Lauderdale, Florida, Cal Harper comes face-to-face with his family's greatest secret: his long-lost father, who's been shot with a gun that traces back to Mitchell Siegel's 1932 murder. But before Cal can ask a single question, he and his father are attacked by a ruthless killer tattooed with the ancient markings of Cain. And so begins the chase for the world's first murder weapon. What does Cain, history's

greatest villain, have to do with Superman, the world's greatest hero? And what do two murders, committed thousands of years apart, have in common? This is the mystery at the heart of Brad Meltzer's riveting and utterly intriguing new thriller *It's Your Funeral!* - Kathy Benjamin 2021-08-17

You can't attend your own funeral. But you can have a blast planning it! Death is scary—but planning your funeral doesn't have to be! *It's Your Funeral!* will help demystify death, decrease your anxiety, and put the fun back in funeral, whether that means a drunken bacchanal or a somber reflection on just how great you were. Every

stage of the legacy planning process is considered, from a burial outfit to a funeral theme. Practical and cheeky questions alike are answered, including:

- What is the most eco-friendly burial method?
- Can I write my own obituary?
- Can my body be shot into space after I die?
- How can I manage my digital legacy?

Offering a plethora of curious facts, strange stories, and inspiration to help you think outside the coffin, *It's Your Funeral!* includes worksheets that will ensure your wishes are recorded for posterity. Planning for death should be the time of your life, so let's get started!

Becoming Superman - J. Michael Straczynski

2019-07-23

A Hugo Award Nominee! Featuring an introduction by Neil Gaiman! "J. Michael

Straczynski is, without question, one of the greatest science fiction minds of our time." -- Max Brooks (World War Z) For four decades, J. Michael Straczynski has been one of the most successful writers in Hollywood, one of the few to forge multiple careers in movies, television and comics. Yet there's one story he's never told before: his own. In this dazzling memoir, the acclaimed writer behind Babylon 5, Sense8, Clint Eastwood's Changeling and Marvel's Thor reveals how the power of creativity and imagination enabled him to overcome the horrors of his youth and a dysfunctional family haunted

by madness, murder and a terrible secret. Joe's early life nearly defies belief. Raised by damaged adults—a con-man grandfather and a manipulative grandmother, a violent, drunken father and a mother who was repeatedly institutionalized—Joe grew up in abject poverty, living in slums and projects when not on the road, crisscrossing the country in his father's desperate attempts to escape the consequences of his past. To survive his abusive environment Joe found refuge in his beloved comics and his dreams, immersing himself in imaginary worlds populated by superheroes whose amazing powers allowed

them to overcome any adversity. The deeper he read, the more he came to realize that he, too, had a superpower: the ability to tell stories and make everything come out the way he wanted it. But even as he found success, he could not escape a dark and shocking secret that hung over his family's past, a violent truth that he uncovered over the course of decades involving mass murder. Straczynski's personal history has always been shrouded in mystery. Becoming Superman lays bare the facts of his life: a story of creation and darkness, hope and success, a larger-than-life villain and a little boy who became

the hero of his own life. It is also a compelling behind-the-scenes look at some of the most successful TV series and movies recognized around the world.

The Devil In The White City - Erik Larson

2010-09-30

'An irresistible page-turner that reads like the

most compelling, sleep defying fiction' TIME OUT

One was an architect. The other a serial killer.

This is the incredible story of these two men and their realization of the Chicago World's Fair of 1893, and its amazing 'White City'; one of the wonders of the world. The architect was Daniel H. Burnham, the driving force behind the White City, the massive, visionary landscape of white buildings set in a wonderland of canals and gardens. The killer was H. H. Holmes, a handsome doctor with striking blue eyes. He used the attraction of the great fair - and his own devilish charms - to lure scores of young women

to their deaths. While Burnham overcame politics, infighting, personality clashes and Chicago's infamous weather to transform the swamps of Jackson Park into the greatest show on Earth, Holmes built his own edifice just west of the fairground. He called it the World's Fair Hotel. In reality it was a torture palace, a gas chamber, a crematorium. These two disparate but driven men are brought to life in this mesmerizing, murderous tale of the legendary Fair that transformed America and set it on course for the twentieth century . . .

Superman: The Dailies - Jerry Siegel 1999-09-01

The final collection of the popular daily comic strip from the early 1940s finds the Man of Tomorrow facing an evil and equally powerful Superman look-alike, a mad scientist armed with a futuristic death ray, and an organization of criminals dedicated to killing him.

Superman - Dan Jurgens 1997

Superman's secret identity - that of mild-mannered reporter Clark Kent, is no longer a secret. Someone is targeting Kent's family, friends and loved ones, attacking the Man of Steel through those he cares for most. There's only one thing for it - Clark Kent must die.

The Omni-Americans - Albert Murray 2020-02-04

Rediscover the "most important book on black-white relationships" in America in a special 50th

anniversary edition introduced by Henry Louis Gates, Jr. "The United States is in actuality not a nation of black people and white people. It is a nation of multicolored people. . . . Any fool can see that the white people are not really white, and that black people are not black. They are all interrelated one way or another." These words, written by Albert Murray at the height of the Black Power movement, cut against the grain of their moment, and announced the arrival of a major new force in American letters. In his 1970 classic *The Omni-Americans*, Murray took aim at protest writers and social scientists who accentuated the

"pathology" of race in American life. Against narratives of marginalization and victimhood, Murray argued that black art and culture, particularly jazz and blues, stand at the very headwaters of the American mainstream, and that much of what is best in American art embodies the "blues-hero tradition"--a heritage of grace, wit, and inspired improvisation in the face of adversity. Reviewing *The Omni-Americans* in 1970, Walker Percy called it "the most important book on black-white relationships . . . indeed on American culture . . . published in this generation." As Henry Louis Gates, Jr. makes

clear in his introduction, Murray's singular poetic voice, impassioned argumentation, and pluralistic vision have only become more urgently needed today.
