The Dictionary of National Biography - Leslie Stephen 1908

Nick Drake - Patrick Humphries 1998

Since his death, Nick has been cited as a seminal influence by stars as diverse as REM, Elton John, Paul Weller, Jackson Browne, Everything But The Girl, Tom Verlaine and Matt Johnson of The The. While the lives of other musicians who died before their time, such as Jim

Morrison, John Lennon, Jimi Hendrix, Janis Joplin and Gram Parsons, have been amply documented, there has never before been a biography of Nick Drake. Patrick Humphries' illuminating text includes exclusive interviews with friends, colleagues and musicians who knew and worked with Nick. It provides an unprecedented insight not only into the life and work of Nick Drake, but also into the music scene of the 1960s that formed his backdrop. The author's lifelong appreciation of and interest in Nick Drake were further fuelled when he discovered that his uncle Dr. James Lusk actually delivered Nick into the world and remained a friend of the Drake family. In these Pages he draws on a long letter from Nick's father to Dr. Lusk, in which he describes how his wife, Nick's mother, discovered Nick's body during the morning of 25 November 1974, following an accidental overdose of prescribed drugs. A week is a long time in politics, then the 23 years since Nick's death represent a lifetime in the transitory world of pop. But the music of Nick Drake has never lost its place in his fans' affections, and still its haunting

beauty reaches out to fresh generations. This book is for all of them.

Drake - Belmont and Belcourt Biographies 2012-04-01

Aubrey Drake Graham, also known as Drake, is one of the most talked about hip hop artists today. But, in order to truly understand him, you must first understand where he came from. Certified Lover Boy - Wright Prince 2021-09-04

Hip hop music, also known as rap music, is a popular music genre developed in the United States in the 1970s by inner-city African Americans and Latino Americans in the Bronx borough of New York City. It consists of a stylized rhythmic music that commonly accompanies rapping, as well as a chanted rhythmic and rhyming speech. It arose as a subculture of hip hop, which is defined by four key stylistic elements: MCing/rapping, DJing/scratching with turntables, break dancing, and

graffiti writing. Other elements include sampling beats or bass lines from records (or synthesized beats and sounds), as well as rhythmic beatboxing. While the term hip hop is frequently used to refer to only rapping, it more accurately refers to the entire subculture's practice. Rapping is not a required component of hip hop music; the genre may also incorporate other elements of hip hop culture, such as DJing, turntablism, scratching, beatboxing, and instrumental tracks. Certified Lover Boy by Wright Prince is an educational, well-written, entertaining, fun and easy to read book written about Drake's, Lil Wayne and Kid Cudi Personal lives, their notable Achievement in the Rap Industry. It's also a Book that takes you into the journey of how RAP MUSIC started and 20 Medical Benefits of Marijuana You Probably Never Knew. sea, is the first Drake author to go beyond the archives to test the entire primary sources in the field, on a world-wide scale: all at his own expense. The pictorial, topographical text is laced with research techniques, ground-breaking discoveries and adventures in reaching all the Drake places. This book reveals the ultimate geographical Drake knowledge, written on location by an intrepid adventurer with a Drake's-eye view. The Drake scholar and the armchair traveller alike will enjoy this book.

Drake - Neil Roberts 2018-02-26

Drake is a Canadian rapper, singer, songwriter, record producer, actor, and entrepreneur. Drake initially gained recognition as an actor on the teen drama television series Degrassi: The Next Generation in the early 2000s. Intent on pursuing a career as a rapper, he departed the series in 2007 following the release of his debut mixtape, Room for Improvement. He released two further independent projects, Comeback Season and So Far Gone, before signing to Lil Wayne's Young Money Entertainment in June 2009. Drake released his debut studio album Thank Me Later in 2010, which debuted at number one on the U.S. Billboard 200 and was soon certified platinum by the Recording Industry Association of America (RIAA). His next two releases were 2011's Take Care and 2013's Nothing Was the Same, which were both critically and commercially successful; the former earned him his first Grammy Award for Best Rap Album. In 2015, he released two mixtapes-the trap-influenced If You're Reading This It's Too Late and a collaboration with Future titled What a Time to Be Alive-both of which earned platinum certification in the U.S. Drake released his fourth album, Views, in 2016, breaking several chart records in the process. The dancehall-influenced album

sat atop the Billboard 200 for ten nonconsecutive weeks, becoming the first album by a male solo artist to do so in over ten years. The album's second single "One Dance" topped the charts in several countries, including the U.S., the U.K., and Canada, where it became his first number one single as a lead artist. That year, Drake lead both the Billboard Hot 100 and the Billboard 200 charts simultaneously for eight weeks, coming close to a record held by Whitney Houston. Views achieved quadruple platinum status in the U.S., and earned over 1,000,000 album-equivalent units in the first week of its release. The album's lead single "Hotline Bling" secured him his second and third Grammy Awards, for Best Rap/Sung Performance and Best Rap Song, at the organization's 59th ceremony. Drake has sold more than 12 million albums (Including more than 9 million albums sold in the U.S) and 74 million singles globally. Drake released the multi-genre More Life in 2017. Described by Drake as a "playlist," it was his seventh consecutive number one on the Billboard 200, and set multiple streaming records. Drake holds several Billboard chart records. He has the most charted songs (154) among solo artists in the history of the Billboard Hot 100, the most simultaneously charted Hot 100 songs in a single week (24), the most time on the Hot 100 (431 weeks) and the most Hot 100 debuts in a week (21). Drake also has the most number one singles on the Hot Rap Songs, Hot R&B/Hip-Hop Airplay and Rhythmic Charts. Alongside his Grammy Award wins, Drake has won three Juno Awards and six American Music Awards, as well as a record thirteen Billboard Music Awards, while also being one of the most acclaimed rappers of the 21st century. Drake has developed other ventures, including his OVO Sound record label with longtime collaborator Noah "40" Shebib. Drake

acts as a producer, producing under the pseudonym Champagne Papi. Using the "OVO" moniker, Drake has his own clothing line and his own program on Beats 1 Radio. He has also developed a whiskey, is a restaurateur, and is the global ambassador for the Toronto Raptors.

"The" Early Voyages - Michael Turner 2005

This is the first volume of a unique biography of Sir Francis Drake in four volumes. Unique because the author, a Sherlock Holmes of the sea, has retraced all Drake's voyages during the last 20 years. The pictorial topographical text is laced with research and techniques, ground-breaking discoveries and adventures in reaching all the Drake places. The book reveals the ultimate geographical Drake knowledge, written on location. It recounts the slave-trading with Hawkins off the west coast of Africa, stealing the gold and silver from the Spaniards in Panama and helping the Earl of Essex in Ireland.

Features interviews with producer Joe Boyd, string arranger Robert Kirby, and even the marketing team behind the VW Cabrio commercial that launched the album to platinum status more than thirty years after its release.

Dictionary of American Biography, Including Men of the Time - Francis Samuel Drake 1872

Nick Drake - Patrick Humphries 2012-12-17

'An exquisite portrait' MOJO 'A riveting account of the golden-boy genius' EVENING STANDARD Nick Drake was barely twenty-six years old when he died in 1974, but in his short lifetime he recorded three albums that are now recognised as classics: *Five Leaves Left*, *Bryter Later* and *Pink Moon*. Several decades after his death, he has amassed a huge following; his haunting songs cast a pervasive influence over the contemporary music scene, and many of today's most successful songwriters cite him as a major inspiration. In this unrivalled biography, Patrick Humphries offers real insight into the man behind the legend, through extensive interviews with family, friends and the musicians who knew and worked alongside him. This portrait of Nick Drake is an essential and uniquely personal account of his life and career. 'A rich, moving account of a troubled spirit, a mature biography of a briefly flickering talent unable to come to terms with the adult world ... The writing is zestful and intelligent and the text illuminating ... A literary memorial fit to stand alongside the songs'
