Khmer Women on the Move - Annuska Derks

2008

Khmer Women on the Move offers a fascinating ethnography of young Cambodian women who move from the countryside to work in Cambodia's capital city, Phnom Penh. Female migration and urban employment are rising, triggered by Cambodia's transition from a closed socialist system to an open market economy. This book challenges the dominant views of these young rural women-- that they are controlled by global economic forces and national development policies or trapped by restrictive customs and Cambodia's tragic history. The author shows instead how these women shape and influence the processes of change taking place in present-day Cambodia. Based on field research among women working in the garment industry, prostitution, and street trading, the book explores the complex interplay between their experiences

and actions, gender roles, and the broader historical context. The focus on women involved in different kinds of work allows new insight into women's mobility, highlighting similarities and differences in working conditions and experiences. Young women's ability to utilize networks of increasing size and complexity allows them to move into and between geographic and social spaces that extend far beyond the village context. Women's mobility is further expressed in the flexible patterns of behavior that young rural women display when trying to fulfill their own "modern" aspirations along with their family obligations and cultural ideals.

Whether it's for business or pleasure, pick up 6,000 key Portuguese words and phrases on a range of subjects: from shopping and eating out, to sport and beyond quickly and easily. Find every word you need to know fast using the clearly labelled illustrated scenes from everyday life. Plus, find helpful

features on key Portuguese nouns, verbs and phrases to improve your understanding of the language. Take it wherever your travels take you.

**Engineering Abstracts** - 1912

**The Khmer Empire** - Claude Jacques 2007

At its height, the Khmer Empire stretched from Angkor as far west as Muang Singh on the border with present-day Burma and Thailand and as far north as Wat Phu on the banks of the Mekong river. Following on from the great success of *Angkor: Cities and Temples*, the renowned scholar and epigraphist, Claude Jacques, explores the achievements and developments of the Khmer people from the 5th to the 13th century. Beginning with the early pre-Angkorean site of Funan and ending with the reign of the great Khmer king, Jayavarman VII, the author journeys behind the well-known temples of Angkor Wat, to reveal the

marvels of many temples hitherto inaccessible to visitors. Thus the reader is taken a virtual tour of sites as varied as Preah Vihear perched on a steep cliff overlooking the Cambodian plain, the mysterious and extensive site of Preah Khan of Kompong Svay and the exquisitely carved temple in the forest of Beng Mealea, to mention but a few. The author speculates as to the origins and reasons behind each site and how the Khmer empire functioned over many hundreds of years. Superbly photographed by Philippe Lafond, the book includes site plans, old photographs, aerial shots of the ancient cities as well as detailed photographs showing the reliefs and other magnificent carvings. Never before has the richness and diversity of the Khmer Empire been captured so evocatively.

**Historical Dictionary of Thailand** - May Kyi Win  
2005-10-04

The second edition, which first provides an

overview of the country in the introduction, traces the long and complicated history in the chronology and goes into much greater detail in the dictionary. Offering 64 new entries, as well as updates and revisions to older ones, the dictionary presents important persons, places, institutions, and more in an easily accessible resource. Significant recent events are discussed including the 1997-98 Thai economic crisis and its effects, reforms of the national government, and the growth in political roles of both businessman and other middle class members. In addition, the book updates basic information relative to population growth, urbanization, and industrialization of the economy. All this is topped off by a solid bibliography making this an essential reference tool.

Uniform Trade List Annual - 1995

World Dictionaries in Print 1983 - 1983

**English-Spoken Khmer Dictionary** - Keesee,  
2012-11-12

This is a unique learning aid for making rapid headway in the acquisition of comprehension and speaking ability in Khmer, the language of Cambodia. In recent years, Cambodia has moved from a society menaced by war to a society orientated to commerce. With this shift in attention from military to social and economic matters has come an increase in the numbers of foreign visitors and residents in the country for the purposes of

tourism, aid work or investment-related activities. Many of these foreigners or 'chun bor-tay' speak English as a first or second language, but know little of written or spoken Khmer. This dictionary is designed to enable residents and visitors to better understand both the country and its people through speaking to Cambodians in their own language. With more than 6,000 key word entries, the "English-Spoken Khmer Dictionary" has the distinctive feature of presenting Khmer words in an all-new easily grasped Romanized writing system. Incorporating phrases is essential for tourists, business travellers, scholars and long term Cambodia residents who wish to become more familiar with a country poised to play an increasingly significant role in the area.

*Periplus Pocket Mandarin Chinese Dictionary* - Philip Yungkin Lee 2017-08-29
