X-kit FET Grade 12 MATHEMATICS - 2008

*The administration of examinations for 15-19*

*year olds in England* - Great Britain: Parliament:

House of Commons: Education Committee

2012-07-03

This report from the Education Committee looks

at the administration of examinations for 15-19

year olds in England. The Committee expresses

serious concerns about incentives in the exam

system and about competition on syllabus

content. Incentives in the system should be

changed so the downward pressure through the

competition of exam boards is mitigated. The

Committee considers a number of options to

change incentives, including: (i) A single board.

This offers a simpler system, with no risk of

competition, but the Committee believes the cost,

risk and disruption outweigh the benefits; (ii)

Franchising of subjects to exam boards. This

removes syllabus competition, but again has

downsides; (3) Or the current system of multiple

boards. The Committee sees no benefit in

competition on syllabus content, but the setting

and marking of exams and associated administration, if properly regulated, could generate incentives and drive quality up, offering value for money to schools and colleges. The Committee also recommends the development of national syllabuses, accredited by Ofqual. The syllabuses would be developed by exam boards in conjunction with learned bodies and employer organisations and could therefore retain the benefits of competition on quality and the incentive for exam boards to innovate.

*Castles in the Air* – Kenneth Khulekani Khoza  
2013-12-27

*Castles in the Air* is an attempt to open discussions on some often overlooked issues which affect education, particularly in rural and township government schools. In order to make it a truly South African drama, I have drawn from oral tradition by including songs and poems which play an integral part in traditional storytelling. There are many folksongs which were included in earlier versions, but I decided to remove them in the final version because I did not intend to write a musical. There are also some praise poems that I composed for the main character and his father. I studied oral tradition, and I am confident that the praise poems I composed have all the qualities of the real praise poems, and because I could not compose them in English, I, therefore, wrote them in isiZulu with translations in the glossary at the end.
