*Language and the Making of Modern India* - Pritipuspa Mishra 2020-01-16

Explores the ways linguistic nationalism has enabled and deepened the reach of All-India nationalism. This title is also available as Open Access.

Cultural History of Modern India - Dilip M. Menon 2006

'Cultural History Of Modern India Edited By Dilip M. Menon Definitely Qualifies For Interesting Reading&The Different Approach Attempted Through The Book Indubitably Is A Fresh Endeavour For A Multidisciplinary Approach With Sociologists, Art Historians And Music Theorists Working Within A Historical Paradigm.' The Statesman, 9 December 2006 The History Of Modern India Has Been Narrated Largely In Terms Of The Nationalist Movement, Personalities And What Has Been Seen As The 'High' Politics Of The State. Recent Shifts In History Writing Have Tried To Bring In Subordinated Histories Of Regions And Of Groups. We Are Moving Towards A Wider Understanding Of Politics, History And Of The Ordinary People Who Make History. This Collection Tries To Push The Emerging Paradigm Further By Moving Away From

Conventional Notions Of The History Of The Nation And Indeed Of The Political. The Six Essays In This Collection Present Original And Pioneering Forays In The Study Of Cricket, Oral History, Gender Studies, Film, Popular Culture And Indian Classical Music. Whether Looking At Issues Of Caste On The Seemingly Level Playing Field Of Cricket In Early Twentieth Century India; Or How A Nineteenth Century Housewife Comes To Pen The First Autobiography By An Indian Woman; Calendar Art Reflecting Deeper Notions Of Religion And Community; Or How An Idea Of Pure Classical Music Faces The Challenge Of Technology, These Essays Show How Ideas Of Self, Community And Art Are Formed Within A Larger Politics. Moreover, Culture Far From Being A Refuge From The Political Is Also The Space Within Which Politics Comes To Be Worked Out.

**A History of Modern India, 1480-1950** - Claude Markovits 2004-09-24

Praise for the hardback edition: 'an impressively scholarly and immensely detailed text... a welcome and strongly recommended contribution to World History and

India History collections.' Library Bookwatch  
"Recommended" -- Choice A History of Modern India provides a comprehensive chronological analysis of India's vibrant and diverse history. As well as examining the evolution of the relationship between the society and the state in its various economic, social, cultural and political forms, A History of Modern India analyses the major empires in modern India from the Moghuls (1580-1739) to the Raj (1818-1947), and discusses the economic, social and intellectual dynamism that accompanied intervening periods of political fragmentation. The book explores the difficulties confronting the rise of Indian nationalism and the consequent confrontation between religious communities: what should have been the crowning victory of a pacifist anti-colonial movement was instead brutally resolved with the violence of Partition in 1947.

**A History of Modern India** - Ishita Banerjee-Dube  
2014-10-27

This book provides an interpretive and comprehensive account of the history of India between the eighteenth and twentieth centuries, a crucial epoch characterized by colonialism, nationalism and the emergence of the independent Indian Union. It explores significant historiographical debates concerning the period while highlighting important new issues, especially those of gender, ecology, caste, and labour. The work combines an analysis of colonial and independent India in order to underscore ideologies, policies, and processes that shaped the colonial state and continue to mould the Indian nation.

*Midnight's Borders* - Suchitra Vijayan 2021-05-25  
A Booklist "Top 10 History Book of 2022" The first true people's history of modern India, told through a seven-

year, 9,000-mile journey along its many contested borders Sharing borders with six countries and spanning a geography that extends from Pakistan to Myanmar, India is the world's largest democracy and second most populous country. It is also the site of the world's biggest crisis of statelessness, as it strips citizenship from hundreds of thousands of its people-- especially those living in disputed border regions. Suchitra Vijayan traveled India's vast land border to explore how these populations live, and document how even places just few miles apart can feel like entirely different countries. In this stunning work of narrative reportage--featuring over 40 original photographs--we hear from those whose stories are never told: from children playing a cricket match in no-man's-land, to an elderly man living in complete darkness after sealing off his home from the floodlit border; from a woman who fought to keep a military bunker off of her land, to those living abroad who can no longer find their family history in India. With profound empathy and a novelistic eye for detail, Vijayan brings us face to face with the brutal legacy of colonialism, state violence, and government corruption. The result is a gripping, urgent dispatch from a modern India in crisis, and the full and vivid portrait of the country we've long been missing.  
*History of Modern India* - Bipan Chandra 2009  
History of Modern India presents an authoritative overview of the history of what was known as British India. The text is largely based on the author's research on nationalism and colonialism in India and also draws from the works of eminent historians of the period. Challenging and revising colonial and nationalist interpretations of history, this book moves away from a largely political narrative to a social,

economic and religious history of modern India. It explains how conditions in India during the eighteenth century helped the British East India Company establish its rule in India. It also gives us important insights into the primary aim of colonial rule which was the economic exploitation of India through trade and investment. The topics are arranged thematically in order to showcase the various forces that went into the making of independent India. However, in the entire arrangement of themes, the chronology of the period is enmeshed innovatively with the various forces that evolved both as a cause and effect of British imperialist rule of the subcontinent. The book also provides a detailed account of the nationalist movement and introduces us to the contributions of different individuals who were behind the nationalist movement. A comprehensive textbook for students of history and interested readers, History of Modern India is essential reading for a broad based understanding of the making of modern India.

Modern India - Judith Margaret Brown 1994

This second edition of this widely used text covers the last two centuries of Indian history, concluding with an epilogue written from the perspective of the 1990s. It thematically and analytically discusses the emergence of India as one of the world's largest democracies and one of the most stable of the states to emerge from the experience of colonialism. The foundations of this rare phenomenon in either Asia or Africa are seen in India's society, the ideas and beliefs of her people, and the institutions of government and politics which have developed on the subcontinent, in a process of interaction between what was indigenous to India and the many external influences brought to bear on the country

by economic, political, and ideological contact with the Western world. Modern scholarship has shown how diverse and complex was India's socio-economic and political development; and this theme runs through the study which eschews any simple understanding of India's political development as a clash between 'imperialism' and 'nationalism', or the making of a new nation. The complexity reflects many of the continuing ambiguities and inequalities in the subcontinent's life and suggests why the structures of the state, and indeed the very nature of the Indian nation, are now being questioned, often with unprecedented public violence. India's dilemmas are not hers alone: they also raise economic, political, and social issues of profound significance throughout the contemporary world.

*Imagining India* - Nandan Nilekani 2009-03-19

A visionary look at the evolution and future of India In this momentous book, Nandan Nilekani traces the central ideas that shaped India's past and present and asks the key question of the future: How will India as a global power avoid the mistakes of earlier development models? As a co-founder of Infosys, a global leader in information technology, Nilekani has actively participated in the company's rise during the past twenty-seven years. In *Imagining India*, he uses his global experience and understanding to discuss the future of India and its role as a global citizen and emerging economic giant. Nilekani engages with India's particular obstacles and opportunities, charting a new way forward for the young nation.

**A New Look at Modern Indian History (From 1707 to The Modern Times), 32e** - Grover B.L. & Mehta Alka

It is one of the bestselling books on Modern Indian History covering the time line from 1707 to the modern

times. The book covers the entire gamut in a very unique style- it mentions not only factual data about various topics but also provides information about different interpretations put forth by Western and Indian historians, with an integrated analysis. This makes the book equally useful for undergraduate students of History and aspirants appearing for various competitive examinations

A History of Modern India, 1707-1947 - Edmund Muller  
1988-01-01

**Modern India: A Very Short Introduction** - Craig Jeffrey  
2017-11-16

India is widely recognised as a new global powerhouse. It has become one of the world's emerging powers, rivalling China in terms of global influence. Yet people still know relatively little about the economic, social, political, and cultural changes unfolding in India today. To what extent are people benefiting from the economic boom? Does caste still exist in India? How is India's culture industry responding to technological change? And what of India's rapidly changing role internationally? This Very Short Introduction looks at the exciting world of change in contemporary India. Craig Jeffrey provides a compelling account of the recent history of the nation, investigating the contradictions that are plaguing modern India and the manner in which people, especially young people, are actively remaking the country in the twenty first century. One thing is clear: India is a country that is going to become increasingly important for the world over the next decades. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject

area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

**A History of Modern India, 1480-1950** - Claude Markovits  
2002

A comprehensive chronological analysis of India's vibrant and diverse history.

**An Economic History of Early Modern India** - Tirthankar Roy  
2013-07-18

The death of the Mughal emperor Aurangzeb in 1707 until the annexation of Maratha territories by the British East India Company in 1818 was a period of transition for the economy of India. This book focuses on these transitions, and shows how a study of this period of Indian history contributes to a deeper understanding of the long-run patterns of economic change in India. Momentous changes occurred in business and politics in India during the eighteenth century - the expansion of trade with Europe and the collapse of the Mughal Empire, resulting in the formation of a number of independent states. This book analyses how these two forces were interrelated, and how they went on to change livelihoods and material wellbeing in the region. Using detailed studies of markets, institutions, rural and urban livelihoods, and the standard of living, it develops a new perspective on the history of eighteenth century India, one that places business at the centre, rather than the transition to colonial rule. This book is the first systematic account of the economic history of early modern India, and an essential reference for students and scholars of Economics and South Asian History.

**Advance Study in the History of Modern India (Volume-1: 1707-1803)** - G.S.Chhabra 2005

**History of Modern India** - Raj Pruthi 2017

*A New Look at Modern Indian History* - B. L. Grover  
1998-07

**Modern Indian History** - Mohammad Tarique

This book provides a definitive account of events and movements that led to the formation of modern, independent India. 2 Parts: Part I: Establishment of the British Rule in India - Colonial Economy - Resistance to Colonial Rule - Socio-Cultural Impact of Colonial Rule in India - Economy 1858- 1914. Part II: Early Indian Nationalism - Inter-War Economy of India - Nationalism under Gandhi`s Leadership - Other Strands of the National Movement - Towards Freedom.

**History of Modern India** - Dr. Kamal Bhardwaj 2002-01-01

*Midnight's Borders* - Suchitra Vijayan 2021-05-25

A Booklist "Top 10 History Book of 2022" The first true people's history of modern India, told through a seven-year, 9,000-mile journey along its many contested borders Sharing borders with six countries and spanning a geography that extends from Pakistan to Myanmar, India is the world's largest democracy and second most populous country. It is also the site of the world's biggest crisis of statelessness, as it strips citizenship from hundreds of thousands of its people-- especially those living in disputed border regions. **The Outsourcer** - Dinesh C. Sharma 2015-03-06

A history of how India became a major player in the global technology industry, mapping technological, economic, and political transformations.

*Modern India* - Sumit Sarkar 2014

Modern India provides an insight into the historiography of India and its freedom struggle from the colonial era to the year of Independence. It uses archival data from various sources and collates it with new research elements in the history of the period. As a result, it has been able to provide a critical perspective on the historical, political, social and cultural events of the time. The book is credited as one of the most widely read books on the topic and has changed our understanding of modern Indian history. It is already prescribed in the following 18 Universities in India as principal text. (It also appears as supplementary text in other Universities). Recommended Reading: Calicut University, Calcutta University, Gauhati University, Delhi University, Aligarh Muslim University, MDU Rohtak,

VBSPU, Kota University, CCS University, Kashmir University, MLSU Ajmer, JNVU, Gujarat University, Mumbai University, North Maharashtra University, Baroda University, Christ University, Kannaur University.

**A Concise History of Modern India** - Barbara D. Metcalf  
2006-09-28

In a second edition of their successful Concise History of Modern India, Barbara Metcalf and Thomas Metcalf explore India's modern history afresh and update the events of the last decade. These include the takeover of Congress from the seemingly entrenched Hindu nationalist party in 2004, India's huge advances in technology and the country's new role as a major player in world affairs. From the days of the Mughals, through the British Empire, and into Independence, the country has been transformed by its institutional structures. It is these institutions which have helped bring about the social, cultural and economic changes that have taken place over the last half century and paved the way for the modern success story. Despite these advances, poverty, social inequality and religious division still fester. In response to these dilemmas, the book grapples with questions of caste and religious identity, and the nature of the Indian nation.

India Becoming - Akash Kapur 2013-03-05

A New Republic Editors' and Writers' Pick 2012 A New Yorker Contributors' Pick 2012 A Newsweek "Must Read on Modern India" "For people who savored Katherine Boo's Behind the Beautiful Forevers."—Evan Osnos, newyorker.com From the author of Better To Have Gone, a portrait of the incredible change and economic development of modern India, and of social and national transformation there told through individual lives Raised in India, and educated in the U.S., Akash Kapur

returned to India in 2003 to raise a family. What he found was an ancient country in transition. In search of the life that he and his wife want to lead, he meets an array of Indians who teach him much about the realities of this changed country: an old landowner sees his rural village destroyed by real estate developments, and crime and corruption breaking down the feudal authority; a 21-year-old single woman and a 35-year-old divorcee exploring the new cultural allowances for women; and a young gay man coming to terms with his sexual identity – something never allowed him a generation ago. As Akash and his wife struggle to find the right balance between growth and modernity and the simplicity and purity they had known from the Indian countryside a decade ago, they ultimately find a country that "has begun to dream." But also one that may be moving away too quickly from the valuable ways in which it is different.

*The History of History* - Vinay Lal 2004-12-01

This Study Concentrates On The Politics Of History-Writing, Offering A Nuanced Account Of How Historical Thinking And The Discipline Of History Began To Assume Importance In Colonial And Independent India.

**History Modern India** - S. N. Sen 2006

Apart From Meeting The Requirements Of The Students For Plus Two Level Or Higher Secondary, The Book Will Be Helpful To The Candidates Appearing In Competitive Examination Of Both Central And State Civil Services, Including Indian Administrative And Allied Services. Historical Research During The Last Four Decades Has Led To New Insights Into The Study Of Modern Indian History. The Book Incorporates The Major Developments In Historical Research Since Independence.

Besides Dealing With The Political Convulsions In India, The Book Furnishes The Socio-Economic Problems With Impoverishment Of The Country, The Cultural And Religious Revival In India, A Brief Survey Of Constitutional Developments, The Genesis And Growth Of Indian Nationalism And An Outline Of Freedom Struggle From Its Inception To The Attainment Of Independence.

**Makers of Modern India** - Ramachandra Guha 2011

Includes a short biographical introduction to each person, followed by excerpts from their writings.

*An Advanced History of Modern India* - Sailendra Nath Sen 2010

An Advanced History of Modern India has been designed for undergraduate students as well as those preparing for civil services examinations at both central and state levels. It is a daunting task to write a book of this kind when dynamic changes have occ

**Brothers Against the Raj: A Biography of Indian Nationalists Sarat and Subhas Chandra Bose** - Leonard a. Gordon 2014-11-01

Subhas Chandra Bose and his brother Sarat were among the most important leaders of the Indian struggle for independence. Brothers Against the Raj is the definitive biography of the Bose brothers, placing them in the context of the Indian freedom struggle and the turbulent international politics of the period. Leonard A. Gordon uses material gathered from archives, records and over 150 interviews he conducted with the brothers' political contemporaries and family members, as well as hundreds of unpublished letters, to bring to life once more two of India's most controversial leaders during one of the most significant epochs in Indian history. "[A] distinguished book... Mr. Gordon is a thorough scholar..." "one of the books of the year for 1990."

"Gordon has done full justice to the Bose brothers, giving them their due and recounting their story in the context of the turbulent times in which they lived."

"Professor Gordon has... conducted exhaustive and painstaking research and put its fruits into an eminently readable book. Besides, he has skilfully put the story of their lives into the context of the complex politics of India and Bengal of their times." "The author is a New Yorker but knows Calcutta well... The entire distinguished family seems to come alive as he writes, but he is careful to paint them with their warts intact." "[An] extraordinary, informative, and insightful study of Subhas and Sarat Bose." " I have found the book informative and absorbing. [ Gordon has] managed to combine empathy with objectivity- not an easy feat."

From Plassey to Partition - Śekhara Bandyopādhyāya 2004  
From Plassey to Partition is an eminently readable account of the emergence of India as a nation. It covers about two hundred years of political and socio-economic turbulence. Of particular interest to the contemporary reader will be sections such as Early Nationalism: Discontent and Dissension , Many Voices of a Nation and Freedom with Partition . On the one hand, it converses with students of Indian history and on the other, it engages general and curious readers. Few books on this crucial period of history have captured the rhythms of India s polyphonic nationalism as From Plassey to Partition.

**The Technological Indian** - Ross Bassett 2016-02-15  
In the late 1800s India seemed to be left behind by the Industrial Revolution. Today there are many technological Indians around the world but relatively few focus on India's problems. Ross Bassett—drawing on a

database of every Indian to graduate from the Massachusetts Institute of Technology through 2000—explains the role of MIT in this outcome.

*Reproductive Politics and the Making of Modern India* - Mytheli Sreenivas 2021-05-03

Open-access edition: DOI 10.6069/9780295748856 Beginning in the late nineteenth century, India played a pivotal role in global conversations about population and reproduction. In *Reproductive Politics and the Making of Modern India*, Mytheli Sreenivas demonstrates how colonial administrators, postcolonial development experts, nationalists, eugenicists, feminists, and family planners all aimed to reform reproduction to transform both individual bodies and the body politic. Across the political spectrum, people insisted that regulating reproduction was necessary and that limiting the population was essential to economic development. This book investigates the often devastating implications of this logic, which demonized some women's reproduction as the cause of national and planetary catastrophe. To tell this story, Sreenivas explores debates about marriage, family, and contraception. She also demonstrates how concerns about reproduction surfaced within a range of political questions—about poverty and crises of subsistence, migration and claims of national sovereignty, normative heterosexuality and drives for economic development. Locating India at the center of transnational historical change, this book suggests that Indian developments produced the very grounds over which reproduction was called into question in the modern world. The open-access edition of *Reproductive Politics and the Making of Modern India* is freely available thanks to the TOME initiative and the generous support of The Ohio State University Libraries.

### **Advanced Study in the History of Modern India 1707-1813**

- Jaswant Lal Mehta 2005-01-01

An analytical and critical account of the political history of early modern India from 1707 to 1813. The narrative shatters the contention of contemporary European writers that it was 'the dark age' of Indian history, characterised by 'political anarchy and misgovernment', until the British brought it under their sway. The main thesis of the author is that the period was marked by two distinct phases; the first phase, which lasted from 1707 to 1760, saw the rapid disintegration of the Mughal power and its replacement by the Maratha hegemony. Meanwhile, the English traders turned colonialists, after consolidating their hold along the Indian seacoasts and conquest of 'Carnatic' and Bengal, challenged the Maratha hegemony. The second phase of developments was thus marked by the struggle for supremacy between these two powers. The author makes use of contemporary English and Marathi sources and the intensive researches of modern historians to portray a compact picture of their findings in the form of a text book for the benefit of the degree students. Historical facts are reinterpreted through illuminating expositions, refreshing characterisation of historic personalities, and objective assessment of events and movements. Together with maps, a select bibliography, glossary and an elaborate index, the volume makes a rich contribution to the advancement of modern historical literature.

*The Oxford History of Modern India, 1740-1947* - Thomas George Percival Spear 1965

*Run and Hide* - Pankaj Mishra 2022-03-01

"Pankaj Mishra transforms a visceral, intimate story of

one man's humble origins into a kaleidoscopic portrait of a society bedazzled by power and wealth—what it means on a human level, and what it costs. Run and Hide is a spectacular, illuminating work of fiction." —Jennifer Egan, author of Manhattan Beach Growing up in a small railway town, Arun always dreamed of escape. His acceptance to the prestigious Indian Institute of Technology, enabled through great sacrifice by his low-caste parents, is seemingly his golden ticket out of a life plagued by everyday cruelties and deprivations. At the predominantly male campus, he meets two students from similar backgrounds. Unlike Arun—scarred by his childhood, and an uneasy interloper among go-getters—they possess the sheer will and confidence to break through merciless social barriers. The alumni of IIT eventually go on to become the financial wizards of their generation, working hard and playing hard from East Hampton to Tuscany—the beneficiaries of unprecedented financial and sexual freedom. But while his friends play out Gatsby-style fantasies, Arun fails to leverage his elite education for social capital. He decides to pursue the writerly life, retreating to a small village in the Himalayas with his aging mother. Arun's modest idyll is one day disrupted by the arrival of a young woman named Alia, who is writing an exposé of his former classmates. Alia, beautiful and sophisticated, draws Arun back to the prospering world where he must be someone else if he is to belong. When he is implicated in a terrible act of violence committed by his closest friend from IIT, Arun will have to reckon with the person he has become. Run and Hide is Pankaj Mishra's powerful story of achieving material progress at great moral and emotional cost. It is also the story of a changing country and global order, and the

inequities of class and gender that map onto our most intimate relationships.

**History of India** - Captivating History 2019-12-10  
India is a land of mystery, richness, and deep spiritual discovery. Every facet of this ancient land seems scented with the famous spices that lured European traders to its shores more than five centuries ago. India is quite unique in the way it has brought its ancient histories and traditions with it into the modern age.

*A Concise History of Modern India* - Barbara D. Metcalf  
2012-09-24

The third edition of the Metcalfs' classic history of India charts developments across the last twenty years. *A Diplomatic History of Modern India* - Charles Herman Heimsath 1971

*Yoga in Modern India* - Joseph S. Alter 2021-05-11  
Yoga has come to be an icon of Indian culture and civilization, and it is widely regarded as being timeless and unchanging. Based on extensive ethnographic research and an analysis of both ancient and modern texts, *Yoga in Modern India* challenges this popular view by examining the history of yoga, focusing on its emergence in modern India and its dramatically changing form and significance in the twentieth century. Joseph Alter argues that yoga's transformation into a popular activity idolized for its health value is based on modern ideas about science and medicine. Alter centers his analysis on an interpretation of the seminal work of Swami Kuvalayananda, one of the chief architects of the Yoga Renaissance in the early twentieth century. From this point of orientation he explores current interpretations of yoga and considers how practitioners

of yogic medicine and fitness combine the ideas of biology, physiology, and anatomy with those of metaphysics, transcendence, and magical power. The first serious ethnographic history of modern yoga in India, this fluently written book is must reading not only for students and scholars but also practitioners who seek a deeper understanding of how yoga developed over time into the exceedingly popular phenomenon it is today.

*History of Modern India* - Radhey Shyam Chaurasia 2002  
Tremendous Progress Has Been Made In India During The Modern Period. British Rule Unified India, Gave New Ideals Of Parliamentary Government And Established Factories, Railways, Telephone, Etc. Due To Development Of New Scientific Weapons And Impact Of Industrial Revolution, East India Company Was Able To Defeat Indian Powers And Succeeded In Establishing British Rule In India, Burma And Ceylon. In 1857, Great Rebellion Took Place Which Ended Rule Of East India Company And British Parliament In The Name Of Queen And King Began To Rule All Over India Through The Secretary Of State For India And The Viceroy Of India. The Book Is Divided Into Two Parts. Part I Deals With Anglo-French Wars, Maratha And Sikh Wars And Wars With Other Small Powers And Role Of Different Governor Generals Such As Clive, Warren Hastings, Cornwallis, Wellesley, Hastings And Dalhousie Etc. Socio-Religious Movements Took Place During This Period And Brahma Samaj Was Established By Raja Ram Mohan Roy, Arya Samaj By Swami Dayanand, Ram Krishna

Mission By Swami Vivekanand. Reform Movements Of Muslims And Sikhs Also Took Place. Part Ii Of The Book Deals With The Constitutional Developments And Nationalist Movement And The Role Played By The Eminent Leaders During This Period. Ultimately, India Became Free On 15Th August, 1947, And Constitutional Parliamentary Government Was Established And India Became The Largest Democracy Of The World. India Was Divided, Pakistan Came Into Existence, Which Gave Rise To Conflicts Between These Two Powers. Though In 1971, Pakistan Was Divided And Bangladesh Came Into Existence But Conflict Is Still Continuing. After Independence, India Has Made Great Progress And She Is Now One Of The Mightiest Powers On Earth With Nuclear Weapons And Viable Economy. From 1947 To 2002 Tremendous Progress Has Been Made In Scientific Inventions, Art, Literature And In Other Social Aspects Which Have Been Described In Brief. Unfortunately, Modern History Of India Has Been Written By British Writers With Imperialist Point Of View. In This Book An Attempt Has Been Made To Give Objective Outlook.

*War and Peace in Modern India* - S. Raghavan 2016-04-30  
A study of Indian foreign policy under Jawaharlal Nehru, concentrating on the fundamental questions of war and peace. Looks at Nehru's handling of the disputes over the fate of Junagadh, Hyderabad and Kashmir in 1947-48; the refugee crisis in East and West Bengal in 1950; the Kashmir crisis in 1951; and the boundary dispute with China 1949-62.
