[Depth Astrology](#) - Gargatholil 2014-03-03

This is the third volume of Gargatholil's 4-volume work, Depth Astrology: An Astrological Handbook--the first comprehensive handbook interpreting the astrological symbol set in the tradition of such pioneers as Dane Rudhyar, Liz Greene and Stephen Arroyo. In this volume, planetary placements in each of the 12 zodiacal houses are interpreted using the psycho-transformative depth astrology approach. "Planets" include the 10 traditional astrological planets, the Moon's Nodes and the Part of Fortune. Each interpretation contains: an explanation of the essential meaning and potential manifestations of the planet in its house placement, the transcendent potential of the planetary placement, manifestations of the planetary placement from a place of insecurity, and the focus of each of the primary psychological functions symbolized by the planet. Depth Astrology - Planets in Houses is a valuable tool for the novice just entering the field of depth astrology, for the astrological professional desiring a look-up of planetary interpretations that provide guidance to the unfolding potentialities of planetary placements, or for anyone seeking to use the astrological symbol-set as a tool for self-discovery and growth. Novices are encouraged to purchase Volume 1 -

Introduction. Depth Astrology has been reviewed in The Mountain Astrologer, Dec/Jan 2018 issue.

**Astrology for All** - Alan Leo 2006-09-01

*Jung's Studies in Astrology* - Liz Greene 2019-09-04

Winner of the IAJS award for best authored book of 2018! C. G. Jung had a profound interest in and involvement with astrology, which he made clear in virtually every volume of the Collected Works, as well as in many of his letters. This ancient symbolic system was of primary importance in his understanding of the nature of time, the archetypes, synchronicity, and human fate. *Jung's Studies in Astrology* is an historical survey of his astrological work from the time he began to study the subject. It is based not only on his published writings, but also on the correspondence and documents found in his private archives, many of which have never previously seen the light of day. Liz Greene addresses with thoroughness and detailed scholarship the nature of Jung's involvement with astrology: the ancient, medieval, and modern sources he drew on, the individuals from whom he learned, his ideas about how and why it worked, its religious and philosophical implications, and its applications in the treatment of his patients as well as in his own self-understanding. Greene clearly demonstrates that any serious effort to understand the development of Jung's psychological theories, as well as the nature of his world-view, needs to involve a thorough exploration of his astrological work. This thorough investigation of a central theme in Jung's work will appeal to analytical psychologists and Jungian psychotherapists, students and academics of Jungian and post-Jungian theory, the history of psychology, archetypal thought, mythology and folklore, the history of New Age movements, esotericism, and psychological astrology.

*Soul Astrology* - Ruth Hadikin 2016

This amazingly simple method from a Tibetan Master unlocks the secrets of your Soul - revealing your Soul Path and life purpose for this incarnation. A potentially mind-blowing read, *Soul Astrology* can help you to get clear on what you came here to do AND how you'll do it! What you can learn in *Soul Astrology*: \* WHAT you came here to do \* HOW you'll do it \* BLOCKS that are in your way \* HOW to REMOVE them \* HOW to FIND your SOUL PATH in YOUR HOROSCOPE \* Your INNATE MASTERY and GIFTS that you brought with you that will accomplish

your life purpose During the early twentieth century a Tibetan Master who simply called himself "The Tibetan" transmitted a body of work known as *A Treatise On The Seven Rays*, to an Englishwoman named Alice Bailey. Part of that work was the volume known as *Esoteric Astrology*. Many have studied *Esoteric Astrology* and found the work to be complex in it's presentation. In *Soul Astrology* Ruth Hadikin cuts through the complexity so you can easily access the essential wisdom of the Tibetan Master DK. This amazingly simple (yet deeply profound) approach to your birth chart shows you how to easily identify your Soul's Path and determine your life purpose for this incarnation. "Who am I?" and "Why am I here?" are the biggest questions that you will ever ask yourself as you walk through this journey of life. The answers are hiding in plain sight and can easily be revealed through your horoscope. You just need to know how to look, and this book is about to tell you...

Drawing upon *Esoteric Astrology*, the Greek myth of Hercules, and ancient principles from spiritual masters, Ruth Hadikin describes the journey of your Soul through the twelve signs of the Zodiac. Your Soul's Path and your life purpose will become crystal clear to you. For spiritual seekers and lovers of astrology alike, *Soul Astrology* is a powerful addition to your toolbox for your ongoing journey of spiritual awakening.

**Astrology and Popular Religion in the Modern West** - Dr Nicholas Campion 2012-09-01

This book explores an area of contemporary religion, spirituality and popular culture which has not so far been investigated in depth, the phenomenon of astrology in the modern west. Locating modern astrology historically and sociologically in its religious, New Age and millenarian contexts, Nicholas Campion considers astrology's relation to modernity and draws on extensive fieldwork and interviews with leading modern astrologers to present an invaluable contribution to our understanding of

the origins and nature of New Age ideology. This book challenges the notion that astrology is either 'marginal' or a feature of postmodernism. Concluding that astrology is more popular than the usual figures suggest, Campion argues that modern astrology is largely shaped by New Age thought, influenced by the European Millenarian tradition, that it can be seen as an heir to classical Gnosticism and is part of the vernacular religion of the modern west.

Horary Astrology - Alan Leo 2006-09-01

Alan Leo, the father of modern astrology, opened up the secrets of divination by the stars to the general public in the early 20th century with a popular line of astrology manuals that set off a craze for horoscopes that continues to this day. In this compact 1909 volume, he demonstrates how anyone can "obtain an answer to any question of which the mind is earnestly desirous of a true solution." Discover how to find the answers to conundrums involving... . monetary affairs . children and friendships . marriage, partnerships, and lawsuits . long journeys . honor and employment . hopes and wishes . and more. British astrologer WILLIAM FREDERICK ALLAN (1860-1917), a.k.a. Alan Leo, published Astrologer's Magazine as well as a line of astrological materials; he founded the Astrological Lodge of the Theosophical Society in 1915. *Foreseeing the Future: Evangeline Adams and Astrology in America* - Karen Christino 2019-03-26

Once the world's most famous astrologer, Evangeline Adams popularized astrology in the U. S. *Foreseeing the Future* chronicles Adams' life and forecasts, and also illuminates the history of astrology and the occult in the 19th and early 20th centuries. Karen Christino's one-of-a-kind biography tells the astounding tale of a woman who defied convention and made a lasting impression on American culture. Adams wrote four books and had a top-rated radio show in the early 1930s. She battled legal authorities in New York City for the right to practice astrology, married a man over 20 years her junior, founded a tremendous business enterprise and made stunning predictions. J.P. Morgan, Tallulah Bankhead and Joseph Campbell were just a few of her renowned clients. This book will fascinate anyone interested in cultural history, women's studies or astrology-skeptic and believer, expert and novice alike. "Everyone in astrology will adore this book, written grippingly and beautifully by Karen Christino... One can not put it down, nor ever forget it!" - Noel Tyl "A must read for anyone interested in the history of astrology in the U.S." - Robert Zoller "Whether Adams was indeed a great

astrologer or simply an opportunistic charlatan is a judgment best left to the reader, who will undoubtedly be absorbed by Ms. Christino's affectionate yet balanced account. - Judi Vitale, The Mountain Astrologer"... a major contribution to the history of astrology. If you want to know the truth, both factual and astrological, behind the legend of Evangeline Adams, read this book." - Ken Irving, American Astrology Magazine  
A consulting astrologer in New York City for over 20 years, Karen Christino's books include three on Evangeline Adams (a biography, astro-biography and a mystery novel) and editing the work of Al H. Morrison. She has also written about wedding astrology and declinations, and wrote horoscope columns for Glamour, Cosmopolitan and Modern Bride magazines, among many others.

**Encyclopedia of Astrology** - Nicholas DeVore 2005-07

Complete, concise, informative and highly intelligent.

**Esoteric Astrology** - Alice A. Bailey 1975-12-01

The science of esoteric astrology is said to be the basic occult science for the future. It will come into its own as the esoteric or soul factors begin to supersede the exoteric focus of the vast majority of professional and amateur astrologers today. This is the science which deals with those conditioning and governing energies and forces which play through and upon the whole field of space and all that is found within that field. The Ancient Wisdom teaches that Space is an entity. It is with the life of this entity and with the forces and energies, the impulses and the rhythms, the cycles and the times and seasons, that esoteric astrology deals.

Esoteric astrology can be applied by the trained worker in a variety of ways; in medicine, psychology, science, education; to an evaluation of human problems, of the destiny of nations, of a correct interpretation of world affairs, and so on. It is necessary, however, that at this stage the application of esoteric astrology to human life should be recognised as experimental and tentative, so that each individual worker can adjust his thinking and his methods according to his own wrought-out experience. to work depend entirely on a consciousness evolving out of control by the personality into the life of the soul, out of separateness and self-centredness into a realisation of unity, and absorption into a centre of

group consciousness. Astrology is described in this book as the science of relationships - the relationship existing between all living organisms within the universe. Not only the qualities of the ray energies affect these centres of consciousness, but also the quality and energy of the ruling planets and the zodiacal signs. Seen from the exoteric outside, astrology is a vast and most involved and complex subject. From the esoteric inside, while it is still vast, all-inclusive and complex, it is also possible to perceive the thread which unites and the pattern which prevails throughout the whole system. A basic simplicity in the grand design emerges, therefore, which can serve to interpret the whole. study: (1) The Zodiac and the Rays (2) The Nature of Esoteric Astrology (3) The Science of Triangles (4) The Sacred and Non-Sacred Planets (5) Three Major Constellations (6) The Three Crosses (7) The Rays, Constellations and Planets. In addition there is an appendix which summarises and tabulates many of the factors of fundamental importance to the study of esoteric astrology. This is a book for the true occult student. It may appear to be too highly specialised for some; but every esoteric worker finds eventually that his work requires an understanding of the basic astrological factors which affect all relationships and all forms of life within the ethers of space, so that he may learn how to cooperate intelligently in the evolution of the whole by the right adjustment of the part within that whole; until eventually the many are absorbed into the One. The books of Alice A. Bailey, written in cooperation with a Tibetan teacher between 1919?1949, constitute a continuation of the Ageless WisdomCa body of esoteric teaching handed down from ancient times in a form which is always suitable to each period. writings offer an unparalleled spiritual approach to such subjects as the teaching on Shamballa and the Path of spiritual evolution; the spiritual Hierarchy; the new discipleship and training in meditation as a form of service; the teaching on the seven rays and the new psychology of the soul; the teaching on esoteric astrology; and the new world religion, which emphasizes the common thread of truth linking all the major world faiths.

**The Progressed Horoscope: A Sequel to How to Judge a Nativity,**

**Wherein the Progression of the Horoscope Is Exhaustively Considered, to Which Is** - Alan Leo 2017-08-20

*Modern Astrologers* - Kim Farnell 2019-01-16

The first modern astrologer, Alan Leo took an obscure, niche interest, re-packaged it, and placed it firmly at the centre of popular culture. He was part of the New Age before many knew it even existed.

*Jung on Astrology* - C. G. Jung 2017-09-05

Jung on Astrology brings together C. G. Jung's thoughts on astrology in a single volume for the first time, significantly adding to our understanding of Jung's work. Jung's Collected Works, seminars, and letters contain numerous discussions of this ancient divinatory system, and Jung himself used astrological horoscopes as a diagnostic tool in his analytic practice. Understood in terms of his own psychology as a symbolic representation of the archetypes of the collective unconscious, Jung found in astrology a wealth of spiritual and psychological meaning and suggested it represents the "sum of all the psychological knowledge of antiquity." The selections and editorial introductions by Safron Rossi and Keiron Le Grice address topics that were of critical importance to Jung—such as the archetypal symbolism in astrology, the precession of the equinoxes and astrological ages, astrology as a form of synchronicity and acausal correspondence, the qualitative nature of time, and the experience of astrological fate—allowing readers to assess astrology's place within the larger corpus of Jung's work and its value as a source of symbolic meaning for our time. The book will be of great interest to analytical psychologists, Jungian psychotherapists and academics and students of depth psychology, Jungian and post-Jungian studies, as well as to astrologers and therapists of other orientations, especially transpersonal.

**Esoteric Astrology** - Torgny Jansson 2005-12-05

If you are interested in understanding more about your true self, the purpose of life and your spiritual path, Esoteric Astrology is the book for you. You will be guided into a deeper dimension of astrology and the spiritual laws behind all life, for example the law of reincarnation and karma. There is a great difference between esoteric astrology that

interprets the horoscope from the viewpoint of the soul, and traditional astrology that often is preoccupied with outer events and the desires and reactions of the outer self. An esoteric astrologer looks for the purpose of the soul, and the inner causes behind what happens to you in life. What are your talents and limitations, so that you can make use of and increase your good sides and eliminate or limit the bad habits. The book is written in a simple language, it is a beginner's guide to astrology. You will need no previous knowledge about astrology to read this book. This book is meant for anyone who is interested in spirituality and astrology. But it is also recommended for you who have studied astrology and wish to add a spiritual dimension to the subject. This book includes many important areas, such as: human relations, how to cast a horoscope, diseases, the purpose of life, and an esoteric interpretation of the signs. The book helps you to understand more about yourself. But to this is added astrology for humanity and nations, how astrological energies are influencing and are determinative for society. From the perspective of a spiritual background, this is indeed an entirely new way of looking at our civilization.

Midpoints: Unleashing the Power of Your Planets - Michael Munkasey 2018-05-08

Since the 1st edition of this book was published in 1991, it has been a widely used reference book for many astrologers and their students who have recognized the value and importance in horoscope interpretation of the midpoints--the halfway point between any two planets or a planet and a highly significant point such as Midheaven, Ascendant or the north or south Node of the Moon. The format of this edition is very similar to the first edition, but you will find that the author has updated the interpretive text, so do read it carefully...and if you have not used midpoints routinely before, you will soon realize how significant they can be in chart interpretation! Following are a few comments from well-known astrologers familiar with the first edition and midpoint techniques.

**Esoteric Astrology** - Alan Leo 1978-03

For the first time in the history of astrology, an entirely new method of

reading horoscopes is given. The individual and personal stars of all individuals are explained by a series of star maps, showing how the age of the soul may be astrologically discovered. Complete instructions are provided for creating a star map from a horoscope.

*Symbolism and Astrology: An Introduction to Esoteric Astrology* - Alan Leo 2005-12-01

To the uninitiated, the science or art of Astrology appears complicated and its study too intricate to be followed or understood easily; this notion, however, is erroneous and is mainly caused by confusion of thought and the misconceptions which bias or prejudice has introduced into the subject.-from "Chapter 1: The Simplicity of Astrology" Some consider him the father of modern astrology, for in the early 20th century, prominent British astrology Alan Leo opened up the secrets of divination by the stars to the general public with his line of "Modern Astrology" manuals, a popular series of books that set off a craze for horoscopes that continues to this day. In this 1914 guide, Leo explains, in easy-to-understand language, the basic symbology that underlies the reading of the zodiac: the many aspects of the circle that can represent the solar system, the sun, and the moon; the cross, expressing the creative power of life and the physical body; the basic signs that signify each of the houses of the zodiac and each of the planets and what they metaphorically denote, and more. This is an invaluable resource for modern astrology buffs and those interested in the history of the paranormal. British astrologer WILLIAM FREDERICK ALLAN (1860-1917), a.k.a. Alan Leo, published Astrologer's Magazine as well as a line of astrological materials; he founded the Astrological Lodge of the Theosophical Society in 1915.

[Ancient Knowledge Networks](#) - Eleanor Robson 2019-11-14

Ancient Knowledge Networks is a book about how knowledge travels, in minds and bodies as well as in writings. It explores the forms knowledge takes and the meanings it accrues, and how these meanings are shaped by the peoples who use it. Addressing the relationships between political power, family ties, religious commitments and literate scholarship in the ancient Middle East of the first millennium BC, Eleanor Robson focuses

on two regions where cuneiform script was the predominant writing medium: Assyria in the north of modern-day Syria and Iraq, and Babylonia to the south of modern-day Baghdad. She investigates how networks of knowledge enabled cuneiform intellectual culture to endure and adapt over the course of five world empires until its eventual demise in the mid-first century BC. In doing so, she also studies Assyriological and historical method, both now and over the past two centuries, asking how the field has shaped and been shaped by the academic concerns and fashions of the day. Above all, Ancient Knowledge Networks is an experiment in writing about 'Mesopotamian science', as it has often been known, using geographical and social approaches to bring new insights into the intellectual history of the world's first empires.

[Depth Astrology](#) - Gargatholil 2014-08-04

This is the introductory volume to Gargatholil's 4-volume work, Depth

Astrology: An Astrological Handbook--the first comprehensive handbook for the interpretation of planetary positions (in signs, houses and aspect to each other) written from a depth astrology perspective. Here, Gargatholil explains the theory and philosophy behind depth astrology, a psycho-transformative approach to chart interpretation, and his treatment of the astrological symbol-set. For those new to astrology, or to the field of depth astrology as exemplified in the works of such pioneers as Dane Rudhyar, Liz Greene and Stephen Arroyo, Gargatholil provides a basic guide to the astrological symbol-set. Essential meanings are discussed for each of the planets, signs, houses, aspects, elements and modalities. Other volumes of this set are: Planets in Signs, Planets in Houses and Planets in Aspect. Depth Astrology has been reviewed in The Mountain Astrologer, Dec/Jan 2018 issue.

The Dark Lord - Peter Levenda 2013-01-01

One of the most famous - yet least understood - manifestations of Thelemic thought has been the works of Kenneth Grant, the British occultist and one-time intimate of Aleister Crowley, who discovered a hidden world within the primary source materials of Crowley's Aeon of Horus. Using complementary texts from such disparate authors as H.P. Lovecraft, Jack Parsons, Austin Osman Spare, and Charles Stansfeld Jones ("Frater Achad"), Grant formulated a system of magic that expanded upon that delineated in the rituals of the OTO: a system that included elements of Tantra, of Voudon, and in particular that of the Schlangenkraft recension of the Necronomicon, all woven together in a dark tapestry of power and illumination. The Dark Lord follows the themes in the writings of Kenneth Grant, H.P. Lovecraft, and the Necronomicon, uncovering further meanings of the concepts of the famous writers of the Left Hand Path. It is for Thelemites, as well as lovers of the Lovecraft Mythos in all its forms, and for those who find the rituals of classical ceremonial magic inadequate for the New Aeon. Traveling through the worlds of religion, literature, and the occult, Peter Levenda takes his readers on a deeply fascinating exploration on magic, evil, and The Dark Lord as he investigates one of the most neglected theses in the history of modern occultism: the nature of the Typhonian

Current and its relationship to Aleister Crowley's Thelema and H.P. Lovecraft's Necronomicon.

**Alan Oken's Complete Astrology** - Alan Oken 2006-10-01

"Our job is to lovingly and consciously cooperate with the forces at work on this globe at this time. Astrology provides a way to link the individual with a conscious attunement to the planetary forces that are part of and affect the whole." More than fifteen years ago, Alan Oken pioneered the development of New Age astrology with the publication of three books collected in this comprehensive edition. Now, newly updated, Alan Oken's Complete Astrology charts the cosmological pathway to greater personal fulfillment and spiritual attunement through a deeper, more intuitive understanding of our own power--and the age we live in. Featuring state-of-the-art astrological charts and diagrams, line drawings, charts of contemporary celebrities, an exhaustive bibliography and much more, this new edition of the classic trilogy is one of the most accessible and informative guides to the heavens ever written. For beginners and experts alike, Alan Oken's Complete Astrology is your key to understanding the laws of the new planetary age.

The Luminaries - Eleanor Catton 2013-10-15

The winner of the Man Booker Prize, this "expertly written, perfectly constructed" bestseller (The Guardian) is now a Starz miniseries. It is 1866, and Walter Moody has come to stake his claim in New Zealand's booming gold rush. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold has been discovered in the home of a luckless drunk. Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping, banking, and gold rush boom and bust, *The Luminaries* is at once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly confirms that Eleanor Catton is one of the brightest stars in the international literary firmament.

Casting the Horoscope - Alan Leo 2013-10

This is a new release of the original 1933 edition.
