The Nature and Purpose of the Universe ; Death Comes to Us All, Mary Agnes ; Dentity Crisis - Christopher Durang 1979

"[The Nature and Purpose of the Universe] centers on a week in the beleaguered life of Eleanor Mann, housewife and mother, who lives with her religious fanatic husband and three sons; the oldest a pimp and dope pusher; the middle son a flagrant homosexual; and the youngest the victim of a threshing machine accident which has deprived him of his manhood. The family becomes embroiled in a plot to assassinate the Pope, who is coming to New Jersey to bless the air, and with the help of a radical black nun succeeds in its purpose—with unexpectedly hilarious results. [In *Death Comes to Us All, Mary Agnes*] the scene is a decaying mansion occupied by a family beset by all manner of problems: conceit, hatred, selfishness, incest and cruelty—all dealt with in an ironic, highly theatrical manner which offers rare acting opportunities for the performers involved. Throughout, and despite the horrors encountered, all exude a kind of bland innocence which, oddly enough, seems to excuse their otherwise inexcusable behavior—and underscores the biting irony of what takes place. [In *'Dentity Crisis*] recovering from a nervous breakdown, Jane is nursed and nagged by her relentlessly cheerful mother, and confused by her oversexed brother—who keeps changing into her father, her grandfather and her mother's French lover. Eventually all (including Jane's psychiatrist, who undergoes a sex change operation and swaps places with his wife) change characters again and become Jane herself—leaving her with no identity at all and pointing up the near impossibility of self-identification in our uncertain times." -- Publisher's website.

Conversation with a Sphinx - Maurice Valency 1980

THE STORY: The scene is a mountain pass in ancient Greece, on the road to Thebes. The pass is guarded by a priestess from the temple of Hera and by a sphinx who must ask a riddle of all who pass. If the traveler cannot solve the riddle he is hurled to his death, but if he can he is allowed to pass—and proceed to his doom. A young man approaches, and while the priestess pleads that he be allowed to turn back, or to pass unchallenged, the sphinx is adamant that the riddle must be posed. The priestess retires, and the sphinx accosts the young man, Oedipus, who has come from Delphi, where he has consulted the oracle. At first he denies this, but the sphinx knows his story without his telling it—and foretells what lies ahead for him as well. In keeping with the casual, offhand mood of the play, Oedipus attempts to treat these disclosures lightly, but inevitably he cannot. The riddle is asked, and solved, the sphinx vanishes forever, and Oedipus proceeds to the awful fate that the gods have ordained for him.

Ancient Traditions of the Virgin Mary's Dormition and Assumption - Stephen J. Shoemaker 2003-01-17

The ancient Dormition and Assumption traditions are a collection of over sixty different narratives, preserved in nine ancient languages, that commemorate the

end of the Virgin Mary's life. These traditions have long been overlooked by scholars of early Christianity, no doubt largely because this complicated corpus was insufficiently well known. The present study aims to remedy this situation with a detailed analysis of the earliest traditions of Mary's death, including liturgical and archaeological evidence as well as the numerous narrative sources. Several of the most important narratives are translated in appendices, many appearing in English for the first time. The book will be of interest to all scholars of early Christian literature.

The Theatre of Christopher Durang - Miriam Chirico 2020-05-14

The Theatre of Christopher Durang considers the works of one of the foremost comedic writers for the American stage. From Durang's early success with the controversial *Sister Mary Ignatius Explains It All for You* (1974) to his recent Tony Award-winning play, *Vanya and Sonia and Masha and Spike* (2012), he has been an original theatrical voice in American theatre. Edith Oliver, long-time theatre critic for *The New Yorker*, described Durang as "one of the funniest men in the world." Durang challenges traditional dramatic idioms with his irreverent comedies that are as shocking as they are prescient and compassionate. This volume provides the first comprehensive examination of Durang's works and incorporates comedic theory to examine how laughter in performance subverts social conventions and hierarchies. Through a clear, detailed discussion of the plays, Miriam Chirico considers Durang's use of black comedy, satire, and parody to explode such topics as: western literature, religion, dysfunctional families, and American social malaise. Robert Combs and Jay Malarcher provide additional critical perspectives about Durang's works, detailing his use of alienation techniques and locating his place within the American parodic tradition. The book also includes a warm introduction by Durang's former student, Pulitzer Prize-winner, David Lindsay-Abaire. *The Theatre of Christopher Durang*, in demonstrating how Durang has shaped contemporary theatrical possibilities, offers a valuable guide for students of American drama and comedy.

My Poetry: Complete and Exact Oxymoronic Webs of Concrete Paradoxical Inexactitude - Alexandra Andrianova 2013-12

Paradox is generally understood as seemingly contradictory statements that may nonetheless be true. This exhibits inexplicable or contradictory aspects or it may be an assertion that is essentially self contradictory, though based on a valid deduction from acceptable premises. In author Alexandra Andrianova's My Poetry: Complete and Exact Oxymoronic Webs of Concrete Paradoxical Inexactitude, a lot of paradoxes can be seen. an expression as much as an art, this book of poetry will capture reader's attention because of its honesty. Each of the lines of My Poetry: Complete and Exact Oxymoronic Webs of Concrete Paradoxical Inexactitude tends to approach from a slightly different angle, or with a slightly (at times abruptly) different tone. Her poems glean energy through the fruitful proximity of seemingly disparate things or, as she describes in her poems, the different experiences she had as an individual and her as a part of society. with utmost honesty and candor, author Andrianova magnificently delivers a very uncommon type of poetry as she expresses herself, examines the world and the people in it.
