(Features content previously published in the official Buffy the Vampire Slayer Magazine.)

How to Not Die Alone - Logan Ury

2021-02-02

A “must-read” (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, “Why has everyone found love except me?” You’re not the only one. Great relationships don’t just appear in our lives—they’re the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn’t lead to results. You have to

actually change your behavior. Ury shows you how. This “simple-to-use guide” (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You’ll learn: -What’s holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn’t) -How to overcome the perils of online dating (and make the apps work for you) -How to meet more people in real life (while doing activities you love) -How to make dates fun again (so they stop feeling like job interviews) -Why “the spark” is a myth (but you’ll find love anyway) This “data-driven” (Time),

step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. How to Not Die Alone will help you find, build, and keep the relationship of your dreams.

**Allusion and Intertext** - Stephen Hinds 1998-01-29

The study of the deliberate allusion by one author to the words of a previous author has long been central to Latin philology. However, literary Romanists have been diffident about situating such work within the more spacious inquiries into intertextuality now current. This 1998 book represents an attempt to find (or recover) some space for the study of allusion - as a project of continuing vitality - within an excitingly enlarged universe of intertexts. It combines traditional

classical approaches with modern literary-theoretical ways of thinking, and offers attentive close readings, innovative perspectives on literary history, and theoretical sophistication of argument. Like other volumes in the series it is among the most broadly conceived short books on Roman literature to be published in recent years.

**Pop Smoke, Birds Inbound** - Rick R. Garcia 2016-02-10

The Vietnam War put a once-proud nation in turmoil. During the height of the conflict, the antiwar movement caused civil unrest in America. Young men evaded the draft by fleeing to Canada, claiming conscientious objector status, homosexuality, or marriage with child. But author Rick R. Garcia, the only son born to Hispanic parents, got caught up in

the 1969 lottery draft. Pop Smoke, Birds Inbound chronicles Garcias story as he was shipped far away to the land of Hush-a-bye to fight in the most controversial war in which the United States ever participated. He was inducted into the US Army on August 20, 1970, and after the completion of eight weeks of intense advance infantry training, he was issued orders to report to Oakland Army Base, gateway to Southeast Asia. Eventually, Garcia was assigned to Blackfoot Platoon, Company Bravo, Second Battalion, Eighth Regiment, First Cavalry Division. Pop Smoke, Birds Inbound narrates a factual account of one soldiers triumphs and failures between firefights a story of survival, from living to loving. It presents a unique glimpse into the life of a grunt, from combat to drugs

to sexual exploits, along with incisive portraits of those individuals who fought in a war the United States would never win.

**I Dated This Guy Once ?** - Toni Rae  
2013-09

This is my story, no fabrications, no bullshit, just a small glimpse into the life of a young woman. There is a lot to be said about going through the volatile years of ages 18-26. How do we get through them? How do we approach our decisions? How can we tell the difference between a man with good intentions and a man with a mission to get laid? You honestly can't. There are so many things that young women must learn on their own. No matter how much a father or mother try to protect their children from the world, somehow the world happens anyway. I Dated This Guy Once... is

intended to not only entertain you, but also to somehow educate you through my experiences. We are all made up of our past experiences, both good and bad. It is these experiences that form the fabric of the future. With that said, maybe people will start looking at life, relationships and marriage differently. Maybe perspective is all we need to change this society. I have no idea. If nothing else, you will undoubtedly be entertained. Red wine recommended.

*So You Think Your Dreams Are Weird?!*

- Barry Morgan 2008

Dreams fascinate everyone from all walks of life. Problem is, most people can't remember what they dream about, let alone understand them. Something amazing lies just beyond our grasp, teasing and tantalizing us with mysteries, puzzles, and utter

randomness. Starting on May 31, 2006 I chronicled my dreams for an entire calendar year. What I found is what I have always known, but hadn't taken the time to study. MY DREAMS ARE WEIRD, HILARIOUS, AND ENTERTAINING. From something out of Max Brown's 'The Zombie Survival Guide', to Will Farrell and I escaping from an aquatic labor camp with a stick of dynamite and a head of lettuce, my dreamscape is sure to evoke laughter, fear, and perhaps a little enlightenment. So You Think Your Dreams Are Weird is guaranteed to be a roller coaster ride unlike any other.

*Born to Be Wild* - Jess Shatkin  
2017-10-03

A groundbreaking, research-based guide that sheds new light on why young people make dangerous choices--

and offers solutions that work  
Texting while driving. Binge-  
drinking. Unprotected sex. There are  
plenty of reasons for parents to  
worry about getting a late-night call  
about their teen. But most of the  
advice parents and educators hear  
about teens is outdated and  
unscientific--and simply doesn't  
work. Acclaimed adolescent  
psychiatrist and educator Jess  
Shatkin brings more than two decades'  
worth of research and clinical  
experience to the subject, along with  
cutting-edge findings from brain  
science, evolutionary psychology,  
game theory, and other disciplines --  
plus a widely curious mind and the  
perspective of a concerned dad  
himself. Using science and stories,  
fresh analogies, clinical anecdotes,  
and research-based observations,

Shatkin explains: \* Why "scared  
straight," adult logic, and draconian  
punishment don't work \* Why the teen  
brain is "born to be wild"--shaped by  
evolution to explore and take risks \*  
The surprising role of brain  
development, hormones, peer pressure,  
screen time, and other key factors \*  
What parents and teachers can do--in  
everyday interactions, teachable  
moments, and specially chosen  
activities and outings--to work with  
teens' need for risk, rewards and  
social acceptance, not against it.  
"Presents new research, as well as  
insights as a clinician and a  
father...This book is a clear argument  
to stop putting ourselves in our  
children's shoes, and to try putting  
ourselves in their minds, instead."  
--The Washington Post "With stories  
(personal and professional),

neuroscience and cognition, psychology and clinical experience Dr. Shatkin offers an abundance of understandable, engaging and actionable information. He explains why and shows how. We can reduce risk in the adolescents we love and teach, but only if we know to how to do so and then do it. Born To Be Wild shows us the way to succeed.” --Psychology Today Winner, National Parenting Product Award 2017

**Catalogue of the Minneapolis Public Library** - Minneapolis Public Library 1901

*The Goddess Myth in Contemporary Literature and Popular Culture* - Mary J. Magoulick 2022-02-15

Goddess characters are revered as feminist heroes in the popular media of many cultures. However, these

goddess characters often prove to be less promising and more regressive than most people initially perceive. Goddesses in film, television, and fiction project worldviews and messages that reflect mostly patriarchal culture (included essentialized gender assumptions), in contrast to the feminist, empowering levels many fans and critics observe. Building on critiques of other skeptical scholars, this feminist, folkloristic approach deepens how our remythologizing of the ancient past reflects a contemporary worldview and rhetoric. Structures of contemporary goddess myths often fit typical extremes as either vilified, destructive, dark, and chaotic (typical in film or television); or romanticized, positive, even utopian (typical in women’s speculative

fiction). This goddess spectrum persistently essentializes gender, stereotyping women as emotional, intuitive, sexual, motherly beings (good or bad), precluded from complex potential and fuller natures. Within apparent good-over-evil, pop-culture narrative frames, these goddesses all suffer significantly. However, a few recent intersectional writers, like N. K. Jemisin, break through these dark reflections of contemporary power dynamics to offer complex characters who evince "hopepunk." They resist typical simplified, reductionist absolutes to offer messages that resonate with potential for today's world. Mythic narratives featuring goddesses often do, but need not, serve merely as ideological mirrors of our culture's still problematically reductionist approach

to women and all humanity.  
*thirtysomething at thirty: an oral history* - Scott Ryan 2017-06-25  
Babyboomers in their thirties never possessed a collective voice until *thirtysomething* (1987-1991), a thirteen-time Emmy Award-winning series, captured the essence of their angst. Author Scott Ryan now gives the cast and crew their voice on the making of all 85 episodes. Revealing behind-the-scenes stories are recalled by Ken Olin, Timothy Busfield, Mel Harris, Melanie Mayron, Peter Horton, Patricia Wettig, Polly Draper, Brandy Alexander, Joseph Dougherty, Liberty Godshall, Jill Gordon, Paul Haggis, Ann Lewis Hamilton, Winnie Holzman, Richard Kramer, Ron Lagomarsino, Ellen S. Pressman, Susan Shilliday, Scott Winant, Kenneth Zunder, Edward Zwick,

and Marshall Herskovitz. They remember the episode plots, controversies, and fights with censors in revealing, no-holds-barred detail. Enjoy other remembrances from actors David Clennon, Dana Delany, Michael Feinstein, David Marshall Grant, Patricia Kalember, Nick Meglin, Corey Parker, Charlotte Stewart, and Lenny Von Dohlen. Discover: · How the series was canceled, and how the creators decided to end the series without telling anyone, and read the originally scripted ending that was never produced. · A special section on directing. · An essay by actor Peter Horton (Gary). · An essay by a Mad magazine editor, who appeared in a cameo. · How Ken Olin and his real life wife, Patricia Wettig, managed to work together. · Writer Richard

Kramer on writing the controversial "Strangers" episode. · Actors Timothy Busfield, Melanie Mayron, and Peter Horton on acting and learning to direct. Illustrated with over 150 rare photos, including original TV Guide ads, press pictures, and sets and props. Foreword by Emmy-nominated writer Ann Lewis Hamilton. Afterword by Emmy-winning writer, Joseph Dougherty.

Critical Companion to F. Scott Fitzgerald - Mary Jo Tate 2007

The Great Gatsby and its criticism of American society during the 1920s, F. Scott Fitzgerald claimed the distinction of writing what many consider to be the "great American novel." *Critical Companion to F. Promise to Marry Me when I'm Older! - Volume 3 (Irodori Comics)* - Satou Yuuki 2022-05-23T00:00:00+02:00

Ryo and Yuka both get sick after that rainy night, and Kasumi ends up taking care of both of them. When Kasumi visits Yuka, how will she deal with questions about her love life?

**Defy Me** - Tahereh Mafi 2019-04-02

Juliette and Warner's story continues in the thrilling fifth installment of Tahereh Mafi's New York Times bestselling Shatter Me series.

Juliette Ferrars isn't who she thinks she is. Nothing in her world is what it seemed. She thought she'd finally defeated the Reestablishment. She thought she'd finally taken control of her life, her power, and her pain. But Juliette has only just begun to unravel a lifetime of lies, and she finds herself faced with a familiar choice: Be a weapon. Or be a warrior. This time, she's not alone. Stronger, braver, and more resilient than ever,

Juliette will fight for life and love with her friends by her side—but first, she has to survive the war being waged against her mind: She has to remember who she was. Narrated by Juliette, Warner, and Kenji Kishimoto, this gripping novel perfectly sets the stage for the highly anticipated forthcoming conclusion to the Shatter Me series.

**The Whole Of Mondal Literature** - NK Mondal 2021-10-22

**Billboard** - 1997-12-13

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Rita Angus** - Jill Trevelyan 2008

Rita Angus: An Artist's Life.

Baby, Don't Hurt Me - Chris Kattan  
2019-05-07

You may know him as Mango, Mr. Peepers, the gibberish-spouting Suel Forrester, or one half of the head-

bopping brothers in A Night at the Roxbury. Maybe you remember him as the forlorn gothic kid Azrael Abyss, Gay Hitler, or the guitarist in the "More Cowbell" sketch. Whichever it is, Chris Kattan has earned a spot in the hearts of a generation of comedy fans. Chris Kattan has defied comparison, expectations, and sometimes gravity with his inimitable style of physical comedy. By creating some of the most memorable Saturday Night Live characters, as well as his many roles in film and television, Kattan has remained one of the most fearless and versatile comedians in the world. Not long after Chris was labeled one of the improv group Groundlings' "must-see" performers in the company, he was cast on SNL—and within the first six weeks, Chris's film career also took off. Now, for

the first time, Kattan opens up about eight seasons on SNL, performing alongside friends and future legends including Will Ferrell, Jimmy Fallon, and Tina Fey, and guest hosts from Charlize Theron to Tom Hanks to David Bowie. He also shares stories of his unusual childhood (involving a secluded mountain with zen monks) with Leonard Cohen and Alan Watts. Baby, Don't Hurt Me offers an unprecedented look into Chris's life, from his fascinating relationship with Lorne Michaels, a private Valentine's Day dinner with Tom Cruise and Katie Holmes, an unforgettable flight with Beyoncé, and even breaking his neck on live television. Baby, Don't Hurt Me is a candid, revealing memoir from a timeless comedian and a window into the world of millennium-era SNL, from

the rehearsals to the after-after parties, as narrated by your hilarious and inspiring friend—who just so happened to be there for all of it.

*The Big Bang Theory* - Adam Faberman  
2015-10-27

This completely authorized Big Bang Theory trivia and quiz book is filled with questions from every season, photos, hilarious quotes, and more, including excerpts from the Roommate Agreement and your chance to play 'Emily or Cinnamon.' It's sure to provide hours of fun and test the knowledge of even the most dedicated fan. The Big Bang Theory is one of the most popular sitcoms in the world and the funniest show on TV. It is beloved by critics and audiences alike for its quick wit, incredibly geeky but relatable characters, and

its science and science fiction storylines. But up until now, there has never been an official Big Bang Theory book. *The Big Bang Theory: The Official Trivia Guide* is the book fans have been waiting for. Featuring 1,600 questions, photos, and many of the best quotes from Sheldon, Raj, Penny, Howard, Leonard, Amy, and Bernadette, as well as a complete episode guide, this official book will entertain all Big Bang fans, old and new alike. Do you know what instrument Leonard plays in the Physics Department String Quartet? Or which award Sheldon is the youngest person to have ever received? Or how about the name of Penny's avatar in the Age of Conan game? Or who Howard went to couples therapy with? Or the name of Raj's school? Or when Sheldon does his laundry? Or what Leonard

brought Penny back from the North Pole? You don't need Sheldon's eidetic memory to enjoy this book, but it might help! Get ready to use your knowledge of The Big Bang Theory and challenge your friends and family with trivia and questions about your favorite scientists.

Ulysses: Episodes 16-18 - James Joyce  
1986

**The Art of DuckTales** - Ken Plume

**The Church School Journal** - 1899

**The Hardest Fall** - Ella Maise  
2022-10-27

In the game of love you can't afford to drop the ball... Zoe's always been shy. At college, to try to help her, her friend dares her to do the craziest thing she can think of... kiss a random guy. She follows Dylan into a room she thinks is a classroom and ends up seeing a little too much of him. She can hardly kiss him now... not when after their embarrassing encounter and certainly not after he

tells her he has a girlfriend. But when he finds out about the dare, the two make a pact... if they ever cross paths again – and they're both single – they'll kiss. Two years later, fate intervenes, and they end up as accidental roommates. Now Zoe's seeing a lot more of Dylan than she bargained for and it's even harder to resist peeking the second time round.

**Discourse Phenomena in Typological Perspective** - Alessandra Barotto  
2023-03-15

This book aims at investigating discourse phenomena (i.e., linguistic elements and constructions that help to manage the organization, flow, and outcome of communication) from a typological and cross-linguistic perspective. Although it is a well-established idea in functional-typological approaches that grammar

is shaped by discourse use, systematic typological cross-linguistic investigations on discourse phenomena are relatively rare. This volume aims at bridging this gap, by integrating different linguistic subfields, such as discourse analysis, pragmatics, and typology. The contributions, both theoretically and empirically oriented, focus on a broad variety of discourse phenomena (ranging from discourse markers to discourse function of grammatical markers, to strategies that manage the discourse and information flow) while adopting a typological perspective and considering typologically distant languages.

*The Take2 Guide to Lost* - James O'Ehley 2015-09-18

Over 50 contributors ask and answer

all your questions in this ultimate eBook compendium of everything related to the most iconic and 'talked-about' series in Television history. Each Chapter and Guide is made up of multiple associated articles from the likes-of award-winning sci-fi authors David Brin and Peter Watts, academics including Dr Kristine Larsen and Alan Shapiro, Lost community leaders such as Jon Lachonis, news producers, comedy writers ... and professional and lay bloggers who spawned a revolution in television criticism. Just the 'Ending' chapter alone has over 30 articles, opinions and insights to further challenge your perspective. The sumptuous Episode Guide is a definitive resource of over 350 articles with at least two reviews of each episode as well as synopses,

tidbits and a comprehensive archive of intertextual references within each episode. Other chapters include;

- Cast and Characters which gives an incite to the characters role in the overall drama ... as well provide juicy titbits about the actors careers;
- Mythology,' which includes posts on the Smoke Monster, DHARMA, the Frozen Donkey Wheel, and how religion was reflected on the series;
- Philosophy, ranging from scholarly but accessible posts on the philosophy and philosophers referenced in the show, to a post on how the series affected one writer's personal philosophy;
- Structure, including discussions on the flashback/forward/sideways, the DHARMA stations, and a physicist's explanation of the science of time travel;
- Interviews with the

showrunners and writers throughout the lifetime of the series. and much much more.

*Surviving the Bible 2019* - Christian Piatt 2018-09-01

Resuscitate your relationship with the Bible A lot of us have tried to read the Bible. And we've failed. Christian Piatt has too. But now, using the annual lectionary as his guide, he has put together a devotional that allows us to read through major parts of the Old and New Testaments and finally understand them in plain English. Every week has several Scripture readings, explanations of confusing terms, a story, a deeper dive into interesting themes, and a closing prayer. You can use it as a weekly study or browse a thematic list for something you're curious about. It's an ideal resource

to use with a friend or small group, but it's set up to be accessed by anyone who has enough curiosity, openness, and desire to grow. Start anywhere. Set it down and come back to it. There's no "wrong way" to use *Surviving the Bible*. Engage ancient texts in new ways that make sense, here and now, maybe for the first time. Any way you use it, it's sure to challenge and inspire.

#### The 24 Hour Plays Viral Monologues -

The 24 Hour Plays 2020-06-25

Since 1995 The 24 Hour Plays have been responding to theatre in the moment. As the 2020 Coronavirus pandemic brought an end to live theatre in the USA and Europe, the company sprang to work to keep the arts alive. Bringing together some of America's most prolific writers for the stage and screen, this unique and

contemporary book of monologues collates the responses in dramatic fashion, making for an anthology of work that is timely, moving, irreverent and at its best, transcendent. Featuring original monologues by writers such as David Lindsay-Abaire, Clare Barron, Hansol Jung, Stephen Adly Guirgis, Christopher Oscar Peña, Jesse Eisenberg and Monique Moses this is a rich collection that can be enjoyed by actors, writers and those looking for creative responses to the global COVID-19 crisis. With over 50 monologues from the first three weeks of the project, edited by Howard Sherman, this is an important collection that documents an unprecedented moment in history whilst also offering practical resource for actors and performers.

## **Blockheads, Beagles, and Sweet**

**Babboos** - Michelle Ann Abate

2023-03-02

Blockheads, Beagles, and Sweet Babboos: New Perspectives on Charles M. Schulz's "Peanuts" sheds new light on the past importance, ongoing significance, and future relevance of a comics series that millions adore: Charles M. Schulz's Peanuts. More specifically, it examines a fundamental feature of the series: its core cast of characters. In chapters devoted to Charlie Brown, Snoopy, Lucy, Franklin, Pigpen, Woodstock, and Linus, author Michelle Ann Abate explores the figures who made Schulz's strip so successful, so influential, and—above all—so beloved. In so doing, the book gives these iconic figures the in-depth critical attention that they deserve

and for which they are long overdue. Abate considers the exceedingly familiar characters from Peanuts in markedly unfamiliar ways. Drawing on a wide array of interpretive lenses, Blockheads, Beagles, and Sweet Babboos invites readers to revisit, reexamine, and rethink characters that have been household names for generations. Through this process, the chapters demonstrate not only how Schulz's work remains a subject of acute critical interest more than twenty years after the final strip appeared, but also how it embodies a rich and fertile site of social, cultural, and political meaning.

**Girl of Steel** - Melissa Wehler

2020-03-06

The CW's hit adaptation of Supergirl is a new take on the classic DC character for a new audience. With

diverse female characters, it explores different versions of the female experience. No single character embodies a feminist ideal but together they represent attributes of the contemporary feminist conversation. This collection of new essays uses a similar approach, inviting a diverse group of scholars to address the many questions about gender roles and female agency in the series. Essays analyze how the series engages with feminism, Supergirl's impact on queer audiences, and how families craft the show's feminist narratives. In the ever-growing superhero television genre, Supergirl remains unique as viewers watch a female hero with almost godlike powers face the same struggles as ordinary women in the series.

*The Soul Always Remembers* - Georgia Cates 2022-06-14

*The Soul Always Remembers* is a soul-stirring multi-genre tale of a southern romance that will captivate fans of *The Notebook*, *The Time Traveler's Wife*, and *Outlander* in this atypical love story about the transcending love between soul mates. My name is Caroline Beaumont. I appear to have it all—beauty, a successful career, friends and family who adore me. But I have a secret. I was four years old when the past began reaching out to me. Sometimes it came to me as a voice in my head. Other times, it presented as a vision of a lovely redhead and handsome dark-haired man from decades ago. The doctors call it schizophrenia. They're wrong. I have something else. Something that doesn't have a name.

Something that modern medicine can't explain. And I'm ready to embrace it.

**Both of Me** - Jonathan Friesen

2014-12-23

It was supposed to be just another flight, another escape into a foreign place where she could forget her past, forget her attachments. Until Clara found herself seated next to an alluring boy named Elias Phinn—a boy who seems to know secrets she has barely been able to admit to herself for years. When her carry-on bag is accidentally switched with Elias's identical pack, Clara uses the luggage tag to track down her things. At that address she discovers there is not one Elias Phinn, but two: the odd, paranoid, artistic, and often angry Elias she met on the plane, who lives in an imaginary world of his own making called Salem; and the

kind, sweet, and soon irresistible Elias who greets her at the door, and who has no recollection of ever meeting Clara at all. As she learns of Elias's dissociative identity disorder, and finds herself quickly entangled in both of Elias's lives, Clara makes a decision that could change all of them forever. She is going to find out what the Salem Elias knows about her past, and how, even if it means playing along with his otherworldly quest. And she is going to find a way to keep the gentle Elias she's beginning to love from ever disappearing again.

The Spinster Diaries - Gina Fattore  
2020-04-21

Our heroine, a moderately successful TV writer in L.A., wants her life to be as sunny and perfect as a Hollywood rom-com: a cool job, a

wacky best friend, and lots of age-appropriate hot guys just dying to date her. Instead, she's a self-described spinster who is swimming in anxiety and just might have a tiny little brain tumor. So she turns to an unlikely source for inspiration: the eighteenth-century novelist and diarist Frances Burney, who pretty much invented the chick-lit novel. A semi-autobiographical unromantic comedy, *The Spinster Diaries* is a laugh-out-loud satire of both the TV business and the well-worn conventions of chick lit—as well as the true tale of the forgotten writer who inspired Jane Austen to greatness. It's an endearing and refreshingly honest testament to how one person's life can reach out across the centuries to touch another's.

**1962** - David Krell 2021-05  
An engaging history of the 1962 baseball season and a tumultuous American year.

Musical News - 1893

**The Flatshare** - Beth O'Leary  
2019-05-28

What if your roommate is your soul mate? A joyful, quirky romantic comedy, Beth O'Leary's *The Flatshare* is a feel-good novel about finding love in the most unexpected of ways. Tiffy and Leon share an apartment. Tiffy and Leon have never met. After a bad breakup, Tiffy Moore needs a place to live. Fast. And cheap. But the apartments in her budget have her wondering if astonishingly colored mold on the walls counts as art. Desperation makes her open minded, so she answers an ad for a flatshare.

Leon, a night shift worker, will take the apartment during the day, and Tiffy can have it nights and weekends. He'll only ever be there when she's at the office. In fact, they'll never even have to meet. Tiffy and Leon start writing each other notes – first about what day is garbage day, and politely establishing what leftovers are up for grabs, and the evergreen question of whether the toilet seat should stay up or down. Even though they are opposites, they soon become friends. And then maybe more. But falling in love with your roommate is probably a terrible idea...especially if you've never met.

*Willingness to Die and the Gift of Life* - Paul K.-K. Cho 2022-09-08

One particularly challenging aspect of the Hebrew Bible is its treatment

of various forms of voluntary death: suicide, suicide attack, martyrdom, and self-sacrifice. How can people of faith make sense of the ways biblical literature at times valorizes these sensitive and painful topics?

*Willingness to Die and the Gift of Life* surveys a diverse selection of Hebrew Bible narratives that feature characters who express a willingness to die, including Moses, Judah, Samson, Esther, Job, Daniel, and the “suffering servant” of Isaiah 53. The challenging truth uncovered is that the Hebrew Bible, while taking seriously the darker aspects of voluntary death, nevertheless time and again valorizes the willingness to die—particularly when it is for the sake of the group or in faithful commitment to God. Many biblical authors go so far as to suggest that

death willingly embraced can unlock immense power: endowing the willing with the charism necessary to lead, opening the possibility of salvation, and even paving the way for resurrection into a new, more glorious life. Paul K.-K. Cho's unflinching analysis raises and wrestles with provocative questions about religious extremism, violent terrorism, and suicidal ideation—all of which carry significant implications for the biblically grounded life of faith today. Cho

carefully situates the surveyed texts in their original cultural context, discussing relevant topics such the shame and honor culture of ancient Israel and the importance attached to the group over the individual. Closing with an epilogue that reflects on the surprising issue of whether biblical authors considered God to be capable of dying or being willing to die, Cho's fascinating study showcases the multifaceted relationship between death and life in the Hebrew Bible.
