**Persepolis** - Marjane Satrapi 2003-04-29

**BEST SELLER • A NEW YORK TIMES NOTABLE BOOK •** Wise, funny, and heartbreaking, Persepolis is Marjane Satrapi's acclaimed graphic memoir of growing up in Iran during the Islamic Revolution. "A wholly original achievement.... Satrapi evokes herself and her schoolmates coming of age in a world of protests and disappearances.... A stark, shocking impact." —The New York Times: "The 50 Best Memoirs of the Past 50 Years" In powerful black-and-white comic strip images, Satrapi tells the coming-of-age story of her life in Tehran from ages six to fourteen, years that saw the overthrow of the Shah's regime, the triumph of the Islamic Revolution, and the devastating effects of war with Iraq. The intelligent and outspoken only child of committed Marxists and the great-granddaughter of one of Iran's last emperors, Marjane bears witness to a childhood uniquely entwined with the history of her country. Persepolis paints an unforgettable portrait of daily life in Iran and of the bewildering contradictions between home life and public life. Marjane's child's-eye view of dethroned emperors, state-sanctioned whippings, and heroes of the revolution allows us to learn as she does the history of this fascinating country and of her own extraordinary family. Intensely personal, profoundly political, and wholly original, Persepolis is at once a story of growing up and a reminder of the human cost of war and political repression. It shows how we carry on, with laughter and tears, in the face of absurdity. And, finally, it introduces us to an irresistible little girl with whom we cannot help but fall in love.

The Death-Ray utilizes the classic staples of the superhero genre origin, costume, ray-gun, sidekick, fight scene reconfiguring them in a story that is anything but morally simplistic. Relax with this delightful book and prepare for the illumination and sheer pleasure it delivers." —William Luhr, author of Thinking About Movies: Watching, Questioning, Enjoying and Professor of English at Saint Peter's University From Dial M for Murder and Vertigo to North by Northwest, Psycho, and The Birds, Alfred Hitchcock (1899–1980) made some of the most memorable thrillers in the history of cinema. Acclaimed for both his daring artistic innovations and his irrepressible showmanship, Hitchcock blended suspense, humor, and psychologically unsettling themes to create an extraordinary body of work. In Simply Hitchcock, author and movie critic David Sterritt explores the celebrated director's entire career, from its beginnings in the British silent film industry to its glory days in Hollywood. He shows Hitchcock as a consummate artist who dealt with deep existential and psychological issues, as well as a mischievous prankster who loved playing tricks on the audience and never lost a chance to pull a dead rabbit out of a hat.
