The contributions in this volume, written by experts and practitioners from four continents, analyze these phenomena from the perspectives of intercultural theology, anthropology and ethnology and describe the responses of Catholic and Protestant churches. Claudia Währisch-Oblau is a missiologist and heads the Evangelism Department of the United Evangelical Mission, Wuppertal, Germany. Demons and Deliverance - C. K. Quarterman 2013-03-12

Demons, Deliverance, and Suffering ... what are they all about? Discover in these pages the origin and nature of evil and how to combat forces you cannot see. Learn what devils and demons are and what you can do to ensure you are never a victim. To understand what a person has experienced we must look to Scripture. Scripture says many things about invisible forces. This book is straight-forward, authoritative, with Biblical insights and help for those who desire to understand or escape demonic oppression. This book discusses the occult, mediums, demon possession, werewolves, vampires, and other related topics. That evil exists in this world none might argue, however if God is all-powerful and also purely good, why does He still allow suffering to exist? We look at these and other questions. Once you see how much of our world is spiritually influenced, your world view will change! You will begin to realize the spiritual war we are fighting. You will understand the forces arrayed against us. You will see the victory in Jesus' name. The world is in a slumber, hoping for a better tomorrow, but the forces of spiritual darkness take no rest and sleep not. Our sufferings are rooted in this great struggle with the powers of darkness! For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places (Ephesians 6:12).

They Shall Expel Demons - Derek Prince 1998-05

This practical guide to deliverance from demons discusses seven commonly asked questions and how to receive and minister deliverance.

**The Secrets to Deliverance** - Alexander Pagani 2018-05-01

In recent years deliverance ministry has become increasingly difficult. Even the most seasoned ministers

struggle to locate and expel demons. Individuals think they're free from demonic bondage only to be blindsided by another oppressive force. But for New York pastor Alexander Pagani, one experience changed everything. He realized how demons lodge themselves in hidden areas of our lives. First, a demon can quite literally reside in an area of the body. Second, demons can live deep in the soul and remain undetected. Deliverance is like a labyrinth with trap doors, backward stairs, and secret rooms. In *The Secrets to Deliverance* Pagani shares biblical strategies and his own experiences for evicting the demons in the "rooms" of your soul and body. Featuring prayers and declarations, this book will instruct you how to strategically and powerfully overtake the enemy so that you can live the life God intended for you.

GO BEYOND SURFACE-LEVEL DELIVERANCE

Demons and Deliverance - Graham Aubrey Abraham  
2020-10-05

The Ordinary Church Minister will walk around and keep a healthy distance from the Deliverance Ministry, even though it is clearly mentioned in the Gospel according St Mark 16:17 . Drive out Devils he puts it. It is plain that the average church although they recognize it is there, they choose to simply ignore it because, for lack of better wording they are ashamed of such strong wording from Jesus himself to his disciples. I have deliberately chosen to include the Medical profession who tell patients " we cannot do any thing more for you, go home and make peace with those around you, you will be dead in 30 days(example). Bible truth tells us different" we will live and not die". Who is that intends the worst for us ? Yes its the Devil (yes friend he does exist), even though they have told you all of these years that he does not! He sends his Angels to trip us up whenever we intent to do something good or honourable out of the pure motive of love. What happens when they dark Angels come to your house and start moving the furniture around at 0230 am in the dark of night, do you leave your Bible open so that the SPIRIT of the Bible will chase them away? That does not work. Do we go down to the Grocery store and buy up his whole years supply of Garlic cloves and hang them every where? Well sorry to tell you that does not work either! It is only as we take the power of the Holy Spirit into us as they did in ACTS 2:4 and then with the command of God command them to be gone, and they then have to go. In

the case in the Book this was not the case. We through the power of of Holy Spirit had to identify the accursed thing in the house, take it and destroy it and then rebuke the Spirits before they would move out. You see they had "the right to be there because the accursed thing was there" and untill it was removed the spirits had every right to be there( legal right) the occult calls it, and will not react to any command or instruction, no matter how Holy and Pure the instrument is who does the commanding. The Accursed thing needs to be removed, then the ground sanctified and then the command given to be removed and then it will go. Where to some asked me ? WELL TO ROAM THE EARTH TO LOOK FOR ANOTHER LODGING PLACE where these filthy entities can cantinue their filthy practices and propogate they disgusting works.

Wendy and I have not come into this ministry willingly,

but kicking and screaming and resisting the will of God as we have not wanted to face the consequences associated with the many who ask for help. Some times the Lord by his own sovereign will, sets people free, wondrously almost miraculously and all smile and are Blessed. At other times people are not, despite all your efforts, despite all your attempts to release a captive, he or she is not freed and then we have to deal with the inevitable consequences of such a divine decision and live with the outcome, no matter how much it may hurt or no matter how our hearts ache for the release of the one being prayed for. But we have learnt that it is not for us to wonder why. It is only for us to believe and trust that what he has promised he will do. He has sometimes done the miracle as people have slept in their own beds, after being prayed for. He has done the miracles as we have stood there and watched in awe" people being set free."
