*God's Honorable Mentions* - Jim Cole-rous  
2013-11

When the Holy Spirit leads an inspired writer to record someone's name in the Bible, there is a story of courage and tenacity; or infamy and duplicity that we can learn from. In God's Honorable Mentions, you will meet people who played a role in the events recorded in scripture. Here is the story of Judas Iscariot and his father; looking at why Judas betrayed Jesus. Meet the mysterious Melchisedek, and find out why Abraham gave him such deference. Over 50 minor players are presented as found in the Bible. We look at who they were and why they acted as they did. There is usually a story behind the story; and he set out to find this motivating force that made them significant. Here are references to people barely mentioned, their genealogy and many fun facts you may not have known. These were real people facing the same challenges you and I make every day. For the sake of helping you keep track of relationships, the author has attempted to present each person in this book in chronological order, as far as is possible. Obviously he have had to go beyond the pages of scripture to find

some information about these people, but he did so cautiously, giving due consideration to the source from which his information was derived.

**Breaking the Line** - Samuel G. Freedman  
2013-08-13  
1967. Two rival football teams. Two legendary coaches. Two talented quarterbacks. Together they broke the color line, revolutionized college sports, and transformed the NFL. Freedman's dramatic account, highly praised as a contributing part of the movement and a riveting sports story, is now available in paperback. In September 1967, after three years of landmark civil rights laws and three months of devastating urban riots, the football

season began at Louisiana's Grambling College and Florida A&M. The teams were led by two extraordinary coaches, Eddie Robinson and Jake Gaither, and they featured the best quarterbacks ever at each school, James Harris and Ken Riley. Breaking the Line brings to life the historic saga of the battle for the 1967 black college championship, culminating in a riveting, excruciatingly close contest. Samuel G. Freedman traces the rise of these four leaders and their teammates as they storm through the season. Together they helped compel the segregated colleges of the South to integrate their teams and redefined who could play quarterback in the NFL, who could be a head coach, and who could run a franchise as general manager. In Breaking the Line, Freedman brilliantly tells this suspenseful story of character and talent as he takes us from locker room to state capitol, from embattled campus to packed stadium. He captures a pivotal time in American sport and society, filling a missing and crucial chapter in the movement for civil rights.

Religion and Sport in North America - Jeffrey Scholes 2022-09-13

From athletes praising God to pastors using sport metaphors in the pulpit, the association between sport and religion in North America is often considered incidental. Yet religion and sport have been tightly intertwined for millennia and continue to inform, shape, and critique one another. Moreover, sport, rather than being a solely secular activity, is one of the most important sites for debates over gender, race, capitalism, the media, and civil religion. Traditionally, scholarly writings on religion and sport have focused on the question of whether sport is a religion, using historical, philosophical, theological, and sociological insights to argue this matter. While these efforts sought to answer an important question, contemporary issues related to sports were neglected, such as globalization, commercialization, feminism, masculinity, critical race theory, and the ethics of doping. This volume contains lively, up-to-date essays from leading figures in the field to fill this scholarly gap. It treats religion as an indispensable prism through which to view sports, and vice versa. This book is ideal for students approaching the topic of religion and sport. It will also be of interest to scholars studying sociology of religion, sociology of sport, religion and race, religion and gender, religion and politics, and sport in general.

**The David Story: A Translation with Commentary of 1 and 2 Samuel** - Robert

Alter 2009-10-21

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays. Commentary on the Holy Bible by the Rev. Matthew Henry. With Memoirs of His Life, Character, and Writings, by Sir J. Bickerton Williams, and an Introductory Essay by the Rev. John Stoughton. Illustrated, Etc. [With the Text.] - 1857

**The Ages of Homer** - Jane B. Carter 1998-04

"This is the most exciting and diverse collection of essays on Homer to emerge in the past twenty-five years.... There is no other volume like this in scope or ambition or in the erudition of its contributors. It is one of a kind." —Richard P. Martin, Professor of Classics, Princeton University "Dedicated to the...archaeologist and classical scholar Emily Vermeule, this splendidly illustrated volume takes a special place among the numerous studies devoted to the Homeric past.... To sum it up, this is a valuable collection of penetrating studies about Homer, with interesting insights into early Greek art." —Journal of Indo-European Studies "By any standard an outstanding [collection], and among its thirty-one articles are nearly a dozen that will be appreciated as real advances in the discussion of one Homeric problema or another—perhaps an unprecedented percentage.... The University of Texas Press

has produced a volume worthy of its ceremonial function in the career of a tremendously influential scholar and educator. It is lavish, and very attractive." —Bryn Mawr Classical Review "Will be required reading for serious students of the Iliad, the Odyssey, and the Homeric world." —Choice Homer's Iliad and Odyssey have fascinated listeners and readers for over twenty-five centuries. In this volume of original essays, collected to honor the distinguished career of Emily T. Vermeule, thirty-four leading experts in Homeric studies and related fields provide up-to-date, multidisciplinary accounts of the most current issues in the study of Homer. The book is divided into three sections. The first section treats the Bronze Age setting of the poems (around 1200 B.C.), using archaeological evidence to reveal how poetic memory preserves, distorts, and invents the past. The second section explores the early Iron Age, in which the poems were written (c. 800-500 B.C.), using the strategies of comparative philology and mythology, literary theory, historical linguistics, anthropology, and iconography to determine how the poems took shape. The final section traces the use of Homer for literary and artistic inspiration by classical Greece and Rome.

**Too Slick to Stick** - Darrell Williams

2007-10

Darrell Williams is a man on a mission. His mission is to make up for all of the wrong he has done in his life by living daily in the light of the Lord. His story is one of grace, of forgiveness, of gratitude. For almost 30 years Darrell pursued a criminal lifestyle. As an IV drug user, a crack addict and an alcoholic, he had only one goal, to score his next fix, regardless of the cost to others. He engaged in forgery, pimping, stealing, scamming and lying to get to his next high. To meet Darrell today you would never guess that he is a man with a wicked past. The people he has helped over the past seven years believe him to be an angel. Ex-cons, former drug addicts, troubled youth, and homeless vagrants all know that they can call on Darrell for help, support, and acceptance. There is no need too great for Darrell to address, and no kindness too large for him to extend. Darrell credits the Lord for his complete transformation from criminal to Christian calling on the Creator with one small prayer, "Lord, please take the taste for drugs and alcohol from me." With that request, his life was changed. To his very core, Darrell believes that the same miracle can be extended to anyone who has the courage to ask for it, and the faith to believe that they too can be free from the grip of mind-altering substances. After reading Darrell's story you too will believe that miracles can happen in your own life and the lives of those you love.

*Dan Shanahan - If you don't know me, don't judge me* - Dan Shanahan 2010-10-31  
Dan Shanahan is a legend in modern

hurling, a three-time All Star and winner of 'Player of the Year' in 2007. His time as an inter-county senior hurler coincided with the remarkable revival in Waterford's fortunes, which saw them win the Munster Final four times in the last decade. In this candid and revealing autobiography, Dan speaks about his love of the game, which grew out of an idyllic childhood in Lismore and his apprenticeship with the Lismore club. He first made his mark as a senior player with Waterford in 1998, under the management of Gerald McCarthy. But it was when Justin McCarthy took over as manager in 2002 that the Waterford team really began to shine, Dan sharing the glory with such outstanding players as Tony Browne, Eoin Kelly, John Mullane and Ken McGrath. Yet tensions between the players and manager built up in 2007/2008, culminating in a frustrated Dan famously refusing to shake Justin's hand in public. McCarthy resigned and was replaced by Davy Fitzgerald, who led Waterford to the 2008 All-Ireland Final. Dan's charisma and extraordinary goal-scoring ability earned him a place in Waterford hearts. His goal in extra time in the 2010 Munster Final against Cork proved what a vital player he remained, and was a fitting climax to a great career. He retired from inter-county hurling shortly after. A tattoo on Dan's arm reads: If you don't know me, don't judge me. It's a testament to Dan's determination to succeed in the face of adversity.
