Playing It My Way -
Sachin Tendulkar
2014-11-06
The greatest run-scorer

in the history of
cricket, Sachin
Tendulkar retired in
2013 after an
astonishing 24 years at
the top. The most

celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many

expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family

and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

Entertainment-Education Behind the Scenes -

Lauren B. Frank 2021

This Open Access book tracks the latest trends in the theory, research, and practice of entertainment-education, the field of communication that

incorporates social change messaging into entertaining media.

Sometimes called edutainment, social impact television, narrative persuasion, or cultural strategy, this approach to social and behavior change

communication offers new opportunities including transmedia and digital formats. However, making media can be a chaotic process. The realities of working in the field and the rigid structures of scholarly evaluation often act as barriers to honest accounts of entertainment-education practice. In this collection of essays, experienced practitioners offer

unique insight into how entertainment-education works and present a balanced view of its potential pitfalls. This book gives readers an opportunity to learn from the successes and mistakes of the experts, taking a behind-the-scenes look at the business of making entertainment-education media.

Unfinished - Priyanka Chopra Jonas 2021-02-09
NEW YORK TIMES
BESTSELLER • In this thoughtful and revealing memoir, readers will accompany one of the world's most recognizable women on her journey of self-

discovery. "I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone." A remarkable life story rooted in two different worlds, *Unfinished* offers insights into Priyanka Chopra Jonas's childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career. Whether reflecting on her nomadic early years or the challenges she has faced as she has doggedly pursued her

calling, Priyanka shares her challenges and triumphs with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador, from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra Jonas's story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams.

The Forest of Enchantments - Chitra Banerjee Divakaruni
2019-01-07

'One of the most strikingly lyrical voices writing about the lives of Indian women' - Amitav Ghosh
'Chitra Banerjee Divakaruni turns the Ramayana around by telling it in

the voice of Sita ...
this inversion is a gift
- it presents us with
a way to know an already
well-known story better
and to love an already
beloved story more' --
Arshia Sattar 'This
inspired evocation of
the goddess Sita is an
epic song of strength
and solidarity told with
joy and intensity. It
brings to life the
personalities and
predicaments of the
Ramayana' -- Namita
Gokhale 'Among the many,
many Ramayanas there are
now even - thankfully -
some "Sitayanas", but I
know of none with the
special magic that
Chitra Divakaruni ...
brings to the telling' -
- Philip Lutgendorf
'Chitra Banerjee
Divakaruni's Sita ... is
an epitome of courage
and self-respect,
showing a path for all
women. While weaving a
familiar story, Chitra
provides deep and

surprising insights' --
Volga 'An incomparable
storyteller' -- Denver
Post 'Divakaruni's
stories are
irresistible' -- The New
York Times Book Review
'Divakaruni's
storytelling talents put
her right up there with
the best' -- Miami
Herald 'In recasting the
Ramayan as a love story
Divakaruni accords Sita
parity with Ram,
revealing her innate
strength. By giving
primacy to her thoughts
and feelings this also
becomes the private tale
of Shri and Shrimati
Ramchandra Raghuvanshi,
two wonderful people who
loved each other but who
broke up. To readers
well-acquainted with
that tragedy of modern
times, the failed
marriage, it will
appeal. The ending,
however, surpasses all
expectations.' -- The
Sunday Standard 'The
success of both The

Palace Of Illusions and The Forest Of Enchantments hinges acutely on the skill with which Divakaruni deploys the narratorial voice.' -- Mint 'The Forest of Enchantments is one of the simplest and most beautiful retellings of Sage Valmiki's epic.' -- Jetwings 'Chitra Banerjee Divakaruni does justice to the women of Ramayana ... The Forest of Enchantments is not just a retelling of a much-told epic, rather it is a book that tells it like it is - balanced and non-judgmental.' -- Huffpost 'A work ... of pluralities and possibilities ... This is the Sitayan we will give to our daughters, that they may imbibe Sita's strength, and even more proudly to our sons, who will learn how a woman is to be treated' -- The Wire 'Banerjee is markedly

feminist ... Her spin on the most pivotal moment of Sita's life, the agnipariksha episode, is a moment of feminist brilliance. Her Sita answers all the questions we would have had when listening to the Ramayana while leaving us with plenty of food for thought.' -- The New Indian Express 'Divakaruni's retelling reminds her readers that the Ramayana, besides being a morality tale, is a love story at its heart' -- Huffpost 'Divakaruni and her women characters are a formidable pair' -- The Wire The Ramayana, one of the world's greatest epics, is also a tragic love story. In this brilliant retelling, Chitra Banerjee Divakaruni places Sita at the centre of the novel: this is Sita's version. The Forest of Enchantments is also a very human story of some

of the other women in the epic, often misunderstood and relegated to the margins: Kaikeyi, Surpanakha, Mandodari. A powerful comment on duty, betrayal, infidelity and honour, it is also about women's struggle to retain autonomy in a world that privileges men, as Chitra transforms an ancient story into a gripping, contemporary battle of wills. While the Ramayana resonates even today, she makes it more relevant than ever, in the underlying questions in the novel: How should women be treated by their loved ones? What are their rights in a relationship? When does a woman need to stand up and say, 'Enough!'

America Calling - Rajika Bhandari 2021-09-14
Growing up in middle-

class India, Rajika Bhandari has seen generations of her family look westward, where an American education means status and success. But she resists the lure of America because those who left never return—they all become flies trapped in honey in a land of opportunity. As a young woman, however, she finds herself heading to a US university to study, following her heart and a relationship. When that relationship ends and she fails in her attempt to move back to India as a foreign-educated woman, she returns to the US and finds herself in a job where the personal is political and professional: she is immersed in the lives of international students who come to America from over 200 countries, the universities that

attract them, and the tangled web of immigration that a student must navigate. An unflinching and insightful narrative that explores the global appeal of a Made in America education that is a bridge to America's successful past and to its future, America Calling is both a deeply personal story of Bhandari's search for her place and voice, and an incisive analysis of America's relationship with the rest of the world through the most powerful tool of diplomacy: education. At a time of growing nationalism, a turning inward, and fear of the "other," America Calling is ultimately a call to action to keep America's borders—and minds—open.

Get Out of My Crotch - Kim Wyatt 2012
Literary Nonfiction. Women's Studies. LGBT Studies. We are witnessing the patriarchy's last gasp, and it's not going down without a fight. Using legislation, language, and women's own silence, it seeks to return us to a time when choice and self-determination were not options. In this collection, twenty-one fearless writers examine reproductive rights, access to health care, violence against women, and the rise of rape apologists in the twenty-first-century United States. Illuminating intersections of gender, class, and race, these

stories speak to the challenges women routinely face, the attempts to undermine their rights, and the deliberate, systemic erosion of their agency and existence as equals. It's time to revisit what's at stake, what could still be lost, and why we must continually fight for equality and freedom for all.

Joothan - Omprakash

Valmiki 2008-07-02

Omprakash Valmiki

describes his life as an

untouchable, or Dalit, in the newly independent India of the 1950s.

"Joothan" refers to scraps of food left on a plate, destined for the garbage or animals.

India's untouchables have been forced to accept and eat joothan for centuries, and the word encapsulates the pain, humiliation, and poverty of a community forced to live at the bottom of India's social pyramid. Although untouchability was abolished in 1949, Dalits continued to face discrimination, economic deprivation, violence, and ridicule. Valmiki shares his heroic struggle to survive a preordained life of perpetual physical and mental persecution and his transformation into a speaking subject under the influence of the great Dalit political leader, B. R. Ambedkar. A document of the long-

silenced and long-denied sufferings of the Dalits, Joothan is a major contribution to the archives of Dalit history and a manifesto for the revolutionary transformation of society and human consciousness.

Twelve Patients - Eric Manheimer 2012-07-10
The inspiration for the NBC drama *New Amsterdam* and in the spirit of Oliver Sacks, this intensely involving memoir from a former medical director of a major NYC hospital looks poignantly at patients' lives and reveals the author's own battle with cancer. Using the plights of twelve very different patients--from dignitaries at the nearby UN, to supermax prisoners at Riker's Island, to illegal immigrants, and Wall Street tycoons--Dr. Eric

Manheimer "offers far more than remarkable medical dramas: he blends each patient's personal experiences with their social implications" (Publishers Weekly). Manheimer was not only the medical director of the country's oldest public hospital for over 13 years, but he was also a patient. As the book unfolds, the narrator is diagnosed with cancer, and he is forced to wrestle with the end of his own life even as he struggles to save the lives of others.

Babasaheb - Savita Ambedkar 2022-11-07
Born into a middle-class, Sarasvat Brahmin family, Dr Sharada Kabir met and got to know Dr Bhimrao Ambedkar as a patient riddled with life-threatening diseases, and eventually married him on 15 April 1948, getting rechristened as Savita Ambedkar. From the day of their wedding to the death of Dr Ambedkar on 6 December 1956, she aided him in some of his greatest achievements - drafting the Constitution of India, framing the Hindu Code Bill, writing some of

his most celebrated books, including *The Buddha and His Dhamma*, and leading millions of Dalits into Buddhism. Following his death, she was hounded into obscurity by some of Dr Ambedkar's followers, who saw her as a threat to their political ambitions. She re-emerged into public life in 1970 and got back to working on the mission to which her husband had devoted his life—the welfare of the Dalit community. Her autobiography, *Dr Ambedkaraanchya Sahavaasaat*, was first published in Marathi in 1990. This English translation by Nadeem Khan unearths a much valuable and forgotten account, an intimate portrait of one of the greatest figures of the twentieth century. A tenacious fighter, an outstanding scholar and an iconic leader, Dr

B.R. Ambedkar was all that and more. Savita Ambedkar brings alive a different side of her husband: a man who wrote romantic letters, dictated what she should wear, whipped up delicious mutton curry, played the violin, and even tried his hand at sculpting. This is a book that humanizes Ambedkar as no other book has done yet.

Is That a Fish in Your Ear? - David Bellos
2011-10-11

A New York Times Notable Book for 2011 One of The Economist's 2011 Books of the Year People speak different languages, and always have. The Ancient Greeks took no notice of anything unless it was said in Greek; the Romans made everyone speak Latin; and in India, people learned their neighbors' languages—as did many ordinary Europeans in times past (Christopher Columbus knew Italian, Portuguese, and Castilian Spanish as well as the classical languages). But today, we all use translation to cope with the diversity of languages. Without translation there would be no world

news, not much of a reading list in any subject at college, no repair manuals for cars or planes; we wouldn't even be able to put together flat-pack furniture. Is *That a Fish in Your Ear?* ranges across the whole of human experience, from foreign films to philosophy, to show why translation is at the heart of what we do and who we are. Among many other things, David Bellos asks: What's the difference between translating unprepared natural speech and translating *Madame Bovary*? How do you translate a joke? What's the difference between a native tongue and a learned one? Can you translate between any pair of languages, or only between some? What really goes on when world leaders speak at the UN? Can machines ever replace human

translators, and if not, why? But the biggest question Bellos asks is this: How do we ever really know that we've understood what anybody else says—in our own language or in another? Surprising, witty, and written with great *joie de vivre*, this book is all about how we comprehend other people and shows us how, ultimately, translation is another name for the human condition.

A Suitable Boy - Vikram Seth 2013-06-26
Acclaimed as one of the greatest novels of the last century, Vikram Seth's *A Suitable Boy*

remains, twenty years after publication, one of the most entrancing and spellbinding works of fiction yet written. A love story as well as the tale of a country awakening from long years of colonial rule, it tells of Lata, and of her mother's exacting attempts to find her the perfect husband. It also recounts India's troubles shaping its own destiny as the country marches towards its first great General Election. It is a story that readers the world over can neither put down nor ever forget. 'Fiction on a grand scale. By the time you reach the last page you will have absorbed a splendid story, full of the tangle and perfume of India.' Sunday Telegraph 'Vivid, evocative and beautifully written.' Literary Review 'No one, surely, could wish this

novel shorter. The greatness of the novel, its unassailable truthfulness, owes less to research than to imagination, an instinctive knowledge of the human heart.' Observer 'This novel, so vast and so amiably peopled, is a long, sweet, sleepless pilgrimage to life.' Guardian 'A phenomenon, a prodigy, a marvel of nineteenth-century style storytelling.' Evening Standard 'Seth is the best writer of his generation.' The Times **Vikram Seth's Suitable Boy** - Angela Atkins 2002-06-26 The 'Continuum Contemporaries' series is designed as a source of ideas and inspiration for members of book clubs and literature students at school, college and university. It aims to give readers informative introductions to 30 of
