**The Third Jesus** - Deepak Chopra, M.D. 2008-02-19

Who is Jesus Christ? In *The Third Jesus*, bestselling  
author and spiritual leader Deepak Chopra provides  
an answer to this question that is both a challenge to  
current systems of belief and a fresh perspective on  
what Jesus can teach us all, regardless of our  
religious background. There is not one Jesus,  
Chopra writes, but three. First, there is the  
historical Jesus, the man who lived more than two  
thousand years ago and whose teachings are the  
foundation of Christian theology and thought. Next

there is Jesus the Son of God, who has come to embody an institutional religion with specific dogma, a priesthood, and devout believers. And finally, there is the third Jesus, the cosmic Christ, the spiritual guide whose teaching embraces all humanity, not just the church built in his name. He speaks to the individual who wants to find God as a personal experience, to attain what some might call grace, or God-consciousness, or enlightenment.

When we take Jesus literally, we are faced with the impossible. How can we truly “love thy neighbor as thyself”? But when we see the exhortations of Jesus as invitations to join him on a higher spiritual plane, his words suddenly make sense. Ultimately, Chopra argues, Christianity needs to overcome its tendency to be exclusionary and refocus on being a religion of personal insight and spiritual growth. In this way Jesus can be seen for the universal teacher he truly is—someone whose

teachings of compassion, tolerance, and understanding can embrace and be embraced by all of us.

**Pleasure** - Alexander Lowen 2004

One of the world's leading innovators in the field of psychology shows you how to expand and realize your capacity to feel your body's aliveness, natural freedom, and spontaneity. A more creative life through pleasure is the promise of this revolutionary book. Defining pleasure as a bodily experience, Dr. Alexander Lowen states that there is no such thing as pure mental pleasure and points out that the capacity for pleasure is also the capacity

for creative self-expression. In most adults, however, the struggle for power competes with the striving for pleasure, undermines creativity, and causes muscular tensions. Pleasure offers a way out of this dilemma through a series of bioenergetic exercises. These exercises are described in easy-to-follow detail. Their aim is to help the body regain its natural freedom and spontaneity and to release not only pleasure but also joyous creativity.

*The Art of Reading Minds* - Henrik Fexeus  
2019-10-15

The internationally bestselling guide to "mind-reading" by influencing those around you via non-verbal communication, from human psychology expert Henrik Fexeus. How would you like to know what the people around you are thinking? Do you want to network like a pro, persuade your

boss to give you that promotion, and finally become the life of every party? Now, with Henrik Fexeus's expertise, you can. *The Art of Reading Minds* teaches you everything you need to know in order to become an expert at mind-reading. Using psychology-based skills such as non-verbal communication, reading body language, and using psychological influence, Fexeus explains how readers can find out what another person thinks and feels— and consequently control that person's thoughts and beliefs. Short, snappy chapters cover subjects such as contradictory signs and what they mean, how people flirt without even knowing it, benevolent methods of suggestion and undetectable influence, how to plant and trigger emotional states, and how to perform impressive mind-reading party tricks. Fexeus gives readers practical (and often fun) examples of how to effectively mind-read others and use this information, benevolently, both in

personal and professional settings.

*Serve to Win* - Novak Djokovic 2013-08-20

Novak Djokovic reveals the gluten-free diet and fitness plan that transformed his health and pushed him to the pinnacle. In 2011, Novak Djokovic had what sportswriters called the greatest single season ever by a professional tennis player: He won ten titles, three Grand Slams, and forty-three consecutive matches. Remarkably, less than two years earlier, this champion could barely complete a tournament. How did a player once plagued by aches, breathing difficulties, and injuries on the court suddenly become the #1 ranked tennis player in the world? The answer is astonishing: He changed what he ate. In *Serve to Win*, Djokovic recounts how he survived the bombing of Belgrade, Serbia, rising from a war-torn childhood to the top tier of his sport. While Djokovic loved and craved bread and pasta, and especially the pizza at his family's restaurant, his body simply couldn't process wheat. Eliminating gluten—the protein found in

wheat—made him feel instantly better, lighter, clearer, and quicker. As he continued to research and refine his diet, his health issues disappeared, extra pounds dropped away, and his improved physical health and mental focus allowed him to achieve his two childhood dreams: to win Wimbledon, and to become the #1 ranked tennis player in the world. Now Djokovic has created a blueprint for remaking your body and your life in just fourteen days. With weekly menus, mindful eating tips for optimal digestion, and delicious, easy-to-prepare recipes, you'll be well on your way to shedding extra weight and finding your way to a better you. Djokovic also offers tips for eliminating stress and simple exercises to get you revved up and moving, the very same ones he does before each match. You don't need to be a superstar athlete to start living and feeling better. With *Serve to Win*, a trimmer, stronger, healthier you is just two

weeks away.

**Friendship with God** - Neale Donald Walsch  
2002-10-01

The first book in a new series by the multimillion-copy bestselling author of Conversations with God. Neale Donald Walsch has changed the way millions of Americans think about God. His Conversations with God series, book 1, book 2, and book 3, have all been New York Times bestsellers- book 1 for over two years. The essence of Neale Donald Walsch's message lies at the heart of faith- the sacred place in every person, where he stands alone with his God.

Walsch urges each of us to forge our own unique relationship with God, a God who is everywhere and speaks to us in all we do. It is up to us to stop and listen. It is up to us to respond...to begin the conversation. And a conversation is the first step, just as in any relationship, in establishing trust, in building friendship, in creating communion. In *Friendship with God*, Neale Donald Walsch shares

the next part of his journey, and leads us to deepen and strengthen our own bonds with God. He honors our heart's desire: a closer connection, richer and fuller. A friendship with God.
