upright bass and bluegrass music in general, this unique approach to creating basslines has something for everyone! The first half focuses on bass-playing essentials, giving the reader a solid technical footing with the instrument. Then, using his own baritone voice and the classic bluegrass song, “Going Down the Road Feeling Bad,” author Nate Sabat reveals his creative process in crafting effective basslines from the song’s melody and chord progression. The second half focuses on bass playing within the specific context of complementing bluegrass vocals. Well beyond what you might expect from an introductory method, Nate tastefully guides the reader by presenting multiple composed bassline options for each of five well-known bluegrass songs: Rabbit in the Log, Don’t this Road Look Rough and Rocky?, Long Journey Home, I Am a Pilgrim, and Angel Band. Nate’s warm,

pitch-perfect vocals can be heard on virtually every track, giving this method an undeniable musicality. A lightly accompanied vocal track with no bass is also provided, so you can be the sole upright or electric bassist in the band. You’ll not only want to back Nate up—but sing harmony with him too! The impulse to sing can’t help but influence your bass playing in a natural and positive way. Nate provides notated versions of the eight major scales most commonly used in bluegrass. Once you get them under your fingers, you’ll soon be able to play along with the book’s 50 companion online recordings. With its simple harmonic palette and repetitive nature, bluegrass music offers bassists the perfect opportunity to become musically literate. If you’ve hesitated to learn to read music, this is the time and place to eliminate that drawback. Working through these 46 pages will provide the

tools and confidence needed to create your own engaging and musical basslines and hopefully, you'll be inspired to continue your bluegrass bass journey for years to come. Includes access to online audio.

Bass Lines - Coleridge Goode 2014-10-20
Bass player Coleridge Goode recalls his Jamaican childhood, his arrival in Britain in the 1930s and the lively wartime London

club scene. He recounts his career including working with the Ray Ellington Quartet of *Goon Show* fame and his long association with altoist Joe Harriott, the brilliant but tragic pioneer of European free jazz. Goode recorded with Django Reinhardt, Stéphane Grappelli, Ray Nance, George Shearing and other jazz stars. Always among the innovators, he has helped blend jazz with Indian music, serial compositions, choral works and poetry. In this book he tells candidly of the challenges and rewards of the jazz life as well as the destructive aspects he has seen - especially racial discrimination and drugs. A contributor to many of the most exciting jazz developments of the past half century, Coleridge Goode is a thoughtful witness to a fascinating part of jazz history. 'The story of a man's resilience as well as an artist's ingenuity, of Goode's steely determination to find his place in a society in a state of

flux and play music that was both in and out of step with its shifting demographics.’ — Independent on Sunday. ‘Rich with anecdotes and one man’s observations on the music he loves.’— Jazz Review
