Seminal fantasy author William King continues his Tyrion & Teclis high elf saga Tyrion – unparalleled swordsman and tactician. Teclis – greatest natural sorcerer of the age, his power rivalling that of fabled Caledor.

Together these twins are the greatest high elf heroes to still walk the earth. Tyrion and Teclis venture into the deadly jungles of Lustria on a desperate hunt for the lost sword of Caledor Dragontamer, the fabled Sunfang. While they search for this ancient artefact, the dark elves continue their assault on Ulthuan, sending the

deadly assassin Urian Poisonblade to kill the Everqueen. And in the Realm of Chaos, the Witch King Malekith makes a pact with another enemy of Tyrion and Teclis – the sinister daemon N’Kari.

M’hashish - Mohammed Mrabet 1988

A classic of drug literature translated by Paul Bowles "Ah," said Hassan, "I don't believe in the world. There's another world where life is different." These are stories of that world. The word m’hashish (equivalent in Moghrebi of "behashished" or "full of hashish") is used only in a literal sense, but also figuratively, to describe a person whose behavior seems irrational or unexpected. The tales here deal with some of the possible results, desirable and questionable, of being in that state.

Sewing Secrets - 2017

"Sewing secrets is a limited edition artists’ book that explores personal sewing-related experiences. Sewing is part of our heritage and throughout history there has been an expectation that every girl should be taught the necessary sewing skills to enable her to run a successful home. These skills would either be passed down from mother or grandmother, or taught at school as part of home economics or needlecraft classes. This publication offers memories of sewing traditions, guilty pleasures and the odd act of rebellion, all of which highlight our relationship with needle and thread. The book is formed of 12 dress pattern envelopes that are zig-zagged stitched together; within each ‘envelope’ is an individually typed story illustrated using collage and letterpress" - from the-case.co.uk website.

The Rise And Fall Of Singer Manufacturing In Britain -

Alex Askaroff 2019-11-11

In 1851 Isaac Singer brought onto the market the first practical sewing machine in history. He had combined all the ideas that had gone before to make a machine that actually worked. The result was explosive. By the 1870's the humble sewing machine had become the most wanted item on the planet. Why? Because with it, anyone could pop down their local market on Saturday and wear a new dress to church on Sunday! Cheap material from the Northern Powerhouses, and the sewing machine, meant that beautiful clothes were no longer the sole domain of the

upper classes. Here is the fascinating story of the rise and fall of Singer manufacturing in Britain, brought to you by world renowned author Alex Askaroff

Translating Between Hand and Machine Knitting - Vikki Haffenden 2018-08-17

Knitting is an enduringly popular and creative craft, but many associate the techniques primarily with hand knitting, believing machine knitting to require arcane knowledge. However, machine knitting is formed from the same stitch structures and is equally versatile.

Translating between Hand and Machine Knitting rediscovers the potential of domestic machine knitting to open up new possibilities for dedicated knitters, offering an equally creative yet timesaving method of crafting new designs. With over 500 images, this comprehensive guide offers detailed step-by-step explanations of techniques in both hand and machine knitting, whilst also offering inspiration and design advice. Dr Vikki Haffenden, a highly experienced knit designer, technical knitter and educator, shares the knowledge and understanding she has accumulated over a career designing for the knitted textile and knitwear

industry and as a lecturer in knitted textile design. Topics covered include: Illustrated step-by-step instructions of hand and machine knitting techniques; Qualities and behaviours of fibres and yarns and their suitability for knitting; Equipment requirements and advice; Basic stitches and stitch constructions of hand and machine knitting; Combining stitches to make surface texture and colour patterns; Shaping and knitting 3D shapes; Calculating garment shape and size from tension swatches. Superbly illustrated with 397 colour photographs and 130 line artworks.

Freehand Machine Embroidery - Poppy Treffry 2016-11-01
Break the rules with a sewing style that's all about irresistibly rough edges, uneven stitching and mismatched fabric! Step into the studio of popular textile designer Poppy Treffry, as she demonstrates how to create quirky, fun and memorable sewing projects using freehand machine embroidery, in this follow up to her first book *Free and Easy Stitch Style*. Learn to draw and doodle with your sewing machine, using scraps of new, used and vintage fabrics for one-of-a-kind creations. This book will make you look at your sewing machine in a whole new light - not just as a maker of curtains and tablecloths, but as an artist's tool. As you work your way through the steps and become more

confident with the techniques, you'll be able to make your sewing machine do things you never thought it could! Poppy guides you through the basics, from getting to grips with your sewing machine and setting the right tension to choosing fabrics and hooping up ready to stitch. She then demonstrates how the core techniques, including outlining, shading and applique, are used to create pictures with charm. She shows how layering fabric pieces and leaving edges to fray add to the unique and personal effect. Once you have mastered the techniques, 16 projects allow you to put your new skills to use to make practical and desirable sewn objects. Make your own embroidered craft kit in the Getting Crafty chapter, with needlecase, pincushion, sewing kit and knitting bag designs. Create beautiful gifts for little ones in the New Arrivals chapter, with a tooth fairy pillow pouch, baby bib, nursery wall hanging and quilted baby blanket. Set the stage for a celebration in the Party Time chapter, with nautical bunting, place name tags, a party bag and a stunning tablecloth design. Finally, have a great getaway with the Happy Holidays chapter, with designs for a sunglasses case, bookmark, wash bag and beach backpack. With style and substance, these charming project ideas are sure to excite and inspire you. Step-by-step instructions, helpful illustrations and photographs combine with a fresh design to offer you a new twist in needlecrafting.
