Cultivated - Christin Geall  
2020-03-24

Cultivated: The Elements of Floral Style elevates floral design to fine art in this richly informative work on the principles of floral style. A charming and intelligent mentor, Christin Geall emboldens designers, gardeners, and entrepreneurs to think differently and deeply about their work with flowers as she draws upon the fine arts and historical sources,

exploring Baroque music, the paintings of the Impressionists, or the work of floral innovators like Gertrude Jekyll and Constance Spry. Covering all aspects of floral design, including choosing plants to grow and arrange, selecting tools and vessels, balancing color and form, and even photographing and selling arrangements, Cultivated offers universal lessons for all levels of practitioners, budgets, and materials. Geall's stunning

photographs of her own lush designs illustrate techniques for creating brilliant arrangements that spark the imagination.

The Posy Book: Garden-Inspired Bouquets That Tell a Story - Teresa H. Sabankaya  
2019-05-07

“Like a favorite recipe, a posy is meant to be savored and shared. Try it yourself, and ...

welcome a bit of floral enchantment into your life.”

—Amy Stewart, author of *The Drunken Botanist* Inspired by the Victorian-era language of flowers, a posy is a small, round bouquet of flowers, herbs, and plants meant to convey a message, such as dahlias for gratitude, sunflowers for adoration, or thyme for bravery. These floral poems have become Teresa Sabankaya’s signature. Brides want them for their weddings, but a posy is a lovely gift any time of year, and one that readers can easily put together from their garden or with blooms from their local florist. In *The Posy Book*, Sabankaya shares step-by-step instructions, floral recipes for more than 20 posies, and ideas for seasonal variations. A modern floral dictionary, with 12 original paintings by celebrated illustrator Maryjo Koch, will help readers craft their own posies filled with personal meaning.

**Floral Design** - Bo Morgan  
2019-02-18

Master The Art of Livening Up Living Spaces And Special Events With This Unconventional And Powerful Guide To Floral Design. Floral design can be surprisingly difficult. It may look easy at first--since flowers are already beautiful, throwing together a few flowers and making a bouquet should be easy and pleasing to the eye--but that's not often the case. Coupled with the dearth of authoritative information on floral design, it easy to see why a lot of floral patterns may look colorful, but lack depth and a certain something that gives a flower arrangement that conveys a tangible feeling, atmosphere or

mood. Unlike other books on floral design, most of which are often outdated and ill-adapted for the tastes of the modern world, Rebecca Wellner and Bo Morgan have teamed up to create a masterpiece on floral design that is as timeless as it's effective. While other books focus on step-by-step instruction on how to create particular floral designs, Wellner and Morgan show you how to actually think about floral design like an expert and intuitively make floral arrangements that are perfect for any and every occasion. Here's a preview of what you're going to discover in this guide: The five basic elements required for breathtaking floral designs Essential floral design tools you need to have How to think about colors and matching the right colors for your floral arrangement Foolproof flower identification guide to help you pick the right flowers for any event Mind-blowing floral arrangements for any event and how you can make them ...and tons more! Although designed for

beginners and jam-packed with creative insights and indispensable techniques, *Floral Design: A Beginner's Guide To Floral Arrangements* contain a wealth of effective advice that can be implemented by anyone, regardless of skill level.
