Founded on Goodbye - Kat Singleton 2021

His songs were better when he had a broken heart. That sentence would change my life after my dream job was dished to me on a shiny, silver platter. All I had to do? Hurt Nash Pierce enough to get him writing good music again. The pop icon's songs were no longer the phenomena they used to be. His team needed another breakthrough album--like the first he'd penned, using his heartbreak as fuel. The plan was simple: I'd go on tour with him as a backup dancer...and make him fall in love with me. I was hired to inspire--to become embedded into every lyric he wrote. Then, I was to set fire to it all--to destroy every feeling we hoped he'd develop for me. It seemed simple enough. Easy, even. I didn't expect to be consumed myself--to see so much in the man displayed in the tabloids. I didn't foresee falling for him. It didn't occur to me that, while attempting to break his heart, I might just shatter my own. Most of all, I never thought I'd fight so hard to hold on to a relationship that had always been founded on goodbye.

Angels in the Sky: How a Band of Volunteer Airmen Saved the New State of Israel - Robert Gandt 2017-10-03

"Reads like a World War II thriller, only better because every word is true... One of the great untold stories of history. Robert Gandt has brought it vividly, unforgettably to life." –Steven Pressfield, bestselling author of *Gates of Fire* In 1948, when the newly founded nation of Israel came under siege from a coalition of Arab states, a band of volunteer airmen from the United States, Canada, Britain, France, and South Africa arrived to help. They were a small group, fewer than 150. Many were World War II veterans; most of them knowingly violated their nations' embargoes on the shipment of arms and aircraft to Israel. The airmen risked everything—their careers, citizenship, and lives—to fight for Israel. The saga of the volunteer airmen in Israel's war of independence stands as one of the most stirring—and little-known—war

stories of the past century.

She's never moving again, no matter what, so when handsome entrepreneur Samuel Cross arrives to stay at her beach house for two weeks, Ava knows the last thing she should do is act on her attraction to him. When Sam forgave his business partner and fiancée for falling in love with each other, he didn't expect them to invite him on their pre-wedding vacation jaunt to Seahaven, or that he'd actually agree to come. But Sam knows his ex. She's planning to use the trip to make a bid for control of his start-up. He's prepared for two weeks of unmitigated misery with the happy couple and their other guests, but things look up when their pretty host, Ava, quickly takes stock of the situation and maneuvers Sam into the best room of the house. Now if only he can convince Ava she needs to

spend more time with him, he might salvage this vacation, after all. Ava isn't sure why she keeps coming to Sam's rescue, but she's having more fun than she's had in years as they explore all the area has to offer—with and without his friends. If she doesn't get her heart under control, she'll end up hurt all over again. After all, Sam has made it clear his home is in Chicago. Sam knows his life is waiting for him in Illinois, including the big contract he's been working so hard to land, so why is he daydreaming about a life under the California sun? He needs to persuade Ava to come home with him. It's the only sensible thing to do. But neither Ava nor Sam feel like being sensible anymore...

Across the Pond - RJ. Scott 2019
The greatest journey isn't from England to the States, it's the one that two men take on the way to find each other. Sebastian Brown is on a mission to rescue the Arizona Raptors and a vow he made to a friend in college. Either that or he's on vacation. He's not entirely sure that he's made up his mind yet. Either way, traveling from England, to the arid desert of Arizona isn't exactly a picnic, particularly with the

doubts and worries he takes with him. He's turned even the worst of companies around, but faced with the challenge of improving the reputation of a hockey team that everyone seems to hate, he knows his work is cut out for him. Focus is key, but that is easier said than done when Seb is sent into a tailspin by the intriguing Alejandro. Seb's entire marketing plan hinges on making Alex a poster boy for equality and fair play. But with Alex's utter dedication to the game, and his dark secretive eyes, the gorgeous Alex is stubborn, opinionated, doesn't want any part of being the team focus, and worst of all, doesn't appear to like Seb at all. It takes everything that Seb has to keep his hands off of Alex, but things get out of hand and Seb's life might never be the same again. Alejandro Garcia has had to work hard to get where he's at. Born to Mexican immigrants, his siblings and himself have never had it easy in this new country their parents dreamed of calling home. A native son of Arizona, Alex has always been the odd man out on the ice but he's not going to let a stupid thing like his heritage get in the way of his dreams. He's now a Raptor and he plans to put all that training and collegiate hockey experience to good use. Working hard comes naturally to him. It's something his parents have instilled in him from the time he was a toddler. Being one of a handful of Latino hockey players makes him strive for success with even more determination. His first pro season has had some ups but a lot more downs, but Alex is one stubborn young man and failure is not an option. As the Raptors struggle to rebuild not only their team but their core values, Alex finds himself drawn to one of the owner's friends, a tall, lanky Brit with the face of an angel and an accent and attitude that

bewitches and befuddles him. Sebastian is everything he thought he would never be attracted to but he can't push the sexy, older, fun-loving man out of his thoughts. If ever there were a man he would not be able to take home to his parents - not that he can bring a man home since he is deeply closeted - it's Sebastian, but desire knows no socioeconomic, age, or international borders. The heart wants what the heart wants and Alejandro's wants Sebastian.
