My Miserable Life As an Asian Boy Growing Up in America - Ling Anderson 2018-06-04

Humiliation, forced feminization, forced homosexuality, castration, brainwashing, slavery, solitary confinement, despair I have been born into a prison, and my body is my prison. I was never allowed to be the real me, and this life is a mere transient state to which I could never call home, and all my life I have been waiting, waiting to escape, to return home, to a world that is mine. This entire existence is my prison. I cannot think. I cannot move. I must endure silently. I still remember the times I saw my mother being fucked by my step dad and I had to look away, in disgust, in horror, and in envy. Even though I turned away, I would jealously leer at them, fighting back tears of unfulfilled desire. How much I wish it was to me that my step dad would show the same affection. The sight of my mother being filled to the brim with his powerful white cock made me tingle, and, ever since I could remember, I resented my little asian peepee. I wished I was an Asian girl so I could be fucked by my white step dad too, but he simply refused to touch me. He would complement me on how feminine I was, how little I was, how much he loved the fact that asian boys are basically interchangeable with girls, and how often he jokingly referred to me as a girl, but he never actually treated me like the girl I am. He never loved me the way he loved mommy. I hated him. Yet I loved him and looked up to him, and even worshipped him. And as long as I can remember, I have always wished that I could find a white man just like my white step dad, but unlike my step dad, my white man will castrate me, keep me as a girl for the rest of my life. I want to be fucked in the same way my white step dad fucked my asian mother.

The Nyctalope on Mars - Jean De La Hire 2008-06-01

Leo Saint-Clair, alias the Nyctalope, was created in 1911 by Jean de La Hire, one of France's most prolific serial writers. Gifted with night vision, hypnotic powers and an artificial heart, Saint-Clair is a fearless hero who battles colorful super-villains. His adventures, which spanned 30 years, created a template that was later adopted by such pulp heroes as Doc Savage (1933), before providing the core mythology of American comic books. In *The Nyctalope on Mars* (1911), Leo faces the megalomaniacal Oxus, master of the secret society of the Fifteen, who is plotting to conquer Earth from his secret base on Mars. After defeating the Fifteen, the Nyctalope must then face an ever more fearsome foe: H. G. Wells' Martians. "The Nyctalope

on Mars predicted the course that popular fiction was to follow in the next 50 years." Brian Stableford. *Overcoming School Refusal* - Joanne Garfi 2018-01-31

The Romance of Lust: A Classic Victorian Erotic Novel - Anonymous 2020-09-28

Julia Enslaved - Victor Bruno 1978

Sweeter Gwen - J. W. Stanton 2018-03-22

Eric Stanton's personal favorite comic caper was also a loving (if crackpot) homage to John Willie's legendary damsel-in-distress creation, *Sweet Gwendoline*. Stanton delivers a *Mad* magazine-like

sendup of Willie's original, complete with Will Elder-like funny business. And yet even with all this slapstick, Stanton's female leads, including the imperious Countess, the pliant Gaga and the innocent Gwen, are as gorgeous as any he's ever drawn, and the fetish wear, bondage play, and femme-on-femme fights are as rousing as ever. Stanton's pencils were inked by Steve Ditko, who also contributed some original art, while the two toyed with the creation of Spider-Man in the spring of 1962. This special edition was reconstructed from archival material, correcting earlier printings and designed to display the risqué humor of Stanton's art. Learn more (copy & paste):
