desk and stomped her foot. I get a lot of that. One car crash. One measly little car crash. And suddenly, I'm some kind of convicted felon. My parents are getting divorced, my dad is shacking up with my third-grade teacher, I might be in love with a girl who could kill me with one finger, and now I'm sentenced to babysit some insane old guy. What else could possibly go wrong? This is the story of Alex Gregory, his guitar, his best gal pal Laurie, and the friendship of a lifetime that he never would have expected.

Most People - Michael Leannah 2017-08-15
2017 Gold Moonbeam Children's Book Award: For dedication to children's books and literacy and for inspired writing, illustrating and publishing. The world can be a scary place. Anxious adults want children to be aware of dangers, but shouldn't kids be aware of kindness too? Michael Leannah wrote *Most*

People as an antidote to the scary words and images kids hear and see every day. Jennifer Morris's emotive, diverting characters provide the perfect complement to Leannah's words, leading us through the crowded streets of an urban day in the company of two pairs of siblings (one of color). We see what they see: the hulking dude with tattoos and chains assisting an elderly lady onto the bus; the Goth teenager with piercings and purple Mohawk returning a lost wallet to its owner; and the myriad interactions of daily existence, most of them well intended. *Most People* is a courageous, constructive response to the dystopian world of the news media. Dangerous Pie A cancer survivor must readjust to “normal” middle school life in this “powerful story about surviving and thriving” (School Library Journal, starred review) from the author of Star-Crossed and Truth or Dare. Norah Levy has just completed two years of treatment for leukemia and is ready to go back to the “real world” of middle school. She knows it’ll be tricky—but like the Greek mythological characters she read about while she was sick, Norah’s up for any challenge. But seventh grade turns out to be harder than she thought. Norah’s classmates don’t know what to make of her. Her best friend, Harper, tries to be there for her, but she doesn’t get it, really—and is hanging out with a new group of girls. Norah’s other good friend, Silas, is avoiding her. What’s that about, anyway? When Norah is placed with the eighth graders for math and science, she meets Griffin, a cute boy who

encourages her love of Greek mythology and art. And Norah decides not to tell him her secret—that she was “that girl” who had cancer. But when something happens to make secret-keeping impossible, Norah must figure out a way to share her story. But how do you explain something to others that you can’t explain to yourself? Can Nora take her cue from her favorite Greek myth? And then, once she finds the words, can she move forward with a whole new “normal?”

The Boy Who Failed Show

and Tell - Jordan Sonnenblick 2021-02-02
An unbelievably hilarious middle-grade true story from bestselling author Jordan Sonnenblick. In a typical school year, every kid has one or two things go wrong. But for Jordan, there's A LOT going wrong ALL THE TIME. Take this year. Here are some of the thing going wrong: -- His teacher hates him. Like, really hates him. Like, is totally out to get him even when he's trying to be good, and is willing to fail him on the simplest things, like show and tell. -- He has a slight breathing problem because of his asthma. And breathing is never really an optional activity. -- His pet snake has given birth to way, way, way too many baby snakes, all who need a home. -- He is finding that becoming The World's Best Drummer in no time whatsoever is maybe not the easiest goal. -- There are bullies ready to stomp him when all he has to defend himself with is a

lunchbox. And all this doesn't even include the freak swing set accident, the fears inside his head, or the funniest class presentation ever. By keeping his cool (some of the time), banging on the drums (a lot), and keeping his sense of humor (all the time), Jordan's going to try to make it through the year... and grow up to write a book about it!

During a class trip to DC, thirteen-year-old Tally and her best friends, Sonnet and

Caleb (a.k.a. Spider) are less than thrilled when they are assigned roommates and are paired with kids who are essentially their sworn enemies. For Tally, rooming with "clonergirl" Ava Seely feels like punishment, rather than potential for fun. But the trip is full of surprises. Despite a pact to stick together as much as they can, Sonnet pulls away, and Spider befriends Marco, the boy who tormented him last year. And Marco just might "like"

Tally—what's that about? But the uneasy peace in Ava and Tally's room is quickly upended when Tally begins to suspect something is off about Ava. She has a weird notebook full of random numbers and doesn't seem to eat anything during meals. When Tally confronts Ava, Ava threatens to share an embarrassing picture of Tally with the class if Tally says anything to anyone about her suspicions. But will Tally endanger more than her pride by keeping her

secret? This is one class trip full of lessons Tally will never forget: how to stay true to yourself, how to love yourself and embrace your flaws, and how being a good friend can actually mean telling a secret you promised to keep...

Sixth grade is the worst... and also the best, as Jordan rides the ups and downs of middle-school life in hilarious fashion. Funny, outrageous things didn't stop for Jordan

Sonnenblick after he left fourth grade. No, in many ways the events detailed to hilarious effect in *The Boy Who Failed Show and Tell* were but a prelude to sixth grade, a time when Jordan would have to deal with... -- A rival named Jiminy (his real name is Jimmy -- but, hey, he looks like a cricket) -- A stickler English teacher who doesn't care that all the old, worn copies of *Great Expectations* smell like puke -- An Evel Knievel obsession -- A first crush on a girl from band -- An assistant principal who brands Jordan a repeat offender... on his first day (If you want to know why, you have to read the book. A tooth is involved.) -- A continued reckoning with both anxiety and asthma -- And more!

Good Enough: A Novel - Jen Petro-Roy 2019-02-19
A young girl with an eating disorder must find the strength to recover in this moving middle-grade novel from Jen Petro-Roy Before she

had an eating disorder, twelve-year-old Riley was many things: an aspiring artist, a runner, a sister, and a friend. But now, from inside the inpatient treatment center where she's receiving treatment for anorexia, it's easy to forget all of that. Especially since under the influence of her eating disorder, Riley alienated her friends, abandoned her art, turned running into something harmful, and destroyed her family's trust. If Riley wants her life back, she has to recover. Part of her wants to get better. As she goes to therapy, makes friends in the hospital, and starts to draw again, things begin to look up. But when her roommate starts to break the rules, triggering Riley's old behaviors and blackmailing her into silence, Riley realizes that recovery will be even harder than she thought. She starts to think that even if she does "recover," there's no way she'll

stay recovered once she leaves the hospital and is faced with her dieting mom, the school bully, and her gymnastics-star sister. Written by an eating disorder survivor and activist, *Good Enough* is a realistic depiction of inpatient eating disorder treatment, and a moving story about a girl who has to fight herself to survive.
