when she would like both
at the same time. But
these humans are slow
learners.Find out how
one wombat - between
scratching, sleeping and
eating - manages to fit
the difficult job of

training humans into her busy schedule.

The Fire Wombat - Jackie French 2021-12

As the bushfire swallowed up the world they knew, a wombat shared her burrow with other animals.

Longlisted in the 2021 Australian Book Industry Awards and a 2021 Children's Book Council Notable Book. As the flames of a bushfire approach, one small wombat shelters with other animals in her burrow. But that is just the beginning of their journey to safety. Based on events witnessed by Australian Children's Laureate Jackie French during the 2020 fires, and co-created with award-winning illustrator Danny Snell, this is a story of courage, compassion and survival, which saw people across Australia come together to save our wildlife from

devastation.

How to Scratch a Wombat

PRAISE FOR DIARY OF A
WOMBAT AND OTHER BOOKS
STARRING MOTHBALL

'French and Whatley have conjured an affectionate, believable wombat self-portrait' -- The New York Times Book Review 'I absolutely love the tone of Mothball's diary entries -- the dry brevity and classic wombat behaviour that's made this gorgeous creature an Aussie literary treasure. Whatley's divinely funny illustrations yet again make for an all-rounder of a book that will loosen smiles on readers of any age' -- Kids' Book Review

Meerkat's Burrow - Dee Phillips 2014-01-01

It's early morning in an African desert.

Suddenly, from a small hole in the sandy ground, a little meerkat appears. Then another and another pops out. Soon a whole family, or

mob, of meerkats leaves its underground home. As the adult meerkats look for breakfast, some tiny pups play close to the burrow under the watchful eye of an adult. In *Meerkat's Burrow*, kids will explore the underground and above-ground world of a meerkat family through clear text and large, full-color photos. Age-appropriate activities, such as imagining what it's like inside the burrow, and critical-thinking questions give readers a chance to gain insights beyond the facts and figures. Fun information, such as the fact that meerkats dig special tunnels to dive into to escape predators, is sure to delight young readers. **Brown Bear Cubs** - Emmie Chang 2019-03-25
When you look at a brown bear cub, do you see a future bouncer or expert

fisher? If not, you should. The little cubs in this book share about their dreams for adulthood!

Christmas Wombat - Bruce Whatley 2012-12-15

It's Christmas - from a wombat's point of view. It's Christmas! And it's Christmas for Mothball the Wombat, too. She eats, she sleeps, she scratches, but on Christmas Eve ...

Created by writer Jackie French and illustrator Bruce Whatley, CHRISTMAS WOMBAT is another irresistible picture book by this extraordinary award-winning pair. Ages 3+ *One Camel Called Doug* -

Lu Fraser 2022-02-17

A warmly reassuring rhyming story (with a fun counting element!) about how it's ok to need a little alone time, from the author of the award-winning *The Littlest Yak*. Doug the camel is all alone and sometimes he wonders whether one is enough (it makes playing hide and seek terribly tough...). So when at first one, then two, then three, then four more camels turn up (followed by a whole camel herd), Doug delights in the possibilities all these new friends bring. But when Doug is 'all camelled out' from all the excitement and it's time to count down to bedtime, he takes just as much pleasure from the peace of being alone once again. Lu Fraser's warm, funny text is a delight to read out loud and is brilliantly

illustrated by Sarah Warburton in the first book from this exciting new picture book partnership. By Lu Fraser & Kate Hindley: The Littlest Yak

When I Care about Others

- Cornelia Maude Spelman
2002-01-01

In today's society, perhaps more than ever, young children need to develop empathy. In this simple book, the author begins by helping children see that when they are sick, hurt, or unhappy, others care about them. Children can then begin to see that others need to be cared about as well. Common situations will further a child's appreciation for and understanding of what others feel and need.

Wombat - Christopher Cheng
2021-09-07

Learn all about the Australian "bulldozer of the bush" in a fascinating introduction

to the wombat. Wombats may look soft and cuddly, but they are determined and tough, with sharp teeth that never stop growing, limbs that they use to shovel dirt like bulldozers, and bony bottoms they use to defend their burrows. They can live for years without drinking water, getting all of their moisture from the plants they eat--and they deposit their cube-shaped poop on rocks or stumps as a warning to other wombats. Follow one of these powerful marsupials through a suspenseful day in Christopher Cheng's engaging narration, paired with endearing illustrations by Liz Duthie and interspersed with intriguing facts. An endnote provides additional information about wombats for readers curious to learn more.
