A Student Grammar of German - Paul
Stocker 2012-04-26
A clear and jargon-free student reference
guide to the grammar of German.
English grammar for Students of German -

German Grammar: Reviewed and Retold -

Ulf Schütze 2021-11-29
German Grammar: Reviewed and Retold is
a user-friendly grammar/workbook
designed to give German learners a great
basis to build an in-depth knowledge of
spoken and written German. Bridging the
gap between grammar, storytelling, and

culture, learners of the German language discover Germany's cultural history as well as life in Germany today, while absorbing grammatical structures through reading and practice. This grammar is based on recent Second Language Acquisition (SLA) research and word frequency, to embed vocabulary and grammar into a language-specific cultural context. A key component of this approach is consistency and relevance, enabling students to apply grammatical structures to their language learning, as well as talking about the past, present, and future. Aimed at ACTFL levels Novice (all) to Intermediate (middle)/CEFR A1 to B1, this is the perfect grammar for post-beginners, combining storytelling with grammar acquisition.

Language Hacking Spanish - Benny Lewis 2017-03-28

It's true that some people spend years studying Spanish before they finally get

around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, #LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's

indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any

more.

Practice Makes Perfect German Pronouns and Prepositions, Second Edition - Ed Swick 2011-03-11

Based on the successful approach of the Practice Makes Perfect series, German Pronouns and Prepositions offers a clear and engaging presentation of all aspects of pronoun and preposition usage, combined with extensive practice, for beginning and intermediate language learners. This new edition features a new review chapter that allows learners to pull together the grammar skills they've acquired. About the Book This new edition in the successful Practice Makes Perfect series, Practice Makes Perfect: German Pronouns and Prepositions offers a detailed examination of these two essential aspects of grammar, which language learners need to master to communicate with confidence. Learners of a foreign language often have difficulty

with these areas because the usage of pronouns or prepositions rarely translates directly from English to the new language. Thus, language learners need much more practice in the areas of pronoun and preposition usage than is provided in general grammar books. This book provides clear explanations of the usage of pronouns and prepositions, followed by practical examples illustrating and clarifying each point. Extensive and varied exercises provide ample opportunity to practice. Answers to all questions are provided at the back of the book, providing immediate feedback. The new edition features a brand-new review chapter that allows learners to pull together the grammar skills they've acquired throughout the book. New edition features a brand-new review chapter
Details all aspects of pronoun and preposition usage Clarifies the subtleties of pronouns and prepositions that often

escape language learners Highly varied and extensive exercises for practice Practical and high-frequency vocabulary used throughout Answer key provided for reference and quick feedback Combines the best elements of instruction and practice so readers find all they need in one book.

Essential German Grammar - Martin Durrell 2015-02-20

Essential German Grammar is a student-friendly grammar and workbook designed to give learners a firm foundation on which to build a real understanding of both spoken and written German. The reference grammar section offers clear explanations of key grammar points while a separate exercise section gives students the opportunity to test themselves and put into practice what they have learned. This new edition has been revised and updated throughout. Explanations, tables and exercises have been improved and a

number of the authentic texts and illustrations have been replaced by new material. Key features of this second edition include: User-friendly layout with updated 2 colour design, engaging illustrations and visually appealing tables throughout to aid the learning process Clear and accessible explanations with memorable examples informed by the latest research on the German language and presented in accordance with current teaching methodology Helpful parallels between English and German provided where relevant End-of-chapter extracts taken from contemporary journalistic or authentic literary sources, illustrating grammar in context, with model translations provided at the back of the book Material to enable better strategic learning and understanding, including a Why Grammar?—FAQ section, a glossary of grammatical terms in both English and

German and a complete answer key to exercises Created especially for the new edition, a companion website at www.routledge.com/cw/kaiser offering a wealth of additional materials, including interactive exercises, quizzes and flashcards to test student understanding, downloadable PDF sheets for classroom use, PowerPoint slides for instructors and audio recordings illustrating the sounds of spoken German. Written by highly experienced lecturers in the field, Essential German Grammar is an invaluable resource for intermediate and advanced students of German (CEFR levels A2 to B2, ACTFL Novice High to Intermediate High). It is designed to function equally as a free-standing grammar or as a foundation grammar for Hammer's German Grammar and Usage and is suitable for both classroom use and self-study.

Historical Linguistics - Charles Jones

2014-02-04

The contributors to this volume cover the international range of scholarship in the field of Historical Linguistics, as well as some of its major themes. The work and ideas they discuss are relevant not only to other aspects of Historical Linguistics but also to more general developments in linguistic theory. Along with Professor Jones' Introduction, their comments provide a major overview of Historical Linguistics that will be the reference point for its development for many years to come and form an important contribution to general theories of linguistic behaviour.

German Grammar in Context - Carol Fehringer 2019-12-20

German Grammar in Context, 3rd Edition includes updated textual examples which provide the basis for an accessible and engaging approach to learning grammar. Using authentic texts from a variety of

contemporary sources such as newspapers, magazines, poems, TV and film scripts, books or online sources, each chapter explores a key aspect of German grammar. Following each text, exercises are provided to reinforce understanding and build effective comprehension and communication skills. Helpful keyword boxes translate difficult vocabulary in the texts, and recommended reading sections offer advice on additional grammar resources and website links. *German Grammar in Context* is an essential resource for students at CEFR level B1-C2 and Intermediate-Advanced High on the ACTFL scale. It is suitable for both classroom use and independent study.

German Conversation Demystified - Ed Swick 2009-12-23

Unlock the riddle of speaking and interacting in German *German Demystified* provides you with a solid foundation for

building conversation skills in that language. You can go at your own pace as you are guided through the fundamentals of communicating in German. Organized around everyday themes such as meeting people, making plans, and talking on the phone each chapter features an in-depth dialog presented both in the book and on the audio, coverage of essential communication skills (such as asking a question or making comparisons), review of key grammar points, and written and verbal activities to reinforce new communication skills.

Graf von Anderson's College German Grammar and Culture - Christian Anderson
2021-04-05

Graf von Anderson's College German Grammar and Culture is a beginners' textbook (CEFR A1-B2, ACTFL novice low - intermediate low) for the German language for college students and for those engaged

in self-study with popular software programs and apps. In addition to illuminating profiles of key places and individuals who helped shape German history from Roman times to the present day, the textbook also includes important cultural briefings. Chapter by chapter the book delineates the scope of the German language, beginning with "ich", and moving on to subjects and verbs. Later chapters introduce cases, indirect and direct objects, prepositions, tenses, moods, and adjectives. Each chapter includes challenging exercises, and an answer key is provided. The rich cultural component in each chapter includes a travel guide, a historical snapshot, several musical selections, and a German text to read. This book is a straightforward and thorough introduction to the basic structures of German grammar and provides an overview of selected highlights of German culture to engage and

enthusie.

German: An Essential Grammar - Bruce Donaldson 2007-01-24

German: An Essential Grammar is a practical reference guide to the core structures and features of modern German. Presenting a fresh and accessible description of the language, this engaging grammar uses clear, jargon-free explanations and sets out the complexities of German in short, readable sections. Suitable for either independent study or for students in schools, colleges, universities and adult education classes, key features include: focus on the morphology and syntax of the language clear explanations of grammatical terms full use of authentic examples a detailed contents list and index for easy access to information. With an emphasis on the German native speakers use today, German: An Essential Grammar will help students to read, speak and write

the language with greater confidence.

German-English Verb Valency - Klaus Fischer 1997

English Prepositions Explained - Seth Lindstromberg 2010-08-11

This completely revised and expanded edition of English Prepositions Explained (EPE), originally published in 1998, covers approximately 100 simple, compound, and phrasal English prepositions of space and time - with the focus being on short prepositions such as at, by, in, and on. Its target readership includes teachers of ESOL, pre-service translators and interpreters, undergraduates in English linguistics programs, studious advanced learners and users of English, and anyone who is inquisitive about the English language. The overall aim is to explain how and why meaning changes when one preposition is swapped for another in the same context. While retaining most of the

structure of the original, this edition says more about more prepositions. It includes many more figures – virtually all new. The exposition draws on recent research, and is substantially founded on evidence from digitalized corpora, including frequency data. EPE gives information and insights that will not be found in dictionaries and grammar handbooks.

Practice Makes Perfect English Pronouns and Prepositions, Second Edition - Ed Swick 2011-03-11

An engaging presentation of pronoun and preposition usage in English, combined with extensive practice for beginning and intermediate ESL learners **Practice Makes Perfect: English Pronouns and Prepositions** offers a detailed examination of these two essential aspects of grammar, which language learners need to master to communicate with confidence. This book provides clear explanations of the usage of pronouns and prepositions, followed by practical examples illustrating and clarifying each point. A variety of exercises provide ample opportunity to practice. *Preposition Placement in English* - Thomas

Hoffmann 2011-01-06

Preposition placement, the competition between preposition stranding (What is he talking about?) and pied-piping (About what is he talking?), is one of the most interesting areas of syntactic variation in English. This is the first book to investigate preposition placement across all types of clauses that license it, such as questions, exclamations and wh-clauses, and those which exhibit categorial stranding, such as non-wh relative clauses, comparatives, and passives. Drawing on over 100 authentic examples from both first-language (English) and second-language (Kenyan) data, it combines experimental and corpus-based approaches to provide a full grammatical account of preposition placement in both varieties of English. Although written within the usage-based construction grammar framework, the results are presented in theory-neutral terminology,

making them accessible to researchers from all syntactic schools. This pioneering volume will be of interest not only to syntacticians, but also second-language researchers and those working on variation in English.

Practice Makes Perfect: Complete German Grammar, Premium Second Edition - Ed Swick 2018-10-26

Test your overall comprehension with a review section

Modern German Grammar - Ruth Whittle
2013-03-01

Modern German Grammar: A Practical

Guide, Third Edition is an innovative reference guide to German, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. Part A covers grammatical categories such as word order, nouns, verbs and adjectives. Part B is organised according to language functions and notions such as: making introductions asking for something to be done delivering a speech possibility satisfaction. The book addresses learners' practical needs and presents grammar in both a traditional and a communicative setting. New to this edition, and building on feedback from the previous edition: The rules of the latest (and so far final) spelling reform have been implemented throughout. Examples of usage have been updated and consideration given to Swiss and Austrian variants. The chapter on register has been expanded and now includes youth language and

frequently used Anglicisms in German. The Index now has even more key words; it has also been redesigned to differentiate between German words, grammar terms, and functions, thus making it more user-friendly. The Grammar assumes no previous grammatical training and is intended for all those who have a basic knowledge of German, from intermediate learners in schools and adult education to undergraduates taking German as a major or minor part of their studies. The Grammar is accompanied by a third edition of Modern German Grammar Workbook (ISBN 978-0-415-56725-1) which features exercises and activities directly linked to the Grammar. Ruth Whittle is Lecturer, John Klapper is Professor of Foreign Language Pedagogy, Katharina Glöckel is the Austrian Lektorin and Bill Dodd is Professor of Modern German Studies – all at the University of Birmingham. Christine

Eckhard-Black is Tutor and Advisor in German at the Oxford University Language Centre.

Practice Makes Perfect German Sentence Builder - Ed Swick 2009-05-01
