2017-05-02

“A beautifully rendered epic journey The novel works on many levels and excels at them all.” —New York Journal of Books In this captivating and surprising novel of spiritual discovery—a No. 1 bestseller in India—a young American travels to India and finds himself tested physically, emotionally, and spiritually. Max Pzoras is the poster child for the American Dream. The child of Greek immigrants who grew up in a dangerous New York housing project, he triumphed over his upbringing and became a successful Wall Street analyst. Yet on the frigid December night he’s involved in a violent street scuffle, Max begins to confront questions about suffering and mortality that have dogged him since his mother’s death. His search takes him to the farthest reaches of India, where he encounters a mysterious night market, almost freezes to death on a hike up the Himalayas, and finds himself in an ashram

in a drought-stricken village in South India. As Max seeks answers to questions that have bedeviled him—can yogis walk on water and live for 200 years without aging? Can a flesh-and-blood man ever achieve nirvana?—he struggles to overcome his skepticism and the pull of family tugging him home. In an ultimate bid for answers, he embarks on a dangerous solitary meditation in a freezing Himalayan cave, where his physical and spiritual endurance is put to its most extreme test. By turns a gripping adventure story and a journey of tremendous inner transformation, *The Yoga of Max's Discontent* is a contemporary take on man's classic quest for transcendence.

Zen Garden - Subroto Bagchi

2014-12-01

Some of the most innovative and entrepreneurial minds of our times, in conversation with management guru and bestselling author Subroto Bagchi For the immensely popular column ‘Zen Garden’ which he published in *Forbes India* for over three years,

bestselling business author Subroto Bagchi spoke to some very interesting people. Many, though not all, of the visitors to 'Zen Garden' were, like Subroto himself, high-performance entrepreneurs. This book features the very best conversations from 'Zen Garden', including those with the Dalai Lama, Sadhguru Jaggi Vasudev, Nandan Nilekani, Aamir Khan, Dr Devi Shetty, Kiran Mazumdar Shaw, Ekta Kapoor, social entrepreneur Harish Hande, Sanjeev Bikhchandani of Naukri.com, Deep Kalra of MakeMyTrip.com, Café Coffee Day's V.G. Siddhartha, Vikram Bakshi (the man who brought McDonald's to India) and India's top winemaker, Rajeev Samant. In their own words, these game changers reveal what it was that made them think differently, what gave them the courage to step off the beaten

track, and how they sustained their vision in the face of seemingly insurmountable odds. Zen Garden is a book that every young Indian should read.

Moving for Moksha - Alok Mishra 2020-05-07

Moving for Moksha is the second poetry collection by Indian English poet and author Alok Mishra. This is a collection that mainly has philosophical poems having multiple dimensions and varied interpretations. The poems talk about life, love, loss, gain, pain, pleasure and realisation that wakes up a person and sets him on the path of Moksha. Hindu philosophy can be seen embedded in the text and references often appear in the poems that take the readers to ancient Indian scriptures and body of religious texts. Here are some reviews: The collection of poems takes us on a journey to ponder the truth and fallacies of life that come our way. The poems are mostly mystic in

nature, having more than what it seems to be... you will certainly love it if you have a taste for English poetry. by: Amit Mishra (founder of The Indian Authors & Indian Book Lovers) ...beauty, truth, eternity.... a very close observation of life, these poems sneak into nothing but the philosophy of life that people confront during life-span. by: Ravi Kumar, Research Scholar with expertise in Indian English Literature, a writer for many online literary platforms The poems reflect disillusion, rejection, realisation and answer to the final call - Moksha, as called in Indian philosophy. The innovative form with a 4-3-6 pattern looks very apt for the emotional and intellectual and also cryptic nature of the poems in this collection.
