*Brokering High-Risk Migration and Illegality in West Africa* - Maybritt Jill Alpes 2016-11-10

Do young West Africans want to go abroad at any cost because they receive too little or erroneous information? Why do they and their families risk large sums of money with migration brokers? How do the risks of illegality and deportation change migration aspirations in West Africa? This book places trafficking and smuggling within a wider framework of high-risk migration and proposes a novel interpretation of how people manage unwanted and uncertain migration outcomes. Drawing on in-depth ethnographic research with aspiring and failed migrants, their families, migration brokers and consulate offices in anglophone Cameroon, the author analyses high-risk migration from the vantage point of people in a place of departure. *Brokering High-Risk Migration and Illegality in West Africa: Abroad at Any Cost* develops a critical socio-legal approach to the governance of migration that sees the state without 'seeing like the state'. The state's monopoly over legitimate means of mobility is continuously in the making – frequently through accusations of fraud and criminality. By revealing how authority, legality and legitimacy operate in a country of origin, the analysis contributes original insights into processes that create the conditions for illegality and migrant exploitation. The book will appeal to those in the fields of migration and development, African studies, gender, anthropology, sociology, criminology and law.

**World War II: A Student Encyclopedia [5 volumes]** - Spencer C. Tucker 2005-02-23

Designed with the more visual needs of today's student in mind, this landmark encyclopedia covers the entire scope of the Second World War, from its earliest roots to its continuing impact on global politics and human society. Over 1,000 illustrations, maps, and primary source materials enhance the text and make history come alive for students and faculty alike. ABC-CLIO's World War II: A Student Encyclopedia captures the monumental sweep of the "Big One" with accessible scholarship, a student-friendly, image-rich design, and a variety of tools specifically crafted for the novice researcher. For teachers and curriculum specialists, it is a thoroughly contemporary and authoritative work with everything they need to enrich their syllabi and meet state and national standards. Ranging from the conflict's historic origins to VJ Day and beyond, it brings all aspects of the war vividly to life—its origins in the rubble of World War I, its inevitable outbreak, its succession of tumultuous battles and unforgettable personalities. Students will understand what the war meant to the leaders, the soldiers, and everyday families on home fronts around the world. Featured essays look at Pearl Harbor, the Holocaust, the atomic bomb, and other crucial events, as well as fascinating topics such as signals intelligence and the role of women in war. A separate primary source volume provides essential source material for homework, test preparation or special projects. With a wealth of new information and new ideas about the war's causes, course, and consequences, World War II will be the first

place students turn for the who, what, when, where, and—more importantly—the why, behind this historic conflict. 950 A–Z entries, including lengthy biographies of individuals, studies of battles, details of weapons systems, and analyses of wartime conferences—all of the topics students look for, and teachers and educators need to have for their classes Over 270 contributors, including an unprecedented number of non-U.S. authorities, many from Japan and China, giving students a truly global understanding of the war An inviting design incorporating 600 photographs, including contemporaneous images of individuals, scenes from the front lines, posters, and weapon technologies A separate primary source volume offering a wide array of materials ranging from official documents to personal correspondence An early section of 70 detailed geopolitical and military maps, show students the basic sweep of the war

**A Messenger Comes** - Rachel Tzvia Back 2012

Poetry. Rachel Tzvia Back's third full-length book of poems, *A MESSENGER COMES* is a harrowing book that takes the reader to the edge of grief. As Hank Lazer's writes, while Back's book is "beautifully rich and emotionally engaging, this is no simple book of consolation. In its steadfast beauty, it is a book of questions: can grief be sustained? What can we learn from the grief of another? Thus this is a messenger we will want and need to welcome time and again."

**The Passenger** - Ulrich Alexander Boschwitz 2021-04-13

A BEST BOOK OF 2021 FOR THE GUARDIAN \* FINANCIAL TIMES \* TIMES LITERARY SUPPLEMENT \* MINNEAPOLIS STAR TRIBUNE \* THE TIMES Hailed as a remarkable literary discovery, a lost novel of heart-stopping intensity and harrowing absurdity about flight and persecution in 1930s Germany Berlin, November 1938. Jewish shops have been ransacked and looted, synagogues destroyed. As storm troopers pound on his door, Otto Silbermann, a respected businessman who fought for Germany in the Great War, is forced to sneak out the back of his own home. Turned away from establishments he had long patronized, and fearful of being exposed as a Jew despite his Aryan looks, he boards a train. And then another. And another . . . until his flight becomes a frantic odyssey across Germany, as he searches first for information, then for help, and finally for escape. His travels bring him face-to-face with waiters and conductors, officials and fellow outcasts, seductive women and vicious thieves, a few of whom disapprove of the regime while the rest embrace it wholeheartedly. Clinging to his existence as it was just days before, Silbermann refuses to believe what is happening even as he is beset by opportunists, betrayed by associates, and bereft of family, friends, and fortune. As his world collapses around him, he is forced to concede that his nightmare is all too real. Twenty-three-year-old Ulrich Boschwitz wrote *The Passenger* at breakneck speed in 1938, fresh in the wake of the Kristallnacht pogroms, and his prose flies at the same pace. Taut, immediate, infused with acerbic Kafkaesque humor, *The Passenger* is an indelible portrait of a man and a society careening out of control.

[German Voices](#) - Frederic C. Tubach 2011-05-11

What was it like to grow up German during Hitler's Third Reich? In this extraordinary book, Frederic C. Tubach returns to the country of his roots to interview average Germans who, like him, came of age between 1933 and 1945. Tubach sets their recollections and his own memories into a broad historical overview of Nazism—a regime that shaped minds through persuasion (meetings, Nazi Party rallies, the 1936 Olympics, the new mass media of radio and film) and coercion (violence and political suppression). The voices of this long-overlooked population—ordinary people who were neither victims nor perpetrators—reveal the rich complexity of their attitudes and emotions. The book also presents selections from approximately 80,000 unpublished letters (now archived in Berlin) written during the war by civilians and German soldiers. Tubach powerfully provides new insights into Germany's most tragic years, offering a nuanced response to the abiding question of how a nation made the quantum leap from anti-Semitism to systematic genocide.

**Refugee Entrepreneurship** - Sibylle Heilbrunn 2018-09-12

Through a global series of case studies, this pioneering book delves into refugee entrepreneurship - a major economic, political and social issue emerging as a top priority. Stories from Australia, Germany, Pakistan and many other countries, highlight the obstacles facing refugees as they try to integrate and set up businesses in their new countries. Engaging contributions set the stage for a cross-analysis of the particularities and limitations faced by refugee entrepreneurs, culminating in an extended discussion about the future implications of refugee entrepreneurship for theory, policy and practice. This interdisciplinary book explores the motivations and drivers of refugee entrepreneurship, making it an insightful read not only for those engaged in entrepreneurship, but also for those interested in migration studies from a variety of academic disciplines.

*Interactive Peacemaking* - Susan H. Allen 2022-01-27

This book examines the theory and practice of interactive peacemaking, centering the role of people in making peace. The book presents the theory and practice of peacemaking as found in contemporary processes globally. By putting people at the center of the analysis, it outlines the possibilities of peacemaking by and for the people whose lives are touched by ongoing conflicts. While considering examples from around the world, this book specifically focuses on peacemaking in the Georgian-South Ossetian context. It tells the stories of individuals on both sides of the conflict, and explores why people choose to make peace, and how they work within their societies to encourage this. This book emphasizes theory built from practice and offers methodological guidance on learning from practice in the conflict resolution field. This book will be of much interest to students and practitioners of peacemaking, conflict resolution, South Caucasus politics and International Relations.
