The Autobiography of an  
ExtraTerrestrial Saga - Craig  
Campobasso 2014-12-11

In 1959, an ExtraTerrestrial incarnated on Earth. He doesn't remember who he is; but his cells hold his past-life memories. After twenty-six years of spiritual education as a human, Cosmic Thought Adjusters determine that he is ready to know the truth, so they awaken him to his heritage. He was an instructor at the University of Melchizedek, where he trained Mighty Messengers to incarnate on Earth for secret "consciousness raising" programs, and in this incarnation, he has traveled with them. This is the autobiography of Solar Commander Thyron--whose mission it is to unite Earth with Universal Society. Now that this Earthman's heart rules his mind, communications with enlightened extraterrestrials are permitted, and a trip to his home and awaiting family in the Pleiades Star System is

facilitated. Ultimately, Thyron's Earth body is put into a slumber, and he is returned to his former Titan self. His family reunion is short-lived in the face of a galactic crisis. The evil forces--knowing of his brief homecoming--steal what is most precious to him, luring him into direct combat. His only armor is courage and a powerful Crystal Light Sword of Truth, given to him by Archangel Michael, his sovereign, just before he is thrust into the most barbaric cosmic war ever recorded. His enemy, the Dark Sa' Tan, commands the Brubarian armies--terrifying beasts, who wield impressive black-art technologies. Now a leader amongst extraterrestrials in the Star Seed Alignment of Space Peoples and Planets, the fate of the universe hangs in the balance, and not even Thyron can imagine what awaits him. <http://www.AutobiographyOfAnET.com>

**The Presence of Love** - Paul Ferrini  
2006

The Presence of Love -- the third book in Paul Ferrini's Spiritual Mastery Series -- makes it clear that the human family is at a crossroads. We can no longer afford to be sloppy, careless, or impulsive with our creations. We need to create compassionately and be responsible for what we create. This is a time of great energy. It is a time when the potential for healing and transformation is greater than it has ever been before. Each one of us has an important role to play in the healing of consciousness on our planet.

**The Inner Planets** - Liz Greene  
1993-01-15

The inner planets--Mercury, Venus, Mars--are the foundations of what psychology calls the ego, the sense of personal self. In this fourth volume in the Seminars in

Psychological Astrology series, Liz Greene and Howard Sasportas discuss the value of the inner planets as they symbolize important aspects of personality. We are not trained to give value to our private needs, feelings, and qualities. Indeed, because of their intensely personal nature, they are often suppressed or overlooked as irrelevant to society. Likewise, the inner planets have tended to be given less attention by psychological astrologers for they are the personal planets. The authors show us that in order to give the most that we can to our interactions with the rest of the world, we must first understand our own needs and have a healthy ego a personal authenticity. Their book teaches us the process of understanding how these three planets actually represent our individuality, and how they directly color the energy of the rest of our horoscope. Greene and Sasportas blend the processes of

astrology and psychology in a unique and important way in this in-depth insight into the archetypes represented by the inner planets. *Beyond Christianity* - Darnise C. Martin 2005-03-01  
*Beyond Christianity* draws on rich ethnographic work in a Religious Science church in Oakland, California, to illuminate the ways a group of African Americans has adapted a religion typically thought of as white to fit their needs and circumstances. This predominantly African American congregation is an anomalous phenomenon for both Religious Science and African American religious studies. It stands at the intersection of New Thought doctrine, characterized by personal empowerment teachings, and a culturally familiar liturgical style reminiscent of Black Pentecostals and Black Spiritualists. This group challenges oversimplified concepts of the Black church experience and

broadens the concept of Black religion outside the boundaries of Christianity—raising questions about what it means to be an African American congregation, and about the nature of blackness itself. Beyond Christianity adds a new dimension to the scholarship on Black religion.

A Leader's Guide to ThriveAbility - Robin Lincoln Wood 2015-06-15

A Leader's Guide to ThriveAbility is a field manual for Executives, Investors, Change Agents, Policymakers and future generations. The research and fieldwork we've conducted with leaders across every industry sector and civil society has led us to the inescapable conclusion that if we wish to reinvent capitalism, we need to reinvent capital and the organizations that generate and apply that capital. How can you, as a leader, use ThriveAbility to build a vibrant future for your organization or business as part of a ThriveAble

world? Some of the key questions that you will need to grapple with include: 1. What are the unique capabilities needed to maximise the thriving of my organization and its stakeholders for the smallest footprint? 2. Which innovation pathways can deliver the improvements and breakthroughs needed to deliver enhanced ThriveAbility to all our stakeholders? 3. How can we measure True Value in everything we do? 4. How can we get our organization to begin the ThriveAbility Journey? 5. In what ways can advantages in 1-4 above be translated into competitive advantage versus other organizations that are not on the ThriveAbility Journey? ThriveAbility is descriptive, prescriptive, and predictive- it describes the emerging edge of leading practice in strategy, innovation, sustainability and design, while prescribing an approach which includes an equation, decision framework, process and ThriveAbility

Index. ThriveAbility is predictive in the sense that it enables us to calculate the costs and benefits of different options and trade-offs in the design, development and scaling of new products, services and experiences, along with the human and social transformations needed to achieve ThriveAbility. The purpose of this book is to provide you and your colleagues with a practical, how-to guide on how to embed ThriveAbility in your organization. It will also come in handy for investors, advisors, consultants, financiers, facilitators, regulators and academics seeking to move beyond the confines of the limiting mindsets we are stuck in with current sustainability and shareholder value added approaches.

**Mass Awakening** - Shoshi Herscu  
2018-10-08

The Truth has been hidden from us while a global policy of mass depopulation and exploitation has

been carried out behind the scenes for the past half-century. The author, an independent journalist, became aware of this agenda only in the past few years. She found it hard to believe, but in-depth research and the testimony of whistleblowers worldwide have exposed these strategies. They include geoengineering (chemtrails), fluoridation of water supplies, GMOs, vaccinations, false flag terrorist attacks, and economic warfare by the group David Wilcock calls the Cabal. However, despite this grim reality, a positive shift of mass awakening is occurring worldwide. Tribunals are being established to prosecute elite offenders; revelations of hidden technology like free-energy and new economic models are being put forth. The author shows how humanity is claiming its rightful heritage as spiritual beings and charts the course of our elevation of consciousness. MASS AWAKENING gives

us all real hope for an amazing future. Mass Awakening is Shoshi Herscu's well researched and yet profoundly personal handling of intensely shocking material, rarely covered in print. It is both a true inspiration and a much-needed breath of fresh air. —Ada Tourtsakis

**Transformation Literacy** – Petra Künkel 2022

This open access book brings science and practice together and inspires a global movement towards co-creating regenerative civilizations that work for 100% of humanity and the Earth as a whole. With its conceptual foundation of the concept of transformation literacy it enhances the knowledge and capacity of decision-makers, change agents and institutional actors to steward transformations effectively across institutions, societal sectors and nations. Humanity is at crossroads. Resource depletion and exponential

emissions that not only cause climate change, but endanger the health of people and planet, call for a decisive turnaround of human civilization. A new and transformative paradigm is emerging that advocates for regenerative civilizations, in which a narrative of systemic health as much as individual and collective vitality guide the interaction of socio-economic-ecological systems. Truly transformative change must go far beyond technical solutions, and instead envision what can be termed 'a new operating system' that helps humankind to live well within the planetary boundaries and partner with life's evolutionary processes. This requires transformations at three different levels:" Mindsets that reconnect with a worldview in which human agency acknowledges its co-evolutionary pathways with each other and the Earth." Political, social and economic systems that are

regenerative and foster the care-taking for Earth life support systems." Competencies to design and implement effective large-scale transformative change processes at multiple levels with multiple stakeholders. This book provides key ingredients for enhancing transformation literacy from various perspectives around the globe. It connects the emerging practice of stewarding transformative change across business, government institutions and civil society actors with the most promising scientific models and concepts that underpin human action to shape the future collectively in accordance with planetary needs.

*Bite Me* - Ally Hilfiger 2016-05-10  
Ally was at a breaking point when she woke up in a psych ward at the age of eighteen. She couldn't put a sentence together, let alone take a shower,

eat a meal, or pick up a phone. What had gone wrong? In recent years, she had produced a feature film, a popular reality show for a major network, and had acted in an off-Broadway play. But now, Ally was pushed to a psychotic break after struggling since she was seven years old with physical symptoms that no doctor could explain; everything from joint pain, to night sweats, memory loss, nausea, and brain fog. A doctor in the psych ward was finally able to give her the answers her and her family had desperately been searching for, and the diagnosis that all the previous doctors had missed. She learned that she had Lyme disease—and finally had a breakthrough. What she didn't know was that this diagnosis would lead her down some of the most excruciating years of her life before beginning her journey to recovery from eleven years of misdiagnosis and physical pain. She would need to find her courage to heal physically,

mentally, and emotionally, and become the survivor she is today. Set against the backdrop of the fast-paced fashion and entertainment industries, BITE ME shares the heartbreaking and hilarious stories that moved Ally forward on her journey from sickness to health. Its themes will be familiar to more than 300,000 Americans diagnosed with Lyme disease each year, many of whom, like Ally, wondered for years what was wrong with them. BITE ME offers readers hope and ideas for how one can transition from victim to survivor, and shares the spiritual principles and actions that have contributed to her wholeness as a human, mother, and international spokesperson against Lyme disease.

**A Fork in the Road** - D. D. Hulse  
2009-08

In my travels across the country, the question asked most frequently is how I went from being a fundamentalist preacher to being a developer of healing techniques using tuning

forks. This book is the story of that journey. I feel honored yet humbled to be among those rising to the call to facilitate the new 5th Dimensional energy coming into our third dimensional time/space continuum. Come with me as we journey step by step through my search for answers. After looking at what I refer to in this book as my Fork in the Road, a new truth was born - a truth that provides answers for the Spirit, Mind, and Body. I will share information concerning self-healing using sound, vibration, and frequencies that can clear, cleanse, balance, and focus our lives in all its forms. The ancient Solfeggio frequencies are part of a process that can assist us in creating the possibility of lives without stress, illness, and sickness. Together we will go to the cutting edge of scientific discoveries regarding sound and healing. This book is also a call for Lightworkers to gather in

this crucial time of change and transformation on the planet. Join me and others who do not live in fear of the future. Just tune your inner ear and listen to these wonderful new ideas as I share the techniques of working with sound and, more specifically, the Solfeggio tuning forks. My hope is that we can all find the harmonics of our own individual music, and that through this process we will be enabled to live balanced lives.

**The Three Waves of Volunteers & the New Earth** - Dolores Cannon 2011

In 1945 when the atomic bombs were dropped in WWII, our "protectors" and "watchers" in outer space saw that

Earth was on a collision course with disaster. The prime directive of non-interference prevented them from taking any action, but then they came up with a brilliant plan to save Earth and assist her in her ascension. They couldn't interfere from the "outside", but maybe they could influence from the "inside". So the call went out for volunteers to come and help. "Earth is in trouble - who wants to volunteer?" The native souls living on Earth were too caught up on the wheel of karma. The only hope was to ask for pure souls to come who had never been trapped on the karmic cycle. Dolores in her hypnosis work has discovered three waves of these volunteers. Some have come direct from the "Source" and have never lived in any type of physical body before. Others have lived as space beings on other planets or other dimensions. Because all memory is erased upon entry to the Earth dimension, they do not

remember their assignment. Thus these beautiful souls have a difficult time adjusting to our chaotic world. These souls have a vital role to play as they help all of the rest of us ascend to the New Earth. \*

Characteristics of the Three Waves of Volunteers \* The Difficulties being Experienced by First-Timers \* How the Shift is affecting the Physical Body \* The Roles of ETs and Light Beings in the Shift \* Keepers of the Grid \* The Separation of the Old and New Earth \* What is the New Earth? \* What is the Significance of 2012?

Adult Faith - Diarmuid O'Murchu 2010  
This relatively new culture of the adult faith-seeker originated in the closing decades of the twentieth century as developmental psychology highlighted the changing nature of growth and maturity at different life-stages. Accompanied by the information explosion, adult people particularly began to ask questions for which they sought adult answers.

The co-dependency of earlier times, expecting adults to simply accept what religious authorities taught, is alien to adult religious maturity. Adult faith has arrived at a new threshold, requiring novel approaches and strategies in the religious development of adult people. Diarmuid O'Murchu charts this evolutionary development, highlighting dimensions of conventional religion which no longer inspire or offer hope, along with those that nurture and mature, and sheds new light on the spiritual horizons which contemporary adults seek to embrace. The result is a path-breaking book that empowers adult faith-seekers to confidently grow in wisdom and in grace, and that enables the church to use its resources to strengthen the faith of its people at a time of great change in how people think about religion.  
**Origins** - Larry Boohar 2020-07-07  
Origins: Speak to the Earth is an anthology of scientific evidence

supporting a creation / global flood / young earth worldview. It is written primarily for students as an alternative to the theory of evolution. God himself formed the earth and made it; he hath established it, he did not create it a waste place [he created it not in vain], he formed it to be inhabited. (Isaiah 45:18)

Getting Aligned for the Planetary Transformation - Tom Price 2016-09-17  
A "Magic Day" is happening soon (2016/2017 or soon thereafter), and you need to be prepared. Many won't make it. This New Beginning is unlike any our world, much less our universe, has ever seen. We explain why, and its roots go way back in time - - well before Jesus. Jesus is a big piece, but nonetheless a piece, of a much bigger plan involving

millions of players and their successful effort to repair the Great Fall (completed 2008) - - so that we CAN get through this transition. Mission accomplished. - - - - - This non-religious book reveals that plan, our grossly misunderstood history, who Jesus really is, and the Sacred Geometry which rules everything. By doing so it helps everyone, from all walks of life, "Get Aligned" so that we, as a species and individually, are vibrationally-unified and thus more so successful in this transition. - - - - - In other words, this is your Guide Book to the "2012 Transition" that's finally happening now (the delay is explained). It includes many references to further educate and assist you, so that you are comfortable and aligned with this transition. - - - - - There is no Cinderella complex about this transition: it's all about the free-will choice that you make on that

Magic Day. This book is your ticket to understanding all of this, and getting you and your family on board. Time is of the essence. This transition could happen at any moment. It's now 2016. - - - - - [TABLE OF CONTENTS: to see this, please click on the Kindle Version of this same book, and then "Look Inside"]  
*Tuning In* - David Thomas 2011-03-01  
In a quest for spiritual discovery and greater meaning in his life, journalist and filmmaker David Thomas stumbled upon channeling, a practice dating back to antiquity wherein an individual, usually in a trance state, makes a psychic connection with a spirit being. He was so taken with his first encounter that he arranged for in-depth interviews with six of the most prominent trance channelers practicing today and made a documentary about them, the critically acclaimed film *Tuning In*. In the book *Tuning In*, Thomas takes

us behind the scenes as he and his cameraman Matthiew Klinck travel across the country, sharing their adventures and experiences meeting and interviewing these six remarkable men and women. We not only get to know both the filmmakers and the channelers as people but also to watch as Thomas transforms from skeptical journalist to true believer. Written in an engaging and accessible style, *Tuning In* shows how this channeled material answers many of life's most basic yet elusive questions in profound ways: Why are we here? And, how can we create fulfilling lives for ourselves? This is a book about real people, real lives, with real advice for us all. *Tuning In* features Lee Carroll (Kryon), Darryl Anka (Bashar), Geoffrey Hoppe (Tobias), Wendy Kennedy (a Pleidian Collective), John Cali (Chief Joseph), and Shawn Randall (Torah).

*The Geomantic Year* - Richard Leviton  
2006-11

The spiritual world blesses the Earth at least 58 times a year—here's how you can join the party. Do you think folklore customs about solstices and equinoxes and other regular celebration days are quaint holdovers from the past? Not so. Do you sometimes wish there were a way to include the entire planet in a meditation practice? There is, and it's called the geomantic year. At least 58 times a year the spiritual world—angels, archangels, Ascended Masters, Star-Angels, even the Supreme Being—tunes in to the Earth, blesses, and even heals it in real-time day-long events. Our planet is constantly receiving input from the cosmos and heavenly realms. It's all part of a rhythmic maintenance calendar in which the Earth is enlivened, and all of humanity is invited to participate. This book shows you how. What kinds of events? On Epiphany, January 6, the Christ focuses on the planet to birth his

Light. On Bifrost Paints the Planet, April 10, the Great Bear constellation envelopes the Earth in 14 rays of light. On Michaelmas, September 29, the Archangel Michael cleanses the Earth's sacred sites and all their "plumbing." Other events in the geomantic year involve stars, Nature Spirits, holy mountains, River-gods, Pleadians, Hollow Earth dwellers, Grail Kings, volcano spirits, the Great Mother, and much more. The Geomantic Year documents 58 festival dates that focus on the Earth through its sacred sites, and it provides 58 simple meditations to help you participate. And it offers 12 informative essays linking Earth energies with hot topics such as the Illuminati and world control, parallel universes, the world's gold supply, the Ghost Dance, the Fall of Man, Earth and climate changes, and the apocalyptic year 2012. Why not get out your appointment book and pencil in a few dates: the Earth's

expecting you!

**Life on Earth** - Mike Dooley

2018-07-24

· What's happening in the world lately? · How can I be happy when so many are not? · Is life about following your heart or taking what's served to you? · Who were the prophets, what are angels, and what happens when we die? · What happened to our ancient civilizations, do secret societies have any real secrets, and are aliens now visiting us? · What's real? What matters? Who says? Who cares? · How do we know or find our purpose? Many of us ask ourselves these questions, and many more, as we go through our days and try to make sense of our lives. Mike Dooley asks them too, except . . . his questions get answered. Wisely. Compassionately. Fully. One such answer explained its source, stating that we all have a higher self within that predates this life and will live beyond it, and thus it knows a whole lot more than we do about where we've been, why we're here, and what will likely happen next on planet Earth.

Life on Earth takes the form of a journal in which Mike asks what's on his mind during pivotal times in his life. As one of today's most respected New Thought leaders and reality theorists, he offers a lofty platform for this wide-ranging dialogue that powerfully expands our perspectives on essential truths, taking on topics such as: · Why and how to see through the "illusions" of life on earth · How to make sense of natural disasters and man-made tragedies · Living deliberately, creating consciously, and finding your power · Wealth, relationships, "past lives," and the evolution of consciousness · The ultimate reason for life on earth (it's shockingly simple) These are questions asked from the heart with a cautious, even suspicious, mind. Mike explores the subtleties of the replies in depth and detail using his trademark wit and realism, in this intrepid explorer's guide to the jungles of

time and space.
