Counterpoints - Anti-Eviction Mapping
Project 2020-10
Counterpoints: A San Francisco Bay

Area Atlas of Displacement and Resistance brings together cartography, essays, illustrations, poetry, and more in order to depict gentrification and resistance struggles from across the San Francisco Bay Area and act as a roadmap to counter-hegemonic knowledge making and activism. Compiled by the Anti-Eviction Mapping Project, each chapter reflects different frameworks for understanding the Bay Area's ongoing urban upheaval, including: evictions and root shock, indigenous geographies, health and environmental racism, state violence, transportation and infrastructure, migration and relocation, and speculative futures. By weaving these themes together, Counterpoints expands normative urban-studies

framings of gentrification to consider more complex, regional, historically grounded, and entangled horizons for understanding the present. Understanding the tech boom and its effects means looking beyond San Francisco's borders to consider the region as a socially, economically, and politically interconnected whole and reckoning with the area's deep history of displacement, going back to its first moments of settler colonialism. Counterpoints combines work from within the project with contributions from community partners, from longtime community members who have been fighting multiple waves of racial dispossession, to elementary school youth envisioning decolonial futures.

2019-08-09

Never before have the pressures of a comparative and competitive world impacted on our sense of wellbeing, particularly among young adults.

Building on the principles of Giving Voice to Values, which honors the complexity and difficulty of leading with our values, this book addresses the unique challenges faced by young adults. It provides a clear process that details how to harness natural wisdom to flourish through the relentless pace and pressure of today's world. Moving beyond mere values clarification, Authentic Excellence helps the reader to develop a deeper relationship with their values and confidently express them, and builds effective coping skills to manage the relentless noise of our comparative and competitive world. Authentic Excellence answers five primary questions: How are young adults affected by this world of relentless change and pressure? Why are young adults vulnerable to a

plateau that can negatively affect their resilience? What is the difference between fear-based excellence and authentic excellence and what role do values play in this distinction? What is necessary to move beyond fear-based excellence and why is it so hard? How do you train a deeper level of effectiveness that includes more consistent productivity, fulfillment and resilience?

Where the Wild Ladies Are - Aoko Matsuda 2020-10-20

In this witty and exuberant collection of feminist retellings of traditional Japanese folktales, humans live side by side with spirits who provide a variety of useful services--from truth-telling to babysitting, from protecting castles to fighting crime. A busybody aunt who disapproves of hair removal; a pair of door-to-door saleswomen hawking portable lanterns; a cheerful lover who visits every night to take a luxurious bath; a silent house-caller who babysits and cleans while

a single mother is out working. Where the Wild Ladies Are is populated by these and many other spirited women—who also happen to be ghosts. This is a realm in which jealousy, stubbornness, and other excessive “feminine” passions are not to be feared or suppressed, but rather cultivated; and, chances are, a man named Mr. Tei will notice your talents and recruit you, dead or alive (preferably dead), to join his mysterious company. In this witty and exuberant collection of linked stories, Aoko Matsuda takes the rich, millenia-old tradition of Japanese folktales—shapeshifting wives and foxes, magical trees and wells—and wholly reinvents them, presenting a world in which humans are consoled, guided, challenged, and transformed by the only sometimes visible forces

that surround them.

The Divine Province: Birthing New Earth - Ed Rychkun 2013-01-07

In The Divine Province, Jaemes McBride and Ed Rychkun answer a 26,000 year old question of how we manifest and maintain the Golden Age. They bring into reality the New Earth consciousness unfolding during the End Times. Taking readers on a 6000 year journey of Old Earth, they expose how Earthlings have been ruled by Elite powers and how their means of conquest has been religion and commerce under a corporate model of PLANET EARTH INC. Learn how the silent dominion has separated the Earthlings from spirit, accepting the physical slavery of the body vessel, disguising the truth of who they are. Now at the end of a 26,000 year cycle, a new consciousness has

awakened multitudes of sleeping imprisoned souls to bring a New Earth into awareness, threatening the Rulers dominion and their business plan of the New World Order. It is about an awakening of who we are. Learn how the Divine Province has rapidly evolved as an expression of the new consciousness. See how it is now manifesting the physical birthing of New Earth, bringing the means from above in 5D consciousness to below into 3D reality, embodying the manifestation of peace, love, abundance and prosperity upon Old Earth. Divine Province is rapidly being populated by Divine beings of Light expressing themselves through Divine physical vessels who know who they are. In this book, the authors reveal how through rising above polarity and fear, one can choose the

path leading to the alchemical gold
of the Golden Age under Divine
Province

Arid Dreams - Duanwad Pimwana
2019-04-16

“One of Thailand’s preeminent female
writers . . . Each of her stories
poses its own moral challenge,
pleasurable and unsettling at once .
. . phenomenal.” –NPR.org In thirteen
stories that investigate ordinary and
working-class Thailand, characters
aspire for more but remain suspended
in routine. They bide their time,
waiting for an extraordinary event to
end their stasis. A politician’s wife
imagines her life had her husband’s
accident been fatal, a man on death
row requests that a friend clear up a
misunderstanding with a sex worker,
and an elevator attendant feels
himself wasting away while trapped,

immobile, at his station all day.
With curious wit, this collection
offers revelatory insight and subtle
critique, exploring class, gender,
and disenchantment in a changing
country. “Arid Dreams is stark, sly,
and unsparingly brilliant. Here is a
writer unafraid to pick up the
scalpel of her prose and use it to
cut to the bone. Each story is more
compelling than the last, each
combines dark humor with deeper
truths about human desire and
depravity. I couldn’t look away.”
–Preti Taneja, author of *We That Are
Young* “Pimwana’s characters, whether
they are truck drivers or farmers,
doctors or prisoners, are realized
with depth, affection, and a good
degree of humor. The petty concerns
of their daily lives—frustrated
careers, infidelity, reconnecting

with distant family—are hypnotically rendered in Pimwana’s telling. This is an exciting debut.” –Publishers Weekly “A deep and thoughtful exploration of human psyches and the dreams of ordinary Thais in an ever-changing socio-economic environment.” –Bangkok Post “An exacting look at the moments of joy and tragedy, of hope and desire.” –Independent Book Review

Lion in the Bay - Stanley L. Quick
2015-10-15

This is the story of the War of 1812 like no other, brought to life in narrative form with pinpoint historical details. As the War of 1812 raged on the high seas and along the Canadian border, the British decided to strike at the heart of the United States, the relatively undefended area of the Chesapeake Bay. The Chesapeake was a fertile farm region, a renowned place of shipbuilding and an area divided along political lines over the war. Admiral George Cockburn led the British into the bay in March 1813. After a failed attempt to take Norfolk, Cockburn led the British up

and down the Chesapeake. Originally a campaign to relieve pressure from other fronts, the Chesapeake theater soon became a campaign of retribution for the British, turning what had been an economic engine for America into a region of terrorized citizens, destroyed farms and fears of slave insurrection. The blockade choked American commerce and prevented privateers from taking the war to the English. Cockburn returned in 1814 and once more terrorized the residents on both shores of the Chesapeake while stoking the political divisions that also rent the country. In August, 1814, the British capitalized on the refusal of President James Madison to bolster the defenses of the waterway that led to the nation's capital. Cockburn again led a naval force into the bay,

but this time he ran into opposition from Commodore Joshua Barney and his polyglot flotilla of warships. Barney put up an heroic though doomed fight before the British landed at Benedict, Md., in August, 1814 and marched on Washington, D.C. After defeating the Americans at Bladensburg, the British burned Washington before returning to their boats and setting out for Baltimore. There, the British armada ran into Fort McHenry and a stalwart group of defenders. Despite a massive bombardment, the British could not silence the fort or the city's other defenses, forcing them to retreat and give up their campaign to completely shut the Chesapeake. The victory at Baltimore, coupled with victories on the Great Lakes, helped turn the war in America's favor.

Ereth's Birthday - Avi 2018-03-27

The fourth book in the beloved Poppy series by Newbery Medal-winning author Avi, with illustrations from Caldecott Medal-winning artist Brian Floca, is available as an ebook for the first time! Erethizon Dorsatum—better known as Ereth, the self-centered, foul-tempered old porcupine—is having a birthday. And he fully expects his best friend Poppy, a deer mouse, to help him celebrate in a grand manner. But Poppy has gone off somewhere with her husband, Rye, and it appears she has forgotten all about it. "Belching Beavers," says Ereth, "I am not angry!" (Though, perhaps he is—and more than just a little.) Ereth knows his special occasion deserves a special treat—even if he has to get it for himself. And what treat could

be more special than tasty salt? But the nearest salt is located deep in the forest, in a cabin occupied by fur hunters, who have set out traps to capture the Dimwood Forest animals. In one of the traps, Ereth finds Leaper the Fox—who, with her dying breath, begs the prickly porcupine to take care of her three boisterous young kits, Tumble, Nimble, and Flip. "Jellied walrus warts!" Ereth exclaims, but reluctantly agrees. Certainly this day is not going as he planned—and it's only just the beginning! Not only does Ereth suddenly have a rambunctious new family to take care of, but he's being stalked by Marty the Fisher, the one creature in Dimwood Forest who can do him harm. And Bounder, the father of the three little foxes, remembers all too well

the nose full of quills he got a while back from the grumpy old animal who now fancies himself the leader of the den. He too sets out to show Ereth who's boss. Throw in an unexpected snowstorm, and all in all, it adds up to one birthday Ereth the porcupine is never going to forget, not even if he lives to be a hundred and twenty-two!

Now Is Your Time! - Walter Dean Myers
2009-10-06

A Coretta Scott King Award winner that is more timely than ever—excellent narrative nonfiction that's "history at its best."* Like

Howard Zinn's *People's History of the United States*, *Now Is Your Time!* explores American history through the stories of the people whose experiences have shaped and continue to shape the America in which we live. History has made me an African American. It is an Africa that I have come from, and an America that I have helped to create. Since they were first brought as captives to Virginia, the people who would become African Americans have struggled for freedom. Thousands fought for the rights of all Americans during the Revolutionary War, and for their own rights during the Civil War. On the battlefield, through education, and through their creative genius, they have worked toward one goal: that the rights of life, liberty, and the pursuit of happiness be denied no

one. Fired by the legacy of these men and women, the struggle continues today. "Portrays the quests of individual Africans against the background of broader historical movements. Instead of a comprehensive, strict chronology, Myers offers, through freed slave Ibrahima, investigative reporter Ida Wells, artist Meta Warrick Fuller, inventor George Latimore, artist Dred Scott, the 54th Massachusetts Regiment, and others, history at its best—along with deeper understanding of past and contemporary events. Readers will grasp reasons behind incidents ranging from bewildering Supreme Court decisions to the historical need for the black extended family. Intriguing and rousing." (Publishers Weekly starred review*). Walter Dean Myers was a New

York Times bestselling author, Printz Award winner, five-time winner of the Coretta Scott King Award, two-time Newbery Honor recipient, and the National Ambassador for Young People's Literature. Maria Russo, writing in the New York Times, called Myers "one of the greats and a champion of diversity in children's books well before the cause got mainstream attention."
