An Unorthodox Dictionary of Proper Names in Sri Aurobindo's Works -

Sunjoy Bhatt 2019-08-07

This Dictionary is dedicated to my mentor Shri Gopal Dass Gupta (1912-98). Like most Hindu spiritual aspirants of his time GD had turned to Sri Aurobindo through Essays on the Gita, & diligently practiced this ideal offered by Sri Aurobindo in his Uttarpāra Speech: "...not only to understand intellectually but to realise what... He demands of those who aspire to do His work, to be free from repulsion & desire, to do work for Him without demand for fruit, to renounce self-will & become a passive & faithful instrument in His hands, to have an equal heart for high & low,

friend & opponent, success & failure, yet not to do His work negligently."

Prior to settling in the Ashram GD had been a conscientious principled teacher in Govt. institutions, habituated to obey their principles & policies. Jayantilal Parekh appointed him stock-keeper of the reams of paper purchased for printing the 30-volume SABCL, & keeping a register of customers who had paid in advance & sending them volumes ready for dispatch. Then the research & publication (R&P) wing of JP's Archives charged him with compiling a glossary-cum-index of proper names in SABCL & in its own Archives & Research Journal (A&R). When GD's backbreaking fifteen years of labour was crowned by R&P's refusal to

publish it, it was Harikant Patel, the Managing Trustee of the Ashram, who saw to it that a decent number of GD's 368-page Glossary & Index (G&I) ended up on SABDA's lap. Then GD, conscientious soul that he was, without care for his ailing 76-years old body, went on to add half-a-dozen more draining years of & produced a 30-page Corrigenda-cum-Addenda, as Supplement to the Glossary, which Harikant got published in 1996 - just two years before GD's body gave up. Prior to which he had instructed me on what he would like a revised edition to be. Providentially a professor of SAICE, keen to preserve GD's work, got it scanned & granted me a digital copy. My purpose in this 'brief compendium' is to place the proper names I have selected from GD's 'vast' G&I in what I believe to be their right context in the lives of Sri Aurobindo & the Mother, using my innate modus operandi defined by my classmate Rājendra Bālgé in 1964-65 as simplification by complication. I have omitted those entries on which ample material is easily available, those not used by Sri Aurobindo, & those about which GD repeats what was in SABCL & A&R as Sri Aurobindo's. I have added what I could obtain of the historical, political, & biographical background of those proper names directly connected with Sri Aurobindo, often with relevant quotations from him & Mother; as a result there are many half-to-four-five-page fusions of history & biography inspired by two scholarly works built on such fusions aimed at promoting

European Enlightenment (q.v.) - note that like them, I too, am rather lax in giving my sources: (1) ex-ICS, C.I.E. (Companion of Indian Empire), C.E. Buckland's Dictionary of Indian Biography, London, 1905, reprinted by Indological Book House, Varanasi & Delhi, 1971. Its preface declares: "This Dictionary purports to be a handy Work of Reference, giving the main facts ['notices' he calls them, i.e. Imperial Edicts] of the lives of about 2,600 persons - English, Indian, Foreign, men & women, living or dead - who have contributed to the welfare, service, & advancement of India...or who have gained some special notoriety [as enemies of Pax Britannica]. It has been thought desirable to commence the present volume from about 1750 AD...when the British power in India was being established." (2) Prof Sachchidananda Bhattacharya's Dictionary of Indian History, Univ. of Calcutta, 2nd Ed., 1972, devotedly dedicated: "To All Orientalists, Eastern & Western, who by their Learned Labour have contributed to the Advancement of our Knowledge of the History of this Ancient Land of Ours." [Cf. his book's M. Müller & Md. of Ghazni against its Ghose, Aravinda; in essence M & G were enlightened, GA introduced the Bomb in Beng

A Classical Dictionary of Hindu Mythology and Religion - John Dowson
2000-01-01

Description: John Dowson's *A Classical Dictionary of Hindu Mythology and Religion, Geography, History and Literature* is a handy reference work prepared as an aid to the scholars and lay readers interested in these aspects of the past of India. It contains information on a vast array of subjects, concepts, personages, names, events, etc., which frequently occur in the ancient Indian literature and religious works. For the uninitiated, the Dictionary is a useful guide for understanding the obscure and the unknown subjects. The present Dictionary is not merely an alphabetical list of terms and subjects; it contains, compact and condensed information culled together from various sources about each subject. The author has primarily depended upon authoritative translations and works of eminent scholars for the compilation of the Dictionary. Besides the literal meaning, the compiler has also given a full description of the subjects with

necessary details. For those interested in delving deeper into the controversial subjects included in the Dictionary, references of learned articles and European works have also been supplied. A brief introduction of the subject outlining the history of the works alluded to in the Dictionary, a Sanskrit Index and a General Index add to the usefulness of the volume and is a must for every bookshelf.

Dictionary of Hindu Lore and Legend - Anna L. Dallapiccola 2002-11-17

Provides over 1,000 accessible, informative and authoritative entries that answer any major question about Hinduism, its mythology, practices, customs and laws India is so vast that each of its regions is a land in its own right, with diverse languages, customs, and cultural traditions. Yet shared social systems, firmly grounded in religious beliefs, provide the cohesive force that unites over a billion people of different backgrounds. Hinduism is the main religion of India, and this new dictionary provides an unrivaled insight to all aspects of Hindu life, past and present. Some thousand illustrated entries elucidate the history of Hinduism, its mythology, art, architecture, religion, laws, and folklore. The development of Hinduism is presented from its ancient manifestations in local cults and epic poems to modern-day festivals and customs worldwide. The complex relationship between the multitude of gods, goddesses, and semi-divine beings is brought to light in the articles on religion and mythology, while its rich imagery is revealed in the entries on architecture, sculpture, painting, dance, and theater, including works of art illustrated here for the first time. Food and etiquette, the caste system, Ayurvedic medicine, love and

marriage, and contemporary practices are just a few of the topics explored. Maps and entries on the major cities and places of pilgrimage in India, as well as a concise chronology and a list of principal dynasties, provide a clear overview of the geography, history, languages, and vibrant religious and cultural traditions of Hinduism. This volume will serve as a lively and indispensable guide for those preparing a visit to India, for Indians living in the West, for students, or for anyone interested in the subcontinent. 275 b/w illustrations.

Hindu World - Benjamin Walker 2019-04-09

This work, first published in 1968, presents the fabulous world of Hinduism in its entirety in two volumes. It is the first general encyclopedia of Hinduism covering every major aspect of Hindu life and thought, embodying the results of modern scholarship yet not ignoring the traditional point of view. It contains over 700 articles, each of which gives a comprehensive account of the subject, and by a system of cross

references interlinks all topics related to it, so that a single theme may be traced in all its ramifications through the whole book. An index of over 8,000 items, which in itself forms a veritable treasury of Sanskrit terms and names, will further assist the researcher finding their way among the lesser topics treated in the work.
