**Complete Mandolin Method**  
- MEL BAY 2010-10-07

With the thoroughness of a book by Mel Bay, this method presents mandolin technique and note-reading in a progressive, step-by-step fashion. Given the diverse applications of this versatile instrument, this method was carefully written to build the musicianship and technique needed to play both classical and contemporary mandolin styles. Music theory concepts and additional playing techniques are introduced as needed. Exercises and tunes are presented in all keys, many in duet format to be played by teacher and student. In notation only.

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!
