Bonhoeffer on the Christian Life - Stephen J. Nichols 2013-06-30

The abundance of conferences, lectures, and new books related to Dietrich Bonhoeffer attests to the growing interest in his amazing life and thought-provoking writings. The legacy of his theological reflections on the nature of fellowship, the costliness of grace, and the necessity of courageous obedience has only been heightened by the reality of how he died: execution at the hands of a Nazi death squad. In this latest addition to the popular Theologians on the Christian Life series, historian Stephen J. Nichols guides readers through a study of Bonhoeffer's life and work, helping readers understand the basic contours of his cross-centered theology, convictions regarding the Christian life, and circumstances surrounding his dramatic arrest and execution. Part of the Theologians on the Christian Life series.

Radical - David Platt 2010-05-04

New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what

Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Hombre Mito Mesías - Rice Brooks 2016-04-05

¿Existió realmente Jesús? La búsqueda del Jesús histórico sigue siendo noticia de primera plana. Cualquier teoría especulativa parece llamar inmediatamente la atención, mientras continúa el debate sobre su verdadera identidad y las afirmaciones hechas en su nombre. ¿Existió realmente Jesús? ¿Hay evidencia histórica real que demuestra que vivió y de que realmente dijo e hizo las cosas registradas en los Evangelios? ¿Tienen validez las afirmaciones especulativas de que la historia de Jesús es un mito, y de que fue tomada de una variedad de culturas paganas de la antigüedad? En esta secuela del libro *Dios no está muerto* (que inspiró la película homónima), Rice Brooks examina la evidencia del Jesús histórico y expone las ideas de los escépticos que afirman que Jesús fue una figura ficticia de la mitología antigua. También examina la fiabilidad de los registros de los Evangelios, así como la evidencia de la resurrección que valida su identidad como el Mesías prometido. El lanzamiento de *Hombre. Mito. Mesías* coincidirá con la presentación de la secuela de la película *Dios no está muerto*, que cubrirá el mismo tema.

God Is Not Great - Christopher Hitchens 2008-11-19

Christopher Hitchens, described in the *London Observer* as “one of the most prolific, as well as brilliant, journalists of our time” takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

El costo del discipulado - Dietrich Bonhoeffer 2020-08-11

Dietrich Bonhoeffer creó la expresión “gracia barata” como forma de resumir el abuso de la gracia. Él vivió en la Alemania nazi, y lo abrumaba la cobardía con la que reaccionaban los cristianos ante las amenazas de Hitler. Los pastores luteranos predicaban la gracia los domingos desde el púlpito, y después callaban el resto de la semana mientras los nazis continuaban con su política de racismo, eutanasia y genocidio. Este libro, *El costo del discipulado*, es una invitación a reflexionar sobre el llamado a la conversión, al discipulado comprometido y a nuestra disposición a asemejarnos a Cristo.

Los 40 cristianos más influyentes - Daryl Aaron 2014-07-08

Aprenda de los grandes maestros y pensadores de la historia cristiana. La Biblia es el fundamento del cristianismo, pero la manera en que los cristianos piensan y hablan de Dios, de la Biblia, y de la fe, fue forjada por influyentes pensadores desde el siglo I hasta el siglo XX. En esta obra, el Dr. Daryl Aaron narra las poderosas historias de cuarenta de ellos que nos han ayudado a entender mejor lo que hoy creemos, y por qué lo creemos. De una manera brillante, y a veces sorpresiva, el Dr. Aaron explora la vida y sobretodo, las importantes enseñanzas de estos gigantes de la historia de la Iglesia, desde Justino Mártir y Agustín hasta Martín Lutero, Calvino, Dietrich Bonhoeffer, y muchos otros, resaltando la manera en que sus enseñanzas incluyeron en la Iglesia, a veces para bien y otras no tanto. Su fe se fortalecerá a través de este encuentro con aquellos que allanaron el camino para nosotros, incluso arriesgando sus vidas en defensa de las creencias que hoy mantenemos.

The Bible Jesus Read - Philip Yancey 2010-05-18

Philip Yancey has a way of confronting our most cherished—but misguided— notions about the Christian life. In *The Bible Jesus Read*, Yancey challenges the perception that the New Testament is more important than the Old, that the Hebrew Scriptures aren't worth the time they take to read and understand them. Writing as always with keen insight into the human condition and God's provision for it, Yancey

debunks this theory once and for all. Yes, he agrees, the Old Testament can be baffling, boring, and even offensive to the modern reader. But as he personally discovered, the Old Testament is full of rewards for the one who embraces its riches. With his candid, signature style, Yancey unfolds his interactions with the Old Testament from the perspective of his own deeply personal journey. From Moses, the amazing prince of Egypt, to the psalmists' turbulent emotions and the prophets' oddball rantings, Yancey paints a picture of Israel's God--and ours--that fills in the blanks of a solely New Testament vision of the Almighty. As he reconnects for us the strong, sinuous chords that bind the Old and New Testaments, Yancey reclaims the Reformers' deep sense of unity between the two. Most important, he says, reading the Scriptures that Jesus so revered gives believers a profound new understanding of Christ, the Cornerstone of the new covenant. "The more we comprehend the Old Testament," Yancey writes, "the more we comprehend Jesus."

No te vayas en silencio - Mario Murillo 2022-11-15

¿Qué significa "irse en silencio"? Significa cometer el peor error de tu vida. Al irte en silencio, infliges un daño indecible a tus hijos y nietos. Una batalla está siendo librada. Dos reinos están buscando influenciar al mundo natural-- la luz y las tinieblas. No hay término medio. En dependencia de tu participación en la vida, el Cielo o el Infierno avanzarán su agenda en la Tierra. El Espíritu Santo está tratando de mostrarnos lo que está en juego. Él está tratando de crear algo que detenga un mal tan horrible como Hitler. Su voz está clamando, incluyendo a todos, desde pastores reconocidos y multimillonarios cristianos, hasta el creyente común. Él nos está ordenando dejar a un lado las pequeñas disputas y construir un movimiento que pueda destruir el horror sin nombre que estamos enfrentando. Mario Murillo es un autor de bestsellers, bloguero popular y ministro del Evangelio. Como evangelista durante casi 50 años, Murillo ha resistido muchos cambios culturales, pero su mensaje se ha

mantenido firme. En medio de nuestro clima cultural actual, Dios está buscando levantar a un ejército de personas proféticas cuyas voces den forma a la dirección de la Nación. No te vayas en silencio es un grito de guerra profético para que cada lector: Sea encendido con una determinación santa de detener los planes del enemigo. Exponga y derrote la "cultura del despertar" y la "cultura de la cancelación", y gane la guerra contra nuestra libertad. Active la clave para ver señales y maravillas que impacten a su comunidad. Avance la luz del Reino de Dios en las esferas de influencia que está llamado a impactar. ¡Señor, te pido que me permitas usar el resto de mi vida para aterrorizar el corazón del reino del mal! Haz esa oración y conviértela en una petición personal. Si la puedes hacer con fe y sinceridad, entonces estás listo(a) para leer este libro.

Ética - Dietrich Bonhoeffer 2000

A través de los escritos de Bonhoeffer es posible constatar con gran facilidad que la preocupación por lo ético puede detectarse a lo largo y ancho de su pensamiento, tal vez como consecuencia directa de su inagotable «instinto» de interrogación, que le permitía leer con atención y

espíritu crítico su propio presente y la tradición religioso-cultural en la que se encontraba anclado. Esta preocupación es especialmente importante en sus últimos años, tanto es así que algunos biógrafos señalan que la redacción de la «Ética» suponía para el teólogo la misión de su vida. La ética de Bonhoeffer se caracteriza por ser concreta y práctica y por proponerse prioritariamente la reconciliación y la armonía de las tensiones entre Dios y el mundo. En Bonhoeffer, lo ético no puede separarse de lo biográfico y por ello, su obra es una testificación, en medio de los avatares e incertidumbres de su vida cotidiana, de la verdad y de la justicia que son inherentes a la encarnación de Dios en cada momento histórico, por complejo, difícil y preñado de maldad que pueda ser. Según sus editores alemanes, «en la biografía teológico-ecclesial de Bonhoeffer, la «Ética» significa el intento de concretar en una concepción teológica fuertemente asentada en la realidad los conocimientos y experiencias que había adquirido» en los difíciles y crueles años de la guerra.

Let the Nations be Glad - JOHN PIPER 2020-05-21

Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. Dietrich Bonhoeffer: En Medio de la Maldad = Dietrich Bonhoeffer - Janet Benge 2013-04-18

Born into a loving family, Dietrich Bonhoeffer pursued a life as a pastor, teacher, theologian -- and spy. He spoke out about the trouble in Germany when Adolph Hitler came to power, urging the Christian church to rescue

disparaged people groups and resist Hitler's evil empire. Accused of being a troublemaker, Dietrich continued on fearlessly in the midst of wickedness. His work as a spy in the German resistance and participation in a plot to assassinate Hitler led to imprisonment and eventual execution. But the lesson of his life story remains: "Not to speak is to speak. Not to act is to act."

100 Prison Meditations - Richard Wurmbrand 2022-07-20

While imprisoned for 14 years in Communist Romania, Richard Wurmbrand spent more than three years completely alone, isolated from all human contact in solitary confinement. Yet he was not separated from his own thoughts or the companionship of his Creator, and spent those long, lonely months in confinement contemplating the truths of God's Word and composing poems and sermons in his mind. In his book *100 Prison Meditations*, Wurmbrand shares a collection of those contemplations as he examines the Scriptures from the confines of a Communist prison cell.

While his meditations may be challenging and sometimes disturbing, they are the reflections of a man who, deprived of human companionship, remained in intimate communion with God.

Be Committed (Ruth & Esther) - Warren W. Wiersbe 2010-01-01

One was a foreigner and a peasant. The other, a reluctant queen to a man she hardly knew. But their stories have one thing in common: A remarkable faith committed to doing God's will. For both Ruth and Esther, God used stressful circumstances to bring about his eternal purposes. Ruth's commitment to the God of Naomi affected every generation to come, as she became an ancestor of King David and more importantly, Jesus Christ. Esther's obedience led to the preservation of her people at a moment in history when all seemed lost. The stories of Ruth and Esther will make you contemplate: Would I trust God enough to do what they did? Go chapter by chapter through the books of Ruth and Esther to see how the lives of these two remarkable women epitomize the type of faith that glorifies God. As you read, ask yourself: How does God want to use my faithful commitment? Will he use your life to affect the generations to come, or will he use your life to impact the current generation? Either way, author Warren Wiersbe helps you to be prepared and be committed to God's will no matter what the cost.

William Penn - Jane Budge 1885

Fatal Freedom - Thomas Szasz 2002-08-01

Fatal Freedom is an eloquent defense of every individual's right to choose a voluntary death. By maintaining statutes that determine that voluntary death is not legal, Thomas Szasz believes that our society is forfeiting one of its basic freedoms and causing the psychiatric medical establishment to treat individuals in a manner that is disturbingly inhumane. Society's penchant for defining behavior it terms objectionable as a disease has created a psychiatric establishment that exerts far too much influence over how and when we choose to die. In a compelling argument that clearly and intelligently addresses one of the most significant ethical issues of our time, Szasz compares suicide to other practices that historically began as sins, became crimes, and now are seen as mental illnesses.

Brother Andrew - Janet Bengtson 2006-09

"Lord, make seeing eyes blind," Andrew prayed as two border guards emerged from the guardhouse and asked him to step out of his car. One guard opened Andrew's suitcase. As he moved aside some shirts, there in plain view were the gospel tracts. Andrew's palms grew clammy. A person carrying such material would be arrested on the spot. When he became God's smuggler, Brother Andrew was already familiar with risk. As a boy, the intrepid Andrew van der Bijl joined the Dutch Resistance against the Nazi occupation. As a young man, he fought eagerly in the Dutch East Indies - until the horror of war turned the adventure seeker to a life of

alcohol and desperation. Redeemed by God, the Dutchman became a daring messenger of hope, smuggling Scripture through closed borders and equipping persecuted Christians behind the Iron Curtain. Today Brother Andrew and the ministry of Open Doors continue to shine the light of Christ in the world's darkest places.
