Listening Power 1 Audio CD - Bruce Rogers 2011-01

This audio CD package contains the audio of all listening exercises in Listening Power 1 . These Audio CDs do not contain Student Book content. Listening Power is a three-book series with a targeted approach to teaching the listening skills that students need inside and outside the classroom and on standardized tests such as the TOEFL and TOEIC. The Listening Power 1 Student Book (available separately) features three distinct parts designed to be used concurrently. Language Focus teaches essential and sometimes difficult to understand language structures such as Wh- questions, Yes/No and alternative questions, contractions, numbers and letters, and time

expressions. Comprehension Focus presents skills for understanding the topic, listening for the main ideas and details, and making inferences. Activities to help students apply the skills follow the presentation.

Listening for Pleasure uses interesting audio material from movies, TV, radio, and recorded storytelling to help students understand the more subtle meaning communicated through tone of voice, sentence stress, and reduced forms.

Check Your English Vocabulary for FCE ± - Rawdon Wyatt 2009-01-01

**Contemporary Topics 3** - David Beglar  
2016-08

Now in a fourth edition, Contemporary Topics expands on its highly respected approach to developing academic listening and study skills. Organized around realistic college lectures, the text guides learners through carefully sequenced activities in skills such as note-taking, focusing attention, intensive listening, and vocabulary building. It also helps students evaluate their interests and explore possible career paths. New to This Edition New subject areas, presented as one-on-one academic lectures, emphasize professional applications such as software engineering, multimedia design, information technology, urban planning, and social psychology. Learning Outcomes listed at the outset of each unit let students know the goals of each unit and what their learning experience will be. New

audio interviews with topic experts provide context for the upcoming unit lecture. Bottom-up listening and pronunciation exercises emphasize important principles and improve real-time perception. An oral presentation activity, supported by specific preparation and delivery strategies, concludes each unit and includes the opportunity for peer evaluation. Proficiency assessments composed of short academic audio lectures and multiple-choice exams simulate TOEFL-style test format for practice on high-stakes tests. New Essential Online Resources include audio, video, and teacher materials (assessments, teaching notes, answer keys, audioscripts, presentation points, and more). Other Highlights Corpus vocabulary drawn from the Academic Word List ensures that students are exposed to core academic vocabulary. Collaborative activities with presentation strategies and peer evaluations allow students to make

connections and develop critical thinking skills. Unit comprehension tests assess students' grasp of key concepts presented in the unit lecture. Mapped to the Global Scale of English.
