Purple Hibiscus - Chimamanda Ngozi Adichie 2012-04-17

"One of the most vital and original novelists of her generation." —Larissa MacFarquhar, *The New Yorker* From the bestselling author of *Americanah* and *We Should All Be Feminists* Fifteen-year-old Kambili and her older brother Jaja lead a privileged life in Enugu, Nigeria. They live in a beautiful house, with a caring family, and attend an exclusive missionary school. They're completely shielded from the troubles of the world. Yet, as Kambili reveals in her tender-voiced account, things are less perfect than they appear. Although her Papa is generous and well respected, he is fanatically religious and tyrannical at home—a home that is silent and suffocating. As the country begins to fall apart under a military coup, Kambili and Jaja are sent to their aunt, a university professor outside the city, where they discover a life beyond the confines of their father's authority. Books cram the shelves, curry and nutmeg permeate the air, and their cousins' laughter rings throughout the house. When they return home, tensions within the family escalate, and Kambili must find the strength to keep her loved ones together. *Purple Hibiscus* is an exquisite novel about the emotional turmoil of adolescence, the powerful bonds of family, and the bright promise of freedom.

Wole Soyinka - Biodun Jeyifo 2003-11-13

Biodun Jeyifo examines the connections between the innovative and influential writings of Wole Soyinka and his radical political activism. Jeyifo carries out detailed analyses of Soyinka's most ambitious works, relating them to the controversies generated by Soyinka's use of literature and theatre for radical political purposes. He gives a fascinating account of the profound but paradoxical affinities and misgivings Soyinka has felt about the significance of the avant-garde movements of the twentieth century. Jeyifo also explores Soyinka's works with regard to the impact on his artistic sensibilities of the pervasiveness of representational ambiguity and linguistic exuberance in Yoruba culture. The analyses and evaluations of this study are presented in the context of Soyinka's sustained engagement with the violence of collective experience in post-independence, postcolonial Africa and the developing world. No existing study of Soyinka's works and career has attempted such a systematic investigation of their complex relationship to politics.

The Establishment of a Moral Paradox - 2021-07-22 Seminar paper from the year 2020 in the subject English Language and Literature Studies - Literature, grade: 1,3, <http://www.uni-jena.de/>, language: English, abstract: This paper argues that the establishment of this moral paradox is particularly conditioned by Soyinka's conscious choice of writing this play in the form of the syncretic theatre because the Yoruba's psychology is perfectly portrayed through cultural texts and a shift of dominants concerning the dramatic devices which enables the reader to empathise with the Yoruba culture and its, for a European audience, barbaric and illegal practices. On that account, this paper reads Soyinka's play *Death and the*

King's Horseman as a syncretic theatrical text par excellence and aims to demonstrate how the specific elements of this genre are 2 implemented in the text as this is necessary to demonstrate the effect those elements have on the establishment of a moral paradox

The Burden of Memory, the Muse of Forgiveness - Wole Soyinka 2000-02-17
Nobel Laureate in Literature Wole Soyinka considers all of Africa--indeed, all the world--as he poses this question: once repression stops, is reconciliation between oppressor and victim possible? In the face of centuries-long devastation wrought on the African continent and her Diaspora by slavery, colonialism, Apartheid, and the manifold faces of racism, what form of recompense could possibly suffice? In a voice as eloquent and humane as it is forceful, Soyinka boldly challenges in these pages the notions of simple forgiveness, confession, and absolution as strategies for social healing. Ultimately, he turns to art--poetry, music, painting, etc.--as the one source that can nourish the seed of reconciliation: art is the generous vessel that can hold together the burden of memory and the hope of forgiveness. Based on Soyinka's Stewart-McMillan lectures delivered at the DuBois Institute at Harvard, *The Burden of Memory* speaks not only to those concerned specifically with African politics, but also to anyone seeking the path to social justice through some of history's most inhospitable terrain.

The How - Yrsa Daley-Ward 2021-11-02

From the acclaimed poet behind *Bone*, an exploration of how we can meet our truest selves, the ones we've always been meant to become Yrsa Daley-Ward's words have resonated with hundreds of thousands of readers--through her books of poetry and memoir, *Bone* and *The Terrible*; through her writing for Beyoncé on *Black Is King*; and through her always illuminating Instagram posts. Now, in *The How*, Yrsa encourages readers to begin, as she puts it, the great work of meeting ourselves. This isn't the self we've built up in response to our surroundings, or the self we manufacture to please the people around us, but instead, our most intimate self, the one we visit in dreams, the one that calls to us from a glimmering future. With a mix of short lyrical musings and her signature stunning poetry, Yrsa gently takes readers by the hand, encouraging them to join her as she explores how we can remove our filters, and see and feel more of who we really are behind the preconceived notions of propriety and manners we've accumulated with age. With a beautiful design and intriguing meditations, *The How* can be used to start conversations, to prompt writing, to delve deeper--whether you're solo, or with friends, on your feet or writing from the solace of home.

Of Africa - Wole Soyinka 2012-11-01

A member of the unique generation of African writers and intellectuals who came of age in the last days of colonialism, Wole Soyinka has witnessed the promise of independence and lived through postcolonial failure. He deeply comprehends the pressing problems of Africa, and, an irrepressible essayist and a staunch critic of the oppressive boot, he unhesitatingly speaks out. In this magnificent new work, Soyinka offers a wide-ranging inquiry into Africa's culture, religion, history, imagination, and identity. He seeks to understand how the continent's history is entwined with the histories of others, while exploring Africa's truest assets: "its humanity, the quality and valuation of its own existence, and modes of managing its environment--both physical and intangible (which includes the spiritual)." Fully grasping the extent of Africa's most challenging issues, Soyinka nevertheless refuses defeatism. With eloquence he analyzes problems ranging from the meaning of the past to the threat of theocracy. He asks hard questions about racial attitudes, inter-ethnic and religious violence, the viability of nations whose boundaries were laid out by outsiders, African identity on the continent and among displaced Africans, and more. Soyinka's exploration of Africa relocates the continent in the reader's imagination and maps a course toward an African future of peace and affirmation.

Collected Plays - Wole Soyinka 1973

The Lion and the Jewel alone is enough to establish Nigeria as the most fertile new source of English-speaking drama since Synge's discovery of the Western Isles.' The Times The ironic development and consequences of

progress' may be traced through both the themes and the tone of the works included in this second volume of Wole Soyinka's plays. The Lion and the Jewel shows an ineffectual assault on past tradition soundly defeated. In Kongi's Harvest, however, the pretensions of Kongi's regime are also fatal. The denouement points the way forward. The two Brother Jero plays pursue that way, the comic propheteering' of the earlier play giving way to the sardonic reality of Jero's Metamorphosis . Madmen and Specialists, Soyinka's most pessimistic play, concerns the physical, mental, and moral destruction of modern civil war.

Ready Reference Treatise - Raja Sharma 2015

"Death and the King's Horseman" by Wole Soyinka was first published in 1975. The story of the play is based on a real incident. The incident had taken place in Nigeria during the British colonial rule. There was an important native chief who was going to commit ritual suicide, but he was prevented from doing so by the colonial authorities. On one hand, the authorities prevented him from committing suicide, but on the other hand, the chief's own intention comes under question in the play. Thus a problem is posed before the community, and it disturbs the community's balance.
