The barista drew an imprint of a rose in the foam in the cup of espresso, but no one would notice it. The customer would drink it without ever taking a moment to admire his masterpiece. Nothing ever changed. Each cup he brewed wounded his spirit. But the course of the Lebanese youth's life changes forever when he meets a Spanish nomad named Raphael, who tells him about the Great Guru in Rishikesh, India. "I have to remind you, there is no guarantee that the Great Guru will see us," Raphael warned. "In my brief meditation, I heard the song, and now I seek the choir," Matias said. "I have to try." As we follow Matias' journey from an ambitious youth to a seeker of truth, we learn life lessons along

with him and call out our innocence from its hiding place in our hearts.

**The Broker and the Bum** - Brady Cook 2017-09

What if the story of the Rich Man and Lazarus from Luke 16 was set in a modern day setting? What would it look like? Would we recognize Lazarus? Would we recognize the rich man? The story of "The Rich Man and Lazarus" is famous for its teachings of

compassion and humanity, as well as the evils of following after greed blindly, at the expense of just about everything else. "The Broker and the Bum" is a modern version of this same story found complete with all the same themes, characters, events, but simply adapted to a modern day setting. Liam Earl is a down-on-his-luck homeless man left on the streets of New York City, watching as the rich and powerful go about their daily lives. Everything is the same from day-to-day, until the kindness of a stranger changes his life for the better. Matt Herde is a powerful hedge fund manager for Asset International. Obsessed with wealth and driven by a desire for more, more, more, he has little time for people in his life whom he doesn't seem to have any use for. This includes simple beggars like Liam Earl. These two operate independently of each other until their worlds collide and a tragic event leaves one person's future in shambles, while the other finds the peace that they have sought after for so long. Will Matt find happiness? Will Liam ever escape the street? Check out "Broker and the Bum," the first book in the brand new "Parable Series" from author Brady Cook, and begin to see the world through different eyes.
