The latest novel from the New York Times bestselling Queen of Erotica about a testy love affair between a woman who's had enough and a man who's had it all. Jemistry Daniels, the beautiful, intelligent, six-figures-a-year high school principal, suffered through one bad relationship after another. No wonder she adopted the "friends with benefits" mentality when it came to men. For Jemistry, there

was to be no "catching feelings." Her biggest mistake would be to open her heart again. When Dr. Tevin Harris meets Jemistry at a poetry reading in a café, he knows from her confessional writing that her past with men has been difficult. The prominent vascular surgeon, who has been only casually dating for years, is attracted to the embittered Jemistry nonetheless. With a little persistence, Tevin convinces Jemistry to go out with him. She has baggage, but so does he. What about his divorce? Despite their respective pasts, Jemistry and Tevin's chemistry is right and the relationship takes off, but not without bumps in the road. When Jemistry encounters her new beau in a compromising position with her bisexual best friend, what follows is an intense, sensuous, and unforgettable drama with surprises around every turn.

Afterburn - Zane 2005-01-04

In the latest romantic romp from

New York Times bestselling author Zane, two hapless lovers get lost in a dating game gone awry. When Washington, D.C., chiropractor Yardley Brown goes to his local bank, it isn't only to make deposits into his account. He has long since accrued some interest in Rayne Waters, a bank employee who's too beautiful to be true -- and too beautiful to be single. At least that's what Yardley believes, which is why he has never approached her. Little does he know that Rayne is anything but taken. Not for want of trying, of course. But after barely surviving a dating disaster with her hairdresser's brother and then falling for a member of her church band who, it turns out, is celibate, she's on the verge of giving up. That is, until Yardley -- discouraged by his own slew of dead-end romances -- finally works up the courage to give her a try. The true craziness, however, is just beginning, thanks to a cast of

characters who seem bent on botching the young couple's relationship. There's Rayne's erratic mother, who constantly boasts about being a "good whore"; Yardley's playboy buddies, always trolling for sex; and, worst of all, past lovers who make a habit of popping up and ruining things as only old flames (or previous mistakes) can. Weaving the carnal and the comical in true Zane fashion, Rayne and Yardley's struggle to find love in a world gone mad is a timeless talk about everything that can go wrong in the dating game -- and a few things that can go right.

The Interruption of Everything -

Terry McMillan 2007-05-01

From #1 New York Times

bestselling author Terry

McMillan comes a “frank, no-holds-barred, humorous look at

African-American midlife” (The

Seattle Times). “Being a lifetime

wife and mother has afforded me

the luxury of having multiple

and even simultaneous careers:

I’ve been a chauffeur. A chef. An

interior decorator. A landscape

architect, as well as a gardener.

I’ve been a painter. A furniture

restorer. A personal shopper. A

veterinarian’s assistant and

sometimes the veterinarian. I’ve

been an accountant, a banker, and

on occasion, a broker. I’ve been a

beautician. A map. A psychic.

Santa Claus. The Tooth Fairy.

The T.V. Guide. A movie

reviewer. An angel. God. A

nurse and a nursemaid. A

psychiatrist and psychologist.

Evangelist. For a long time I

have felt like I inadvertently got my master's in How to Take Care of Everybody Except Yourself and then a PhD in How to Pretend Like You Don't Mind. But I do mind." Today forty-four year old Marilyn Grimes has decided to be something other than a wife, a mother, a sister, or a daughter: herself. But first, she has to figure out exactly who that is....

Written by women from all over the world, here is a new level of lesbian erotica, compiled by Zane, that promises the most exciting and steamy reading experience possible. 10TH ANNIVERSARY EDITION

Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to

the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan?

Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading

cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.
