Good and Cheap - Leanne Brown 2015-07-14

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master’s candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government’s Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well:

Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of

viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Midnight Runner - Jack Higgins 2003-04-01
“Death is the midnight runner.” – Arab proverb
Higgins’ last novel, *Edge of Danger*, was “hugely entertaining,” said the Los Angeles Times. “The publisher describes it as a powerful thriller, and it’s no lie.” At its end, the murderous Arab/English Rashid family lay decimated – but not extinct. And that may have been Sean Dillon’s fatal error. Her brothers killed one by one, Kate Rashid swears vengeance on all who have harmed her family. Never mind that they tried to assassinate the President of the United States, that villainy ran in their veins. They were her brothers, and her enemies would pay. British

agent Sean Dillon...White House operative Blake Johnson...the President himself...their time was coming, and only she knew how – or when.

Brilliantly suspenseful, *Midnight Runner* is further proof that, in the words of the Associated Press, “when it comes to thriller writers, one name stands well above the crowd – Jack Higgins.”
