How to Cast Out Demons -

Doris M. Wagner

2000-03-06

Many modern Christians are now agreeing that we should take Jesus' command to cast out demons more seriously than we have in recent years. But how do we do it? Where do we start?

This practical, down-to-earth book shows us how. From Doris Wagner, one of the leading authorities on biblical deliverance in North America, this manual teaches Christians how to take and break soul ties; how to break bondages of rejection,

addiction, lust, and more; and how to set free those whom the enemy has held captive.

Everyone's Guide to Demons & Spiritual Warfare - Ron Phillips, DMin 2010-09-07

Everyone's Guide to Demons and Spiritual Warfare is a basic training manual for anyone who wants to understand spiritual warfare principles and know how to stand against satanic attacks. By incorporating demon-defying principles in our daily spiritual lives, we can learn to put the enemy to flight and move from bondage into freedom. The author also identifies several specific demonic spirits that attack God's people, and provides strategies for overcoming evil in our lives.

No Small Snakes - Gordon Dalbey 2008-07-01
Are You Ready for

Battle? As a Peace Corps volunteer in rural Nigeria, a much-younger Gordon Dalbey scoffed at an illiterate laborer's account of dark spirits that had invaded his house. The man looked the highly educated American squarely in the eye. "There are no small snakes," he declared. Even as the smallest poisonous snake can easily kill the largest and strongest man, to discount dark spiritual forces is not only arrogant, but dangerous. *No Small Snakes* relates Dalbey's upending journey from scoffer to spiritual warrior, from arrogance to bold humility. Both spiritual memoir and soldier's manual, this book will challenge you to face the spiritual battle at hand today and prepare you to win it – in your heart and in the world. *Pigs in the Parlour* - Frank Hammond 1992-09

Deliverance from Evil Spirits - Dr. Francis MacNutt 2009-02

A guide to deliverance ministry explains the biblical record and clarifies what a deliverance ministry is and how it functions in the church of today.

The Healing Reawakening
- Francis MacNutt
2006-09-01

For the first three hundred years of Christian history, healing prayer was fundamental in the life of the church. It even proved the main method of converting the unbelievers of the day. Then began the long slide of healing prayer into near insignificance. Ironically, Christians themselves, by reserving healing prayer for the most "holy," were the ones who almost killed this mission so central to the gospel itself. The mystery of how this

happened is described by Francis MacNutt in this fascinating history, which includes his own personal journey. MacNutt sees this loss as tragic and shows how necessary it is for us to rediscover healing prayer and once more embrace it, according to Christ's original mandate--with amazing results! Christian leaders and anyone involved in the healing ministry must read this book.

They Shall Expel Demons
- Derek Prince
2020-03-31

What are demons? How do demons gain entry into people's lives? Do Christians need deliverance from demons? In this practical, comprehensive handbook on deliverance, author and Bible expositor Derek Prince addresses the fears and misconceptions often associated with the

subject of demons. By sharing his own struggles with unseen forces, he encourages believers to become equipped to take action against these evil beings. He exposes their characteristics, activities, and entry points, and offers solid, down-to-earth advice on how to receive and minister deliverance--and how to remain free.

**Family Guide to
Spiritual Warfare -**

Kathleen Beckman
2021-01-29

Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In *A Family Guide to Spiritual*

Warfare, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love – and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of protection found only in the Church's arsenal of spiritual weapons. You'll also learn the devil's strategies – how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to

become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you'll also learn: How to understand the spirits working for – and against – your family, and what to do in response to them What specific actions to take if you believe your family has come under the influence of demonic activity How to use your baptismal, spousal, and parental authority in spiritual warfare How curses can become effective – and what can be done to counteract them The difference between diabolical temptation, oppression, obsession, and possession The seven ways your family can

wear the full armor of God The diabolical counterparts to each of the Ten Commandments and the Beatitudes The 13 weapons you can use to defend yourself and your family against evil spirits

Territorial Spirits - C. Peter Wagner 2012-02-21
The Battle Is Ours! "Our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world" (Eph. 6:12 NIV). For generations when Christians have engaged in spiritual warfare, most of the time they have focused on "satan" as the main opponent. However, C. Peter Wagner has gathered together a number of ministers who teach from personal experience that the "principalities and powers" are more than just satan—there is an entire hierarchy of demons in this world. Often, missionaries and ministers are finding that they have far more

success in an area when they first go to war in the spirit and in prayer against the evil power that rules a certain region. C. Peter Wagner has compiled this book of many voices, speaking from Scripture and personal experience, teaching the reality of territorial spirits and the necessity of waging targeted, powerful warfare against them in order to reach the souls these evil powers have held captive for too long. You will learn:· There is an entire hierarchy of demons in this world, many with specific geographic territories.· Once a territorial spirit's power is broken, ministry in that area can be far more effective.· How to go to war against evil spirits to break their power over the people of a region. Christians must take to heart what the

Bible teaches about spiritual warfare. Arm yourself with this book!

The Evangelical's Guide to Spiritual Warfare -

Charles H. Kraft
2015-02-17

Are you aware of the spiritual battle being waged around you today? The truth is that although spiritual warfare is a major theme in the Bible, many of us gloss over it--or ignore it completely. But 80 percent of the synoptic gospels addresses the battle with evil spirits, and Jesus and His disciples set a clear example for

believers. We cannot afford to practice a powerless Christianity in a fallen world. In this essential, accessible resource, former evangelical seminary professor and missionary Charles Kraft helps you find your footing in the spiritual battle. Based on a solid biblical foundation and on decades of ministry experience, this book will help you:

- Differentiate between myths and truths about spiritual warfare
- Recognize the everyday battles taking place around you
- Learn what demons really are and what they actually do
- Understand the rules for engaging the enemy
- Achieve victory in daily battles with the help of the Holy Spirit

Don't let fear keep you from engaging the spiritual forces at work around you. Some problems can't be overcome in any other

way. "This book is a must-read for anyone looking to engage in spiritual warfare." -- Larry Richards, author of *The Full Armor of God* "Dr. Kraft has removed the veil of mystery that has surrounded deliverance ministry for far too long. With truth and honesty, he has opened the door to the evangelical community and given us the tools to set the captives free." -- Tim Howard, president and founder, Wellsprings of Freedom International "For more than thirty years now, Dr. Charles Kraft has been studying and writing about spiritual warfare. In this latest book, Dr. Kraft summarizes his findings and shares from his years of experience his approach to inner healing and deliverance ministries. This book needs to be read by every student studying

spiritual formation, by every missiologist engaged in missionary activities and by every pastor and church worker committed to making healthy disciples of the Lord Jesus Christ."--

Douglas Hayward, department chair, Graduate Intercultural Studies, Cook School of Intercultural Studies, Biola University "Personally awakened to the spiritual nature of our Christian faith, Charles Kraft calls us to wake up as well. This book is a must-read for any who seek to understand God's work in the world today from the vantage point of an evangelical who daily engages in spiritual warfare."--Scott Moreau, professor of intercultural studies, Wheaton College Graduate School "Most Christians are blind to the spiritual realities around us. This book

pulls back the veil into the unseen world, where there is a battle. This book will quickly become a classic. Charles is steeped in wisdom in the area of spiritual warfare and has dedicated his life to bringing restoration to the church."--Judith MacNutt, M.A., president and co-founder, Christian Healing Ministries "Charles Kraft has taken a topic that is still controversial among some in the body of Christ--spiritual warfare--and boiled it down to something we can all agree on: There is an enemy countering expressions of God's love in the lives of believers and lost souls alike that we must combat."--Jennifer LeClaire, senior editor at Charisma magazine and director of Awakening House of Prayer in Fort Lauderdale "Again, Chuck

Kraft has reminded us that 'we are at war with a cruel enemy.' This guide to the warfare reflects Dr. Kraft's passion for God's people to experience the full measure of the Father's love. His writing is grace-filled, balanced, thoughtful and practical."--John Shultz, Ph.D., president, Ashland Theological Seminary
Two Hours to Freedom - Charles H. Kraft 2010-10
Many Christians labor under the false notion that because they are saved, past wounds, hurts, and consequences from mistakes are swept away. Yet they continue to be plagued with spiritual and emotional problems. They long for healing while wondering why they are unable to break free. The answer, says inner healing expert Charles H. Kraft, is that believers need to seek healing and

deliverance as steps beyond salvation. Only when Christians are freed from the bonds of oppression deep inside themselves can they walk with the closeness with Jesus they yearn for. Using a proven process he has refined through years of successful deliverance ministry, Kraft leads readers step by step to freedom--and ultimately to healing.
