The Ingenious Gentleman Don Quixote of La Mancha (illustrated) - de Cervantes, Miguel

2015-04-24

Don Quixote, fully titled The Ingenious Gentleman Don Quixote of La Mancha (Spanish: El ingenioso hidalgo don Quijote de la Mancha), is a Spanish novel by Miguel de Cervantes Saavedra. It follows the adventures of Alonso Quijano, an hidalgo who reads so many chivalric novels that he decides to set out to revive chivalry, under the name Don Quixote. He recruits a simple farmer, Sancho Panza, as his squire, who often employs a unique, earthy wit in dealing with Don Quixote's rhetorical orations on antiquated knighthood. Don Quixote is met by the world as it is, initiating such themes as intertextuality, realism, metatheatre, and literary representation.

Don Quixote Illustrated - Migue D Cervantes 2021-04-29

"The Ingenious Gentleman Don Quixote of is a Spanish novel by Miguel de Cervantes. Published in two parts, in 1605 and 1615, Don Quixote is the most influential work of literature from the Spanish Golden Age and the entire Spanish literary canon. A founding work of Western literature, it is often labeled "the first modern novel and is sometimes considered the best literary work ever written. The plot revolves around the adventures of a noble from La Mancha named Alonso Quixano, who reads so many chivalric romances that he loses his mind and decides to become a knight errant (caballero andante) to revive chivalry and serve his nation, under the name Don Quixote de la Mancha. He recruits a simple farmer, Sancho Panza, as his squire, who often employs a unique, earthy wit in dealing with Don Quixote's rhetorical monologues on knighthood, already considered old-fashioned at the time. Don Quixote, in the first part of the book, does not see the world for what it is and prefers to imagine that he is living out a knightly story."

Reality and illusion merge as besotted Don
Quixote and his down-to-earth companion
Sancho Panza set out to right the world's
wrongs.

Don Quixote as Children's Literature - Velma
Bourgeois Richmond 2018-06-09

Cervantes is regarded as the author of the first
novel and the inventor of fiction. From its
publication in 1605, Don Quixote—recently
named the world’s best book by authors from 54
countries—has been widely translated and
imitated. Among its less acknowledged
imitations are stories in children’s literature. In
context of English adaptation and critical
response this book explores the noble and “mad”
adventures retold for children by distinguished
writers and artists in Edwardian books,
collections, home libraries, schoolbooks and
picture books. More recent adaptations
including comics and graphic novels deviate
from traditional retellings. All speak to the
knight-errant’s lasting influence and appeal to
children.

Don Quixote of the Mancha - Miguel de
Cervantes Saavedra 1998-12

The story of the Spanish knight Don Quixote
whose devotion to the tales of chivalry leads him
into a series of bizarre adventures in the
company of his faithful squire, Sancho Panza,
blends fantasy, comedy and gripping narrative in
a way that has appealed to children ever since it
was first published. All the wisdom and humour
of Cervantes' great seventeenth-century classic
are to be found in Parry's very readable modern
abridgement, enhanced by the delightful
illustrations of Walter Crane, one of the greatest
of all English children's book illustrators.

Don Quixote of the Mancha - Miguel de
Cervantes 2014-10-01

The story of the Spanish knight whose devotion
to tales of chivalry leads him and his faithful
squire, Sancho Panza, into a series of bizarre
adventures blends fantasy, comedy, and drama
in a way that has gripped the world's
imagination for centuries. This edition has been
abridged and adapted for children, and
enhanced by the delightful illustrations of Walter
Crane.

Don Quixote - Miguel de Cervantes 1991-10-15
Our ceaseless human quest for something larger
than ourselves has never been represented with
more insight and love than in this story of Don
Quixote—pursuing his vision of glory in a
mercantile age—and his shrewd, skeptical
manservant, Sancho Panza. As they set out to
right the world’s wrongs in knightly combat, the
narrative moves from philosophical speculation
to broad comedy, taking in pastoral, farce, and
fantasy on the way. The first and still the
greatest of all European novels, Don Quixote has
been as important for the modern world as the
poems of Homer were for the ancients.

Eight Interludes - Miguel De Cercantes 1996
Best known and loved for DON QUIXOTE,the

ground-breaking comic precursor of the modern novel, Cervantes led an extraordinary life every bit as colourful as his works. Born the son of a poor medical practitioner, maimed by gunshot as a soldier, held to ransom by Algerian corsairs, and eventually drifting into a literary career, Cervantes could draw upon a range of experience with which to spice up his writings. Written as diversionary pieces to be performed between the main acts of a play, Cervantes's eight interludes included in this anthology are comic gems in their own right. As a genre, 'interludes' were generally disliked by the authorities because of their subversive potential, and those by Cervantes are no exception. Crude, rude, robust and anarchically refreshing, EIGHT INTERLUDES reveals that even as a playwright Cervantes was ahead of his times.

A Printing History of Everyman's Library 1906-1982 - Terry Seymour 2011

The total number of Everyman's Library volumes that still survive somewhere in the world exceeds 70 million. Since the inception of the Library in 1906, nearly 1200 unique volumes have been published, constantly placing the world's greatest books before a large public. A few of these titles proved unpopular and were never reprinted. But most were reprinted dozens of times, packaged in numerous ways, and benefited from updated editorial work and book design over the last century. Terry Seymour has studied and researched every aspect of this great mass of books. He now captures and distills this knowledge in A Printing History of Everyman's Library 1906-1982. A critical feature, of course, is to update the various collecting factoids that have emerged since 2005 when his Guide to Collecting Everyman's Library

was published. The meat of the new book, however, is the Bibliographical Entries section. Each volume that has ever been printed receives its own entry, detailing every printing, each dust jacket variation, any new introductions, updated scarcity numbers, and all relevant notes. Typically an entry contains at least six lines of information, but often much more. In essence, each entry is a story written exclusively about each volume. Armed with this resource, collectors and booksellers can know reliably everything about the Everyman's Library volume that sits on their shelf or is ready to be purchased or sold. They will see how a book fits into the total printing history of that title, and be able to describe and value the book with precision. To further enhance the value of this book, color images illustrate all of the key collecting points. An extensive index of editors, translators and artists is now included. Not just a solo effort, the Printing History has been vetted by other expert collectors, ensuring greater accuracy and comprehensiveness.
