Twelve Years a Slave - Solomon Northup
2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time

been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting

to the public." -an excerpt

Affective Health and Masculinities in South Africa - Hans Reihling 2020-04-24

Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is

conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

When Dawn Breaks - Kaitlyn O'Connor
2010-09

The alien, Lucifer, didn't just bear an uncanny resemblance, and the name, of a demon of ancient lore, everything about him-from his wings and horns, to the red skin and his 'forked' tail, to his ability to 'enthrall'-screamed that the legends arose from his people who had to have visited Earth in their distant past. It made Nicole wary-but not nearly wary enough. Luc made no bones about the fact that he wanted her, nor did he seem to doubt his ability to take her and make her his, regardless of the tight security the government held him under. Rating: Carnal. Genre: Futuristic Romance.

Cyberrevolution Aftermath - Kaitlyn O'Connor
2018-11-27

In the decade Anika has waited to be called up,

she hasn't managed to land a mate/husband/domestic partner or have the children she desperately wants, but she isn't the kind of person to give up. When she finally gets the call she's been waiting for, she takes the money she's saved and locates a 'lifelike' robotic domestic, model Hercules 500 and then heads to the black market for 'seedlings'-her future family to implant once she gets to the new world. Things start to go sideways almost immediately. While acquiring her 'seedlings' on the black market, she gets caught up in a sting operation to capture the dealer and only manages to escape capture because of the robot she's named Chance-for good luck. And the domestic, Chance, is way more lifelike than she'd expected. She'd had no clue the Hercules series was so realistic! Because they weren't. She's now the proud owner of a rogue cyborg soldier. She has a cop on her tail that she can't shake loose. And the god-like security guard she meets onboard ship is another rogue

on the run.

Jarael's Lioness - Angelique Anjou 2011-02-01

A stranger in a strange land, Elise is still trying to come to terms with the difficulties attached to being a dispossessed Earthling on an alien world. By all logic, she should have been terrified when the tall, muscular, cat-like humanoid rose from the water to capture her, be he ever so fascinatingly handsome. Instead, she discovers she is unable to resist when bombarded by the potent pheromone's of his desire. Unfortunately, the fires of passion can not burn eternally and the moment it's quenched and their senses return, they discover they have a serious problem-Elise is no lioness, maned or otherwise, and she refuses to accept Ja-rael's insistence that they are now mated for life. Rating: Contains explicit sexual content and graphic language. Genre: Futuristic Romance.

Binding Krista - Jory Strong 2007-05-01

My Teenage Dream Ended - Farrah Abraham 2020-12-12

Farrah Abraham's life has been front-and-center in the entertainment industry for years. Beginning with her debut on the hit series 16 and Pregnant, the young starlet has had her ups and downs splashed in the media. But there is a whole new side to every coin and Farrah's commitment to getting the most out of life for her and her daughter Sophia has made her more than a television icon. The brunette beauty's behind-the-scenes memoir is an expressive and emotional rollercoaster that will leave you commending her strength and dedication to her daughter. Read the debut novel that launched Farrah Abraham into the literary world and won her a spot on the New York Times bestseller list. See the true story behind what they don't tell you on TV. Prologue My teenage dream ended

when I was seventeen. All it took was a phone call. One phone call, and my dream was gone forever. Up until that moment, I had it all. I was confident, popular, a cheerleader. Best of all, I was crazy in love. The Real Thing. We were lovers and best friends. When we were together, the rest of the world melted away. Sure we had plenty of drama. We made love, fought and broke up, then made up and made love again. Even when I accidentally got pregnant, I was convinced that everything would work out in the end. We were meant to be together. We wanted to get married and have children. It was just happening sooner than we had planned. Then a friend's voice on the phone changed everything. "Derek died in a car wreck last night." Just like that, my teenage dream ended.

Yann Tiersen - Kerber - Yann Tiersen 2021-07-01 (Piano Solo Songbook). "I think there is a similarity between the infinite big and the infinite smallness of everything," says Yann

Tiersen. "It's the same experiment looking through a microscope as it is a telescope." Named after a chapel in a small village on the island of Ushant, Kerber marks a new chapter in critically-acclaimed composer Yann Tiersen's career. A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date. Beautifully textured, highly immersive and thoughtfully constructed, Tiersen creates an electronic world, providing an environment in which the piano source exists. A sense of place has often been a central theme in Tiersen's work and here that is no different. Each track is tied to a place mapping out the immediate landscape that surrounds Tiersen's home, linking back to his thoughts on the possibilities of the infinite smallness. This official, exclusive folio is beautifully printed on high-quality, uncoated paper with striking graphic artwork. All seven pieces are presented for solo piano and follow an exclusive introduction to the project.

Summer's Caress - Tielle St. Clare 2011-06

When Rebecca goes to her friend's cabin, all she wants is a few days away. She isn't expecting to be attacked by a rogue werewolf intent on building his own pack or to suddenly find herself turned on, hot and craving sex - all the time.

Thankfully Deacon, the hunky human doctor who treats her, is more than willing to help her counteract the sexual impact of the werewolf's bite. And then there's Trey - seductive and tempting Guardian for Rebecca's new "Pack."

He's trying to find out who attacked her, if only he could keep his mind - and hands - off his sexy new packmate. He doesn't even mind sharing her with the human. At least for now.

Breeder - Cara Bristol 2017-06-19

An Alpha commander rules over a violent planet until a lowly breeder slave changes his world.

Commander Dak, is one of five rulers of planet Parseon, a caste society that has enslaved its women and outlawed love. As Alpha he is responsible for maintaining the "Protocol" in his

province. In need of an heir to secure his legacy, he purchases a female breeding slave intending to impregnate her, produce a son, and then discard her. But the gentle Omra instead bears a quiet strength and perceptiveness that opens his eyes to brutality and arbitrary nature of Parseon culture. As Dak falls in love with her, he begins to question the truths he once held immutable. But the commander has powerful enemies who won't hesitate use his devotion to Omra against him and deem him unfit to rule. Can he expose the cruelty and lies in Parseon culture or will the Protocol he's spent his life defending be the weapon used to destroy Omra and their love? Breeder is the powerful, edgy first book of the dark science fiction romance Breeder series.

Conquered by the Beast - Desiree Acuna
2006-09-01

Demon Seed: Only a sacrifice will appease the overlord that has banished him from the only world he knows. And yet almost from the moment he captures Colette, Nuri is captivated

and can think of nothing but possessing her himself. Innocent in her desire, and desperate to save herself and her younger sister, Colette tempts Nuri beyond caution, drawing his overlord's wrath down upon them both. Rating: Contains explicit sex and language, bondage, oral sex, sexual mastery. *Belly of the Beast*: Lady Mariel has no clue her life is forfeit until the Trull, Behsart, comes to collect her to take her to the Castle Valdamer to be sacrificed to the demons. She has only one ally-Cavan, Lord of Reugal, whose body the lesser demon, Behsart, occupies. Her only weapon is the one Behsart has given her--his lust for her. Each time he succumbs to carnal pleasure, he grows weaker and Cavan grows stronger, but time is not something she has in plenty. Behsart is to take her on pilgrimage to each of the seven demons so that they may sample their bride. If she can not escape Behsart, or please the demons and convince them that she is worth more to them as a concubine than a sacrifice, her spirit will be

yielded up to them for eternity once she has reached the Castle Valdamer. Rating: This is an almost no-holds-barred BDSM erotica. Contains explicit sex and language, some F/F scenes, multiple partners, bondage, domination/submission, anal sex, oral sex, sexual mastery as well as a subplot of romance.

Genesis - Kaitlyn O'Connor 2007-02-01

Bri's uncertain of whether she finds it more unnerving or thrilling that Kole, a warrior well over six feet in height and built like the hulk, watches her with hungry, covetous eyes, until the slavers who captured her toss her into his habitat with him for breeding. Then she knows it's both, but it's even more unsettling to find herself the object of desire of two six and a half foot males-particularly since Kole and Dansk seem perfectly willing fight to the death to settle which of them gets to breed her. Rating: Contains graphic sex, graphic language, graphic violence.

Deep Penetration - Kaitlyn O'Connor 2010-07-09

There'd been a time when her people had looked upon theirs as gods and they'd expected nothing less than complete adoration and subservience. What began as a determination to bend her to their will, however, became a desperation to protect the woman who'd enthralled them from the consequences of her refusal to behave in a manner acceptable as a slave of the Anunnaki. The will to survive, Emerald discovered, wasn't enough in itself to help her comply with the Anunnaki's expectations of a slave/breeder, but she discovered they had methods of training that could buckle the strongest will and teach submission. In learning to submit to her new masters, though, Tariq and Koryn discovered that Emerald had taught them that it was a double edged sword that could enslave them just as completely. Rating: Carnal/Erotic Warning! This book contains graphic scenes of BDSM in which the heroine is being 'broken' to accept the status of sex slave/breeder! Forced seduction. Not for the faint hearted! Multiple heroes, rough

sex, alien sex toys.Genre: Futuristic Romance.
Montessori Madness - Trevor Eissler 2009
"We know we need to improve our traditional school system, both public and private. But how? More homework? Better-qualified teachers? Longer school days or school years? More testing? More funding? No, no, no, no, and no. *Montessori Madness!* explains why the incremental steps politicians and administrators continue to propose are incremental steps politicians and administrators continue to propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book ask parents to take a look--one thirty-minute observation--at a Montessori school. Your picture of what educations should look like will never be the same"--Back cover.

A novel financial risk assessment model for companies based on heterogeneous information and aggregated historical data - Dan-Ping Li

The financial risk not only affects the development of the company itself, but also affects the economic development of the whole society; therefore, the financial risk assessment of company is an important part. At present, numerous methods of financial risk assessment have been researched by scholars. However, most of the extant methods neither integrated fuzzy sets with quantitative analysis, nor took into account the historical data of the past few years. To settle these defects, this paper proposes a novel financial risk assessment model for companies based on heterogeneous multiple-

criteria decision-making (MCDM) and historical data.

The Ninth Orb - Kaitlyn O'Connor 2006-10-01
Scientifically speaking, it made sense to send two hundred women and 'frozen pops' to establish the colony on New Georgia and insure a good gene pool. But when the colonists arrive after fifteen years of space travel, and discover that the alien compound directly across from their new city is filled with young, virile Xtianian men eager for 'queens' Eden Chisholm has her hands full trying to keep the peace. The Xtianian's themselves are stunningly human-like, but their customs are completely alien to Earth culture. In the Xtianian society, women are rare and therefore the men are of little value beyond what they provide for the comfort and safety of their 'queens'. And the queens have harems.
