II.1 - 2022-01-01

Acest manual constituie un suport teoretic și practic pentru cursurile de Practica limbii spaniole, partea de gramatică, adresat studenților Universității din București care studiază Filologie, Traducere și Interpretare sau Limbi Moderne Aplicate. Vine în continuarea manualului Curso práctico de español. Gramática I. Autorii au elaborat teoria și practica având în vedere nevoile specifice ale studenților de anul II. Manualul acoperă nivelele B1-B2, conform Cadrului European Comun de Referință, deși anumite elemente gramaticale pot depăși nivelul B2 uneori. Cartea este alcătuită din 12 unități și o recapitulare. În fiecare unitate se explică diferite conținuturi gramaticale ce sunt urmate apoi de o serie de exerciții

aplicative. Fiind un mic compendiu de gramatică însoțit de un număr suficient de exerciții, această carte, ce va fi urmată de volumul Gramática II.2, poate fi utilă tuturor celor care învață spaniola și sunt interesați să-și lămurească neclaritățile legate de gramatica acestei limbi și să-și fixeze anumite conținuturi teoretice.

Rumbos: Curso intermedio de español -

Jill Pellettieri 2010-01-01

The RUMBOS program provides robust support to help students 'fill in the gaps' that might be left from their first year of Spanish study, including review activities, indices of first year grammar and vocabulary, and student annotations. At the same time, RUMBOS carefully leads students to higher levels of communicative competence through the combination of functional and contextualized vocabulary presentations, targeted practice of more advanced and often problematic

grammatical structures, and process-oriented reading and writing sections with integrated skill-building strategies. Finally, RUMBOS prepares students for advanced language study by involving them in authentic literary readings and academic writing tasks and by weaving in communicative activities geared to oral presentations. The RUMBOS program also provides plentiful instructor support through its transparent and flexible chapter structure, teacher annotations, and ancillary materials. Instructors using RUMBOS will find crafting creative, stimulating, and fun lesson plans effortless. The Routledge Handbook of Spanish Language Teaching - Javier Muñoz-Basols 2018-10-17

The Routledge Handbook of Spanish Language Teaching: metodologías, contextos y recursos para la enseñanza del español L2, provides a comprehensive, state-of-the-art account of the main methodologies, contexts and resources in Spanish Language Teaching (SLT), a field that has experienced significant growth world-wide in recent decades and has consolidated as an autonomous discipline within Applied Linguistics. Written entirely in Spanish, the volume is the first handbook on

Spanish Language Teaching to connect theories on language teaching with methodological and practical aspects from an international perspective. It brings together the most recent research and offers a broad, multifaceted view of the discipline. Features include: Forty-four chapters offering an interdisciplinary overview of SLT written by over sixty renowned experts from around the world; Five broad sections that combine theoretical and practical components: Methodology; Language Skills; Formal and Grammatical Aspects; Sociocultural Aspects; and Tools and Resources; In-depth reflections on the practical aspects of Hispanic Linguistics and Spanish Language Teaching to further engage with new theoretical ideas and to understand how to tackle classroom-related matters; A consistent inner structure for each chapter with theoretical aspects, methodological guidelines, practical

considerations, and valuable references for further reading; An array of teaching techniques, reflection questions, language samples, design of activities, and methodological guidelines throughout the volume. The Routledge Handbook of Spanish Language Teaching contributes to enriching the field by being an essential reference work and study material for specialists, researchers, language practitioners, and current and future educators. The book will be equally useful for people interested in curriculum design and graduate students willing to acquire a complete and up-to-date view of the field with immediate applicability to the teaching of the language.

Gramática de uso del español - Luis Aragonés 2018

The Way of the Linguist - Steve Kaufmann 2005-11

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic

domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book The Way of The Linguist, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He

relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.
