Ingles Completo - Theodore Kendris 2018-10-01

Students of English whose first language is Spanish will find this book ideal for study and test preparation. Following an introductory chapter that offers study advice and tips on correct English pronunciation, the author devotes nine chapters to the examination of English verbs in all tenses, moods, and voices. Succeeding chapters cover nouns in the nominative, possessive, and objective cases, articles, adjectives,

adverbs, comparatives and superlatives, prepositions, pronouns, numbers, and interjections. The final chapters put the different parts of speech together to demonstrate sentence structure and correct English language punctuation. Each chapter is packed with exercises designed for self-study. An answer key helps students evaluate their understanding of the material. The book's additional features include regular and irregular verb tables and a vocabulary list.
