The Heart Sutra Explained - Donald S. Lopez 1988-01-01

Renowned for its terse declaration of the perfection of wisdom, the Heart Sutra is the most famous of Buddhist scriptures. The author draws on previously unexamined commentaries, preserved only in Tibetan, to investigate the meanings derived from and invested into the sutra during the later period of Indian Buddhism. The Heart Sutra Explained offers new insights on "form is emptiness, emptiness is form," on the mantra "gate gate paragate parasamgate bodhi svaha," and on the synthesis of

Madhyamika, Yogacara, and tantric thought that characterized the final period of Buddhism in India. It also includes complete translations of two nineteenth century Tibetan commentaries demonstrating the selective appropriation of Indian sources.

quite a businessman. Terrains of Consciousness - Zeno Ackermann 2021-10-01

TERRAINS OF CONSCIOUSNESS emerges from an Indian-German-Swiss research collaboration. The book makes a case for a phenomenology of globalization that pays attention to locally situated socioeconomic terrains, everyday practices, and cultures of knowledge. This is exemplified in relation to three topics: - the tension between 'terrain' and 'territory' in Defoe's 'Robinson

Crusoe' as a pioneering work of the globalist mentality (chapter 1) - the relationship between established conceptions of feminism and the concrete struggles of women in India since the 19th century (chapter 2) - the exploration of urban space and urban life in writings on India's capital - from Ahmed Ali to Arundhati Roy (chapter 3).

The Story of a Widow - Musharraf Ali Farooqi 2009-08-04

"One day when she looked at the portrait, she considered how blessed she had been in life. She contemplated her good fortune in finding an upright man like Akbar Ahmad as her life partner and felt grateful for his bounteous legacy, which released her from all financial cares. Akbar Ahmad looked back at her, his face cast in an expression

of long suffering. Mona's eyes welled up with tears."—from *The Story of a Widow* After the death of her husband Akbar Ahmad, Mona finds herself settling ambivalently into a new life. But the calm rhythm of her days—gardening, cooking, time with her neighbours and family in Karachi—is upset by the appearance of Salamat Ali, the new tenant in her friend Mrs. Baig's house. Vivacious, friendly, and at times almost impertinent, Salamat Ali is both a breath of fresh air and a disconcerting new presence in Mona's life, and their awkward meetings always seem to end in embarrassment or misunderstanding. When Salamat Ali, encouraged by Mrs. Baig, presents Mona with a marriage proposal, she is forced to consider what kind of future she wishes to

make for herself—and what her past with Akbar Ahmad really means. The possibility of Mona marrying Salamat Ali shocks her grown daughters Tanya and Amber, and scandalizes her extended family, according to whom Mona's happiness comes second to what people say about widows who remarry. As Mona negotiates the complex web of tradition-bound in-laws and gossiping, interfering relatives, she finds Salamat Ali waking her to the pleasures of life that thirty years with her dour first husband all but smothered. But if Salamat Ali helps her discover something essential, he also exposes her to new risks, and new dangers. *The Story of a Widow* is a beautifully observant novel, one that pays careful attention to the delicate movements of the heart in romantic and family life. But it is

equally concerned with the mores of a society in which traditional roles both support and constrain men and—particularly—women. Gently humorous and profoundly perceptive, *The Story of a Widow* is the moving tale of a woman's discovery of her voice, and herself.

Long May She Reign - Rhiannon Thomas
2017-02-21

The Girl of Fire and Thorns meets *The Queen of the Tearling* in this thrilling fantasy standalone about one girl's unexpected rise to power. Freya was never meant to be queen. Twenty-third in line to the throne, she never dreamed of a life in the palace, and would much rather research in her laboratory than participate in the intrigues of the court. However, when an extravagant banquet turns deadly and the king and

those closest to him are poisoned, Freya suddenly finds herself on the throne. She may have escaped the massacre, but she is far from safe. The nobles don't respect her, her councillors want to control her, and with the mystery of who killed the king still unsolved, she knows that a single mistake could cost her the kingdom—and her life. Freya is determined to survive, and that means uncovering the murderers herself. Until then, she can't trust anyone. Not her advisers. Not the king's dashing and enigmatic illegitimate son. Not even her own father, who always wanted the best for her but also wanted more power for himself. As Freya's enemies close in and her loyalties are tested, she must decide if she is ready to rule and, if so, how far she is willing to go to keep

the crown.

River of Fire - Qurratulain Hyder
2019-03-26

“Magisterial” (Pankaj Mishra, The New York Review of Books) and “to Urdu fiction what One Hundred Years of Solitude is to Hispanic literature” (TLS) The most important novel of twentieth-century Urdu fiction, Qurratulain Hyder’s River of Fire encompasses the fates of four recurring characters over two and a half millennia. These characters

become crisscrossed and strangely inseparable over different eras, forming and reforming their relationships in romance and war, in possession and dispossession. River of Fire interweaves parables, legends, dreams, diaries, and letters, forming a rich tapestry of history and human emotions and redefining Indian identity. But above all, it’s a unique pleasure to read Hyder’s singular prose style:

“Lyrical and witty, occasionally idiosyncratic, it is always alluring and allusive: Flora Annie Steel and E. M. Forster encounter classical Urdu poets; Eliot and Virginia Woolf meet Faiz Ahmed Faiz” (The Times Literary Supplement).

The Wish Maker - Ali Sethi 2009-06-11
A brilliant, enthralling debut novel about a fatherless boy growing up in a family of outspoken women in contemporary Pakistan, *The Wish Maker* is also a tale of sacrifice, betrayal, and indestructible friendship. Zaki Shirazi and his female cousin Samar Api were raised to consider themselves "part of the same litter." In a household run by Zaki's crusading political journalist mother and iron-willed grandmother, it was impossible to imagine a future that could hold anything different for each of them. But when adolescence approaches, the cousins' fates diverge, and Zaki is forced to question the meaning of family, selfhood, and commitment to those he loves most. Chronicling world-changing events that have never been

so intimately observed in fiction, and brimming with unmistakable warmth and humor, *The Wish Maker* is the powerful account of a family and an era, a story that shows how, even in the most rapidly shifting circumstances, there are bonds that survive the tugs of convention, time, and history.

The Weary Generations - Abdullah Hussein 2014-10-01

Published ahead of Paul Scott's *Raj Quartet* and long before *Midnight's Children*, Abdullah Hussein's ambitious saga of social struggle *The Weary Generations* was a bestseller in Urdu. Published in 1963 and now beyond its 40th edition, it has never been out of print. A vivid depiction of the widespread disillusionment and seismic upheavals of the Partition era that lead to the creation of

Pakistan and Bangladesh, there has never been a more opportune time to discover one of the most important writings about the post-colonial trauma in the region. Naim, son of a peasant, marries Azra, the daughter of a rich landowner. Fighting for the British during World War I he loses an arm. Invalided home, he becomes angered at the subjugation of his countrymen under the Raj and aligns himself with the opposition. His ideals are swept away after Independence in 1947 when he realizes that, as Muslims, his family is no longer safe in their Indian home and that they must migrate to the newly created Pakistan. Regarded as one of the half-dozen most influential novels dealing with Partition or post-colonial malaise, this is an immensely powerful novel in its own

right and is essential reading for English language readers seeking to comprehend the historical origins of the tensions in the Indian subcontinent.

Forging the Ideal Educated Girl - Shenila Khoja-Moolji 2018-06-01
A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program for monographs. Visit www.luminosoa.org to learn more. In Forging the Ideal Educated Girl, Shenila Khoja-Moolji traces the figure of the 'educated girl' to examine the evolving politics of

educational reform and development campaigns in colonial India and Pakistan. She challenges the prevailing common sense associated with calls for women's and girls' education and argues that such advocacy is not simply about access to education but, more crucially, concerned with producing ideal Muslim woman-/girl-subjects with specific relationships to the patriarchal family, paid work, Islam, and the nation-state. Thus, discourses on girls'/ women's education are sites for the construction of not only gender but also class relations, religion, and the nation.

Faith and Feminism in Pakistan -

Afiya S. Zia 2019-06

Many commentators critique "the secular" and "Western feminism," and the racializing backlash that accompanied the occupation of Muslim countries during the "War on Terror" military campaign launched by the U.S. government. Implicit in many of these critical works is the suggestion that it is Western secular feminism that is the motivating driver and permanent collaborator that sustains the West's actual and metaphorical "war on Islam and Muslims." Faith and Feminism addresses this post-9/11 critical trope and its implications for women's movements in Muslim contexts.

This book is essential reading for those interested in understanding the limits of Muslim women's piety and the potential in their pursuit for secular autonomy and liberal freedoms.

Scaling Impact - Robert McLean

2019-05-14

Scaling Impact introduces a new and practical approach to scaling the positive impacts of research and innovation. Inspired by leading scientific and entrepreneurial innovators from across Africa, Asia, the Caribbean, Latin America, and the Middle East, this book presents a synthesis of unrivalled diversity and grounded ingenuity. The result is a different perspective on how to achieve impact that matters, and an important challenge to the predominant more-is-better paradigm.

of scaling. For organisations and individuals working to change the world for the better, scaling impact is a common goal and a well-founded aim. The world is changing rapidly, and seemingly intractable problems like environmental degradation or accelerating inequality press us to do better for each other and our environment as a global community. Challenges like these appear to demand a significant scale of action, and here the authors argue that a more creative and critical approach to scaling is both possible and essential. To encourage uptake and co-development, the authors present actionable principles that can help organisations and innovators design, manage, and evaluate scaling strategies. Scaling Impact is essential reading for development and

innovation practitioners and professionals, but also for researchers, students, evaluators, and policymakers with a desire to spark meaningful change.

2013-06-26

Acclaimed as one of the greatest novels of the last century, Vikram Seth's A Suitable Boy remains, twenty years after publication, one of the most entrancing and spellbinding works of fiction yet written. A love story as well as the tale of a country awakening from long years of

colonial rule, it tells of Lata, and of her mother's exacting attempts to find her the perfect husband. It also recounts India's troubles shaping its own destiny as the country marches towards its first great General Election. It is a story that readers the world over can neither put down nor ever forget. 'Fiction on a grand scale. By the time you reach the last page you will have absorbed a splendid story, full of the tangle and perfume of India.' Sunday Telegraph 'Vivid, evocative and beautifully written.' Literary Review 'No one, surely, could wish this novel shorter. The greatness of the novel, its unassailable truthfulness, owes less to research than to imagination, an instinctive knowledge of the human heart.' Observer 'This novel, so vast and so amiably

peopled, is a long, sweet, sleepless pilgrimage to life.' Guardian 'A phenomenon, a prodigy, a marvel of nineteenth-century style storytelling.' Evening Standard 'Seth is the best writer of his generation.' The Times
