Wicca Divination Tools - Dayanara Blue Star
Pagans and witches have often been credited with possessing special powers as well as being able to see the unseen. This is simply a result of their ability to communicate with “Spirit Twins” or “Spirit Guides” to obtain answers to the questions they seek. In this book, some tools and the various methods employed to achieve these results will be considered. As this section grows, some of the different forms employed by witches for the purpose of divination will also be discussed. So, read on to learn about some divination tools that are commonly used in the practice of Wicca and other Neopagan, earth-based religions.

[The Runes Box](#) - Lona Eversden 2021-03-02
Discover the power of ancient Nordic runes with

this beautifully presented book and deck. According to Norse mythology, Odin, the chief of the gods, hung himself in self-sacrifice from the world tree Yggdrasil for nine days and nights in order to receive cosmic wisdom. This was granted to him in the form of the runes. The runes make up an alphabet that, with local variations, was used across most of northern Europe from pre-Christian times until the thirteenth century. The word rune is derived from *rúna*, an ancient Germanic word meaning whisper or mystery. The Runes Box explains the meanings of the runes and the Norse mythology that underpins their basic concepts. Enclosed in a handy hardcover case so that the wisdom of the runes can be carried with you at all times, you'll find: A 96-page booklet that explains the history of runes and how to use them 36 carry-size cards with information on the 24 runes and their

meanings, plus some essential runic blessings and wishes The straight, angular lines of the runes are ideal for carving into bone, wood, or stone, or forming with twigs. Different methods for making runestones are described with instructions on how to use them for divinatory and magical purposes, from making talismans to petitioning the Norse gods. Approach the runes with a benevolent instinct, an open heart, and an honest spirit, and truths will be revealed to you.

The Practical Guide To Using Ancient Runes For Modern Divination -
Dayanara Blue Star
2015-02-15

Runes are an ancient method of divination that still remain popular and useful today. Many people find them intriguing, because of their unique history and specific means

of divination. Unlike fortune telling, runes are used to delve into a person's subconscious, and explore their true desires. They can be a wonderful aid in meditational practice, gaining self-awareness, or just getting some more perspective on various situations in your life. To people unfamiliar with divination tools, it may seem like some kind of spooky magic trick, witchcraft or even something demonic. None of those descriptions are accurate, and actually, runes encourage a person to explore their own mind and gain self-introspection. Initially part of an ancient Germanic alphabet, Runes have existed for hundreds of years. Versions of runes have been found in many different cultures all across the world, with stones created in a multitude of alphabets and designs. Simply put, runes are an old relic that has survived the test of time and is still proven useful today. The

stones are a simple oracle which one can use to stimulate the thinking process. When the stones are cast, they aren't always entirely specific, meaning it is up to you to consider what they are telling you and how it relates to what you were asking. This often opens that pathway for critical thinking, solving problems and reducing stress.

Divination Conjure Style - Starr Casas 2019-11

A delightful in-depth guide to the divination practices of conjure from the beloved author of Old Style Conjure and other books In Divination Conjure Style Starr Casas shares the secrets of conjure-style divination that she learned at home and that, until very recently, were family secrets that were only transmitted orally. Traditional conjure is the domain of the poor and disenfranchised, living in regions that were (and remain) unfriendly to esotericism and the occult. Thus, conjure divination relies on inexpensive tools that are not exclusively magical: playing cards, rather than tarot cards, or scrying with blue water instead of a crystal ball. The primary focus of Divination Conjure Style is playing-card divination, but other methods covered include bibliomancy, pyromancy,

pendulums, and throwing the bones. Starr discusses the history of these methods and also offers practical information so that the reader can master these techniques for themselves. Josef Bailey, a young New Orleans artist, has created illustrations of conjure-style playing cards to Starr's specifications.

Reading the Leaves shows you how to:

- brew a cup of tea for divination purposes
- interpret more than 200 time-tested symbols that are most likely to show up, such as hearts and anchors, and what their size, location, and

relationship to other shapes mean

- set an intention
- create a regular tea ritual
- keep a tea leaf reading journal
- do a reading for family and friends
- make their favorite tea time recipes
- respond when a "bad" symbol shows up

You already possess the tools, and with Sandra and Leanne's guidance, the true journey of self-discovery can begin. You don't have to be a witch to find your inner magic.

Tarot for Beginners: A Guide to Psychic Tarot Reading, Real Tarot Card Meanings, and Simple

Tarot Spreads - Lisa Chamberlain 2019-11-27

Everything You Need to Know to Begin Reading Tarot Cards For centuries, Tarot cards have been consulted for divination by those seeking answers from the unseen realms. The Tarot has been credited with illuminating solutions to major dilemmas, and even helping people avoid future misfortunes. The Tarot

experience can indeed be empowering, bringing clarity to confusing situations and showing us that we have the ability to shape our future based on the choices we make in the present. Far more than mere "fortune telling," the Tarot is a tool for meditation and reflection, for seeing new angles that give way to broader perspectives about how we approach our lives. In this 2nd edition of *Tarot for Beginners*, best-selling author Lisa Chamberlain opens the door for newcomers to the Tarot in her trademark clear and straightforward manner. She dispels old myths and misconceptions about the Tarot, providing an objective look at its origins and its divinatory potential for 21st-century readers. Tailored especially for those who want to read the cards for themselves, this guide offers strategies for getting familiar with each card, a step-by-step breakdown of the process of a reading,

options for tailoring the approach to suit your unique style, and advice for getting the most out of reading the cards for yourself. Most guides to the Tarot are centered on a specific deck, such as the Waite-Smith, the Tarot of Marseille, or other decks ranging from the well-known to the rather obscure. While these books can be useful and informative, their card interpretations are largely restricted to the particular deck they focus on. *Tarot for Beginners* takes a different approach, offering basic card meanings that can be applied to any deck, and used in tandem with any descriptions that accompany the deck you've chosen to work with. So no matter which Tarot deck you use, the information in this guide is relevant, providing a solid starting point for a skill you can carry with you for a lifetime. *Foundations in the Art of Divination Tarot* can be thought of as a kind of language through which we

can hear and understand divine messages. This communication comes through the individual cards and through the symbolic system of the deck as a whole. Tarot for Beginners sets you up to learn this language with a thorough grounding in the key concepts surrounding the Tarot, including: The origins and evolution of the Tarot as a divinatory art A comprehensive overview of the Major, Minor, and Court Arcana Tips for choosing your first deck and getting acquainted with your cards Beginner tips and exercises for interpreting the cards Instructions for the basic 3-card spread and the 10-card Celtic Cross, two of the most widely-used spreads in contemporary Tarot A step-by-step process for conducting Tarot readings Advice on reading the cards for yourself Core meanings of each card in the standard Tarot deck The art of Tarot takes time and experience to master, and your

willingness to study the cards, practice reading, and hone your intuition will be key to your development as a Tarot reader. Let Tarot for Beginners put you on solid footing for your Tarot journey! Runes for Beginners - Lisa

Chamberlain (Witch)

2018-05-23

Everything You Need to

Know to Begin Working With

Runes The enigmatic nature

of the runes is undeniable.

In fact, the English word

"rune" comes to us from the

Norse word runa, which

means "a secret," or "to

whisper." As symbols, the

runes mean little to the

untrained eye, yet the

magical energies they

activate can be used for

positive, impactful change in

your everyday life. But what

are runes, exactly? On the

surface level, runes are the

characters in a writing

system used by the ancient

Germanic peoples of Europe.

But unlike our modern

letters, the runic symbols

had been used for magical

purposes long before they

were fashioned into an

alphabet. This is known from

runic inscriptions found on

ancient artifacts as well as

Germanic myth and lore

handed down over the

centuries. Indeed, those who

work with the runes today

are taking part in an age-old
magical tradition established

by our Northern European

pagan ancestors. In *Runes*

for Beginners, best-selling

author Lisa Chamberlain

shines the light on these

ancient symbols, showing

you how to discover and

utilize their unique magical

energies. With both an eye

toward tradition and a

multicultural spirit, Lisa

combines an appreciation

for the Germanic roots of

the runes with a more

eclectic Neopagan

approach. Unlike many

other books on the topic,

Runes for Beginners is

completely accessible to

those with no experience in

Northern European magical

traditions, yet it doesn't

ignore those traditions

altogether. You will emerge

from this guide with a basic

understanding of the runes'

role in ancient Germanic

paganism, as well as a solid

foundation of knowledge to

build your own runic

practice, regardless of your

religious or spiritual path.

Foundations in Runic Magic and Divination The runes represent various aspects of the human experience of the Universe-both tangible and intangible. Each runic symbol embodies a natural force, or type of energy, which the rune worker can attune to and then manipulate in various ways. Runes can be sent out into the Universe to manifest a magical goal, or they can be used to consult with the unseen realms about a situation at hand. In *Runes for Beginners*, you'll learn all you need to know to start working with runes, including: The history of the runes and their role within the framework of the Germanic magical worldview The origins of runic wisdom in Norse mythology An overview of the Elder Futhark, the oldest-known runic alphabet and most widely used rune system in contemporary Neopaganism Basic techniques of rune magic, including rune scripts, bind runes, and

creating runic talismans How to make your own runes Instructions for traditional rune-casting as well as contemporary rune spreads Tips for successful divination The divinatory meanings and magical uses of each rune in the Elder Futhark A suggested reading list for further exploring the runes and the magical and spiritual traditions of the ancient Germanic peoples Detailed tables of correspondence for a handy condensed magical and divinatory guide By the end of this guide, you will have a working knowledge of the runes that will enable you to use them with confidence in magic and divination. However, when it comes to truly mastering the runes, the importance of time and practice can't be emphasized enough. Indeed, working with runes can truly become a lifelong journey, but *Runes for Beginners* is an excellent first step along the way. If you're ready to start exploring the runes for

Everything You Need to Know to Interpret, Read and Cast Rune Stones Runes are enigmatic by nature. This is because the word rune itself originates from the Old Norse word runa, which means "secret" and comes likely from either the Proto-Germanic "runo", which means "secret" or "whisper". Since they are ancient symbols, the runes mean little to the untrained eye.

But with practice and a little experience with them, you can activate their magical energies to create positive, impactful change in your life. Even so, what are runes exactly? Runes were considered magical symbols used by spirits to communicate with humanity. Not only are runes considered a writing system, but they are engraved stones used to perform magical spells, cast divination, and even add power to conventional writing. The runic alphabet is referred to as the Futhark and consists of 24 symbols. Runic inscriptions are found all over the world, but especially in Northern Europe. The runic alphabet is broken down into three groups: The Younger Futhark (16 symbols), the Elder Futhark (24 symbols) and the Anglo-Saxon Futhark (between 26 and 33 symbols). The knowledge of runes has been passed down through the centuries, and it is an important form

of divination for modern pagans. In *Runes for Beginners*, best-selling author Melissa Gomes explores the history and mythology of the runes, as well as their day-to-day uses in divination, magic, and witchcraft. *Runes for Beginners* is completely accessible to those with no experience in Norse mythology, heathenry or paganism. It is written with an eye toward those starting on their journey into the Viking spirit. Melissa provides a basic introduction to runes and their lore, and she explains how to get in touch with them through the senses. You will emerge from this guide with a solid understanding of the Nordic runes' role in heathenry and with a firm foundation of knowledge to build your own runic practice, regardless of your religious or spiritual pagan path. The rune symbols are central to Nordic pagans' magical systems and can be used in various ways depending

upon the tradition and your intent. Each runic symbol represents a specific type of energy, and these energies can be used to achieve a multitude of goals, spanning from protection to fertility, wisdom, or love. Runes can be used as divination tools in the ordinary sense that we use tarot cards today, or in a magical sense to interpret fate. In *Runes for Beginners*, you'll learn how to use runes for divination, magic, and witchcraft, including:

- History of runes and their role in Norse Magic
- The origins of rune wisdom in Norse Mythology
- An overview of the Elder Futhark runes, including their names and magical uses
- Elder Futhark rune meanings for both divination and spellwork
- Tips for successful divination
- Rituals for casting the runes
- Traditional and contemporary rune spreads

After reading the book, you will be able to look at the runes and interpret their meanings. You will also have

a working knowledge of how to use them in magic for various purposes such as divination, healing, and more. Mastering runes can be a lifelong journey, but this book will get you started on the right path. 3 Bonuses are included in the book as well, so go check them out!
