At My Mother's Knee - Paul O'Grady 2008

In his own uniquely acid tongue, Paul O'Grady traces the hilarious tales of life in Irish Catholic Birkenhead that took him from a virtuous altar-boy ("my first drag") to Britain's best loved entertainer. It's a life that includes, varyingly, stints in an abbatoir, as a social worker, in a high-class Mayfair brothel, and traipsing down to London to chase his dreams. By 23, Paul O'Grady had been a father, husband, drag queen, gay lover, divorcee, and degenerate. He

did it all with a smile on his face, making a mental note to register the whip-smart one-liners that would later inform his star-studded path from the fringes of comedy to the heart of the British establishment, first as his own brilliant comic creation Lily Savage, then, triumphantly, as himself. Paul's remarkable childhood and early life is littered with a dizzying cast-list of rogues, rascals, lovers, fighters, saints, and sinners. Oh, and one iconic bus conductress. Told with pathos, love, empathy, and naturally, biting humor, the story of Paul O'Grady is that of everyman, everywoman, and inevitably, every drag act ever. He has been rich and poor, posh and common, straight and gay. He has mixed with stars and whores and all that's in between, slyly spotting the similarity between them all. His amazing and riveting life story reminds us that there is, when all is said and done, a bit of savage in all of us.

Information Highlighting in Advanced Learner English - Marcus Callies 2009

This book presents the first detailed and comprehensive study of information highlighting in advanced learner language, echoing the increasing interest in questions of near-native competence in SLA research and contributing to the description of advanced interlanguages. It examines the production and comprehension of

specific means of information highlighting in English by native speakers and German learners of English as a foreign language, presenting triangulated experimental and learner corpus data as corroborating evidence. The study focuses on learners' use of discourse-pragmatically motivated variations of the basic word order such as inversion, preposing, and it- and wh-clefts, an underexplored field in SLA research to date. The book also provides a critical re-assessment of the study of pragmatics within SLA. It has largely been neglected to date that L2 pragmatic knowledge includes more than the sociopragmatic and pragmalinguistic abilities for understanding and performing speech acts. Thus, the book argues for an extension of the scope of inquiry in interlanguage pragmatics beyond the cross-cultural investigation of speech acts. It also discusses pedagogical implications for foreign language teaching and will be of interest to applied linguists and SLA researchers, language teachers and curriculum designers.

They channel divine love and embrace sexuality freely, practicing polyamory, sexual healing, and even sex magic. They teach tantra, trance dance, kundalini yoga, and other techniques for healing shame, guilt, fear, and sexual trauma. Designed to guide the reader on a journey into their own sacred sexual awakening, this book shares true stories from 20 visionary pioneers in the sexual shamanism movement, all of them associated with the International School of Temple Arts (ISTA), a mystery school that works to illuminate the path of sexual shamanism and heal the split

between sex and spirit, release the shame surrounding sexual awakening, and inspire more sexual liberation around the world. The teachers reveal intimate details of their life stories and sexual awakening journeys, showing how, by surrendering to the wisdom of the erotic current of the universe, transformation occurs. Each story is accompanied by an in-depth embodiment exercise with step-by-step instructions, including soul gazing, contacting your spirit guides, sexual divination, energetic sex, self-pleasuring, moon blood rituals, and sacred sexual storytelling. Write This Book - Pseudonymous Bosch
2013-04-02

This imaginative companion to the New York Times bestselling Secret Series teases, prompts, and leads readers through the steps of writing a story. Bosch's signature rip-roaring voice delivers an engaging narrative (for the reader to help complete!) and interactive puzzles and games. Readers get the chance to create their own story while enjoying a satisfying mystery as well. Here's a note from our fearless "author": I feared this might happen. I knew reading was a dangerous business, but now it's not safe for writers either! You see, the author of this book is missing. Well, maybe not "missing." A certain

author whom I won't name (okay, me) has abandoned his book and has left his readers hanging out to dry. This is a crime, I admit, but there it is. Most of this book, well, I just haven't written it. And I'm not going to, either. Why? Oh, I have my reasons. Big. Grown up. Author. Reasons. Unfortunately, I can't reveal them yet. Let's just say a life is at stake (mine) and leave it at that. So will you do it? Pretty please? You'll do it? Thank you! But please hurry! Time is of the essence and you can't wait any longer. You must WRITE THIS BOOK!

Welcome to Ford - A.A. Garrison 2013

"In this collection of 14 speculative short stories, author A.A. Garrison takes us to Ford, North Carolina, a sleepy little mountain town named after a Civil War deserter. Though out of the way, the town seems to attract an immoderate share of the fantastic and the macabre."-- Lulu.com.

Plain Roots - Becki Willis 2018-11

Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily

enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.

In Athyra, Vlad finds he's ready to retire himself and his jhereg companions, but the biggest hitters of the House of the Jhereg have something else in mind.
